Aliens on Vacation Titan

Books (US, CA)
A comprehensive and
definitive volume telling

the complete story of how Alien was made, featuring new interviews with Ridley Scott and other production crew, and including many rarely-seen photos and illustrations from the Fox archives. In 1979 a movie legend was born, as Twentieth Century-Fox and director Ridley Scott unleashed Alien - and gave audiences around the world the scare of their lives. To celebrate the movie's fortieth anniversary, author J.W. Rinzler (The Making of Star Wars) tells the whole fascinating story of how Alien evolved from a simple idea in the mind of writer Dan O'Bannon into one of the most memorable sci-fi horror thrillers of all time. With brand new interviews with Ridley Scott and other key members of the original production crew, and featuring many never-before-seen photographs and artworks from the archives, The Making of Alien is the definitive work on this masterpiece of popular cinema.

Inside the Mind of

QAnon HarperCollins UK Binko the alien is on a mission to find the Toe Cheese Chimple, which has escaped from Planet Pok. And where better to start than the most

disgusting place on the planet in the galaxy . . . Pete Perkins's house! Together, Pete and Binko will search every toe, nose, bum and armpit in this filthy and funny adventure. This book is full of stinks, stonks, whiffs and PPPAAAAARRRRPPPPS! Do not read in front of policemen, teachers or your gran!

Save the Alien! (Board)

(PAW Patrol) Random House Books for Young Readers

For fans of Marie Lu comes the first book in an epic series that bends the sci-fi genre into a new dimension. "A truly beautiful novel that redefines the form."

—Victoria Aveyard, bestselling author of Red Queen This morning, Kady thought breaking up with Ezra was the hardest thing she'd have to do.

This afternoon, her planet was invaded. The year is 2575, and two rival megacorporations are at war over a planet that's little more than a speck at the edge of the universe.

Now with enemy fire raining down on them, Kady and Ezra—who are barely even talking to each other—are forced to evacuate with a hostile warship in hot pursuit. But their problems are just

getting started. A plague has broken out and is mutating with terrifying results; the fleet's AI may actually be their enemy; and nobody in charge will say what's really going on. As Kady hacks into a web of data to find the truth, it's clear the only person who can help her is the ex-boyfriend she swore she'd never speak to again. Told through a fascinating dossier of hacked documents—including emails, maps, files, IMs, medical reports, interviews, and more—Illuminae is the first book in a heart-stopping trilogy about lives interrupted, the price of truth, and the courage of everyday heroes.

"Prepare yourselves for Illuminae." —EW.com

"[Y]ou're not in for an ordinary novel experience. . . ."

—Bustle.com "A truly interactive experience. . . . A fantastically fun ride."

—MTV.com ★ "[O]ut-of-this-world awesome."

—Kirkus Reviews, starred ★ "...stylistically mesmerizing."

—Publishers Weekly, starred ★ "[A]n arresting visual

experience."—Booklist, starred ★ "[A] game-changer." —Shelf

Awareness, starred

"Brace yourself. You're about to be immersed in a mindscape that you'll never want to leave."

—Marie Lu, bestselling author of the Legend trilogy "Genre: Undefinable. Novel: Unforgettable." —Kami Garcia, bestselling coauthor of Beautiful Creatures & author of Unbreakable "An exuberant mix of space opera, romance, zombies, hackers, and political thrills." —Scott Westerfeld, bestselling author of Zeroes and Ugliers "Stunningly creative. Smart, funny, and romantic." —Veronica Rossi, bestselling author of Under the Never Sky "This is one of those rare books that will truly keep your heart pounding." —Beth Revis, bestselling author of Across the Universe "This book is xxxing awesome." —Laini Taylor, bestselling author of Daughter of Smoke and Bone *Alien vs. Predator* CreateSpace The third entry in Smith's popular series. When David's grandma wins an award and goes to accept it on another planet, security officer Tate assumes full control of the Intergalactic Bed & Breakfast. His decision to put the alien tourists on

total lock down doesn't go over well. Illustrations.

EDITORS' PICK / TOP 10
RECOMMENDED READ
Two experts of extremist radicalization take us down the QAnon rabbit hole, exposing how the conspiracy theory ensnared countless Americans, and show us a way back to sanity. In January 2021, thousands descended on the U.S. Capitol to aid President Donald Trump in combating a shadowy cabal of Satan-worshipping pedophiles. Two women were among those who died that day. They, like millions of Americans, believed that a mysterious insider known as "Q" is exposing a vast deep-state conspiracy. The QAnon conspiracy theory has ensnared many women, who identify as members of "pastel QAnon," answering the call to "save the children." With Pastels and Pedophiles, Mia Bloom and Sophia Moskalenko explain why the rise of QAnon should not surprise us: believers have been manipulated to follow the baseless conspiracy. The authors track QAnon's unexpected leap from the darkest corners of the Internet to

the filtered glow of yogi-mama Instagram, a frenzy fed by the COVID-19 pandemic that supercharged conspiracy theories and spurred a fresh wave of Q-inspired violence. Pastels and Pedophiles connects the dots for readers, showing how a conspiracy theory with its roots in centuries-old anti-Semitic hate has adapted to encompass local grievances and has metastasized around the globe—appealing to a wide range of alienated people who feel that something is not quite right in the world around them. While QAnon claims to hate Hollywood, the book demonstrates how much of Q's mythology is ripped from movie and television plot lines. Finally, Pastels and Pedophiles lays out what can be done about QAnon's corrosive effect on society, to bring Q followers out of the rabbit hole and back into the light.

Step on board and join the galaxy's top defence team in this explosive new series for boys! Complete with awesome gaming cards so you can do battle against the Alien Invaders too! Five mutant alien outcasts from the deep

space Wrecking Zone have been recruited by the evil outlaw Kaos to destroy the galaxy... Half hideous alien, half deadly robot - these are the toughest enemies Cosmo has ever faced. The awesome alien Krush is on the rampage in one of the universe's busiest cities. Can Cosmo act quickly to prevent Krush flattening everything in his path? The power of the universe is in YOU!

Her Brutal Alien Simon and Schuster

Giant Monster Rampage is a turn based combat game for two or more players. The game takes place in a world where colossal creatures roam the planet, seeking to destroy each other and anything unfortunate enough to be in their way. The game allows players to create and control one of several different types of monsters, from mutant animals, to alien robots, and everything in-between. Giant Monster Rampage gives players complete control over the creation of their monster. Players can create an existing monster from a popular media source or one from their own imagination. The possibilities are endless. The object of the game is to cause as much damage

and destruction as possible while taking on any monsters foolish enough to oppose you. Giant Monster Rampage is a standalone game that can also be used as an expansion for any other Toy Battle System game." *Stage 6 Hero Academy: Rampage of the Robots* Quirk Books
Book 3 in the warm-hearted, hilarious Intergalactic Bed & Breakfast series. When David's grandma wins a hotelier award and goes to accept it on another planet, security officer Tate assumes full control of the Intergalactic Bed & Breakfast. His decision to put the alien tourists on total lockdown doesn't go over well, however, and most of the guests vacate. Tate decides to retrieve Grandma, leaving David and his friend Amy home alone. Running the B& B when there are only a few guests should be a breeze, especially for two kids who saved the universe just a few weeks ago. But soon David and Amy (and alien pooch, Snarfle) are faced with such problems as a lost alien, a pair of gate-crashers, and a potential horde of UFO-watchers descending on the inn. Middle grade readers will be over the moon about

this third kooky comedy featuring an assortment of hapless humans and admirable aliens.

Scrub isn't happy about having to spend the summer with his hippie grandmother in "Middle of Nowhere," Washington. When he arrives at her Intergalactic Bed & Breakfast, he's not surprised by its 1960s-meets-Star Wars decor; but he is surprised by the weird looking guests. It turns out that each room in the inn is a portal and his grandma is the gatekeeper, allowing aliens to vacation on Earth. This eBook now includes a preview for Clete Barrett Smith's new book, *Magic Delivery!* *Lex Talionis* Knopf Books for Young Readers
Nick and Tesla return in an all-new, robot-filled adventure! When a rash of robberies hits the town of Half Moon Bay, 11-year-old sleuths Nick and

Tesla are determined to catch the criminals—but to do so, they'll have to build a host of new gadgets and gizmos! In this robot-themed follow-up to Nick and Tesla's High-Voltage Danger Lab, the brother-and-sister duo build four different droids out of ordinary household objects—and illustrated instructions are included throughout the story, so you can build them, too! Make bristlebots that buzz, hoverbots that float above the ground, battlebots that duke it out, and more! Can Nick and Tesla catch the criminal mastermind—and foil his army of rampaging robots—before it's too late?

Alien: Isolation Titan Books (US, CA)
Master storyteller Stephen King presents the classic “wondrously frightening” (Publishers Weekly) #1 New York Times bestseller about a writer’s horrific and haunting pseudonym. “I’m back...I’m back from the dead and you don’t seem glad to see me at all, you ungrateful son of a bitch.” After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have

been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad’s even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph “Not a Very Nice Guy.” Although on the surface, it seems that Thad can finally concentrate on his own novels, there’s a certain unease at the prospect of leaving George Stark behind. But that’s nothing compared to the horror about to descend upon Thad’s new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark’s untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad’s fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he’s going to find out just how wrong he is...
Read with Oxford: Stage 6: Hero Academy: Rampage of the Robots
Random House
A relentless alien bounty hunter encloses a Texas

town under a dome to isolate, hunt, and kill its prey in “the ultimate horror novel” (The Philadelphia Inquirer). Ever since the copper mine closed, the West Texas desert hellholes of Inferno and Bordertown have been slowly dying. Snake River isn’t the only thing that divides them. Racism, gang wars, and anti-Mexican sentiment have turned the sun-scorched flatlands into a powder keg. If anything can unite them for now, at least in awe and wonder, it’s the UFO that comes soaring out of the clouds like a flaming locomotive. In the wake of the crash, a young alien named Daufin has arrived, too. A fugitive who has taken the form of a human, she knows the terror that awaits the inhabitants of this planet—because it is looking for her. When Stinger, the monstrous alien bounty hunter, arrives, it’s with a destructive fury and a devious plan to find Daufin—by entombing the residents in an impenetrable and inescapable dome. A relentless killing machine, Stinger has an infinite capacity for death and destruction. And over the next twenty-four hours, this town is going to bleed

and burn. Now, the few remaining survivors must come together to protect Daufin, themselves, and the world beyond from total annihilation. From the New York Times–bestselling and Bram Stoker Award–winning author of *Swan Song*, Stinger was called “one of the best suspense novels of recent years” by the Science Fiction Chronicle.

adventure when they help a lost alien find his spaceship. Boys and girls ages 0 to 3 will love this storybook! This Nickelodeon read-along contains audio narration. *The Dark Half* Titan Books (US, CA)

A journalist's twenty-year fascination with the Manson murders leads to shocking new revelations about the FBI's involvement in this riveting reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant. With no mercy and seemingly no motive, the Manson Family followed their leader's every order -- their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia -- or dystopia -- was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried

there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi -- prosecutor of the Manson Family and author of *Helter Skelter* -- turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson -- an illiterate ex-con -- turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies, from San Francisco's summer of love to the shadowy sites of the CIA's mind-control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen

documents from the LAPD, the FBI, and the CIA, Chaos mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history.

Raccoon Rampage
(*Awesome Animals*)
Perfection Learning

The debut collection of a poet whose savage, hilarious work has already received extraordinary notice. Since his poems first began to appear in the pages of *The New Yorker* and *Poetry*, there

has been a lot of excited talk about the fresh and inventive work of Michael Robbins. Equal parts hip-hop, John Berryman, and capitalism seeking death and not finding it, Robbins's poems are strange, wonderful, wild, and completely unlike anything else being written today. As allusive as the Cantos, as aggressive as a circular saw, this debut collection will offend none but the virtuous, and is certain to receive an enormous amount of attention.
