Black Belt Communications

"The straight punch is the core of Jeet Kune Do."—Bruce Lee The straight lead was a key element in Bruce Lee's development of his own personal style. It was designed to be uncomplicated, economical, and brutally effective but is not as simple as it might seem. Bruce Lee once described it the most difficult move in the Jeet Kune Do arsenal. Lee developed JKD as a response to the shortcomings he found in traditional martial arts, but it also includes elements of Western combat systems that he found effective. It incorporates contributions ranging from Jack

Dempsey's approach to boxing to the fencing style of Aldo Nadi. In *The Straight Lead: The Core of Bruce Lee's Jun Fan Jeet Kune Do*, author Teri Tom describes the development of the straight punch in Western martial arts and describes Bruce Lee's refinement of the technique. It also offers a thorough instruction in the complexity and power of the move—showing martial artists of any discipline how to incorporate this devastating attack into their repertoire. With forewords by Shannon Lee Keasler and Ted Wong, chapters include: A Brief History of Straight Punching Evolution of Jeet Kune Do's Straight Lead The Stance Mechanics of the Straight Lead Footwork Why the Straight Lead? Application Speed Variations of the Straight Punch What Jun Fan Jeet Kune Do is Not Go to

the Source An Interview with Ted Wong
A Biography Bruce Lee's Fighting Method Advanced Techniques
 Bruce Lee was a revered martial artist, actor and filmmaker known for movies like 'Fists of Fury' and 'Enter the Dragon,' and the technique Jeet Kune Do. This book gives an account of his life, career in Martial Arts, Filmography and Death. A must read for any Bruce Lee Fan.
[The Core of Bruce Lee's Jun Fan Jeet Kune Do](#) Createspace Independent Publishing Platform
 “The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate” (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce

Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema; his actor father's

struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was

obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.

Bruce Lee Jeet Kune Do Simon & Schuster

Part of the Bruce Lee's Fighting Method series, this book teaches how to perform jeet kune do's devastating strikes and exploit an opponent's weaknesses with crafty counterattacks like finger jabs and spin kicks.

Wing Chun Kung-fu Seconds Out Incorporated

While writing the upcoming book "It Takes a Ninja," Ilan Gattegnò realized

that many of his published writings on the Bujinkan were no longer accessible to his fellow practitioners. He felt it important to share the contribution of the Israeli Dōjō to the understanding of Bujinkan spirit in the world. Many people were exposed to Doron Navon, instructor of the Israeli Dōjō, but only through his translating for Hatsumi Masaaki. This book tells the story as Gattegnò experienced it since beginning training in November 1974 when Doron returned to Israel after spending eight years in Japan.*** ** Included are these chapters - The Connection: Israel on the Map, Takamatsu: The Teacher of Today's Ninja Leader, Hatsumi Masaaki: The Enigma Continues, Doron Navon: The Test of Truth, Ishizuka Tetsuji: A Close Up on a Master Instructor, Nagato

Toshiro: The Gentle Giant, Next Generation: Teaching the Art, Watch and Learn: Licensed to Drive, The Requirements: Setting a Standard, Seigyo Through Metsubushi: Control through Blinding, Working for the Future: Letting Go, Back to the Hombu Dōjō. In 1882 Jigoro Kano (1860-1938) founded Kodokan Judo at Eishoji Temple in Tokyo. It was the culmination of a lifelong devotion to the jujutsu of the past, which he reorganized while taking great care to retain its classical traditions. Historically, martial arts were practiced only by the elite in Japan. Kano, a renowned educator as well as a sportsman, is credited with popularizing the martial arts, and in particular, judo, among people in all levels of society. When he was young, Kano studied jujutsu, a martial art practiced in Japan since feudal times, which involved throwing, hitting, kicking, stabbing, slashing, choking, bending and twisting limbs-and defenses against these attacks. After years of studying, he realized that

although many different jujutsu techniques were taught, there was no one core value holding them together. Kano identified an all-pervasive principle- to make the most efficient use of mental and physical energy-and combined only those techniques in which this principle was correctly applied into modern judo. "Ju" means gentleness or giving way. "Do" means principle or the way. Judo, therefore is the Way of Gentleness, which implies that first giving way leads to ultimate victory. The Kodokan is literally, "the school for studying the Way." This book is a collection of Kano's essential teachings, selected and compiled from his wealth of writings and lectures spanning a period of fifty-one years. Today the International Judo Federation has 187

member countries and regions. As an official sport of the Olympic Games, judo has inspired young people of all nationalities, and Kodokan is universally recognized as the Mecca of Judo.

Bruce Lee Fighting Method Limited Edition Tuttle Publishing

"Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN Named one of TIME magazine's "100 Greatest Men of the Century," Bruce Lee's impact and influence has only grown since his untimely death in 1973. Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about

the man whose groundbreaking action films and martial arts training methods sparked a worldwide interest in the Asian martial arts. Bruce Lee Artist of Life explores the development of Lee's thoughts about Gung Fu (Kung Fu), philosophy, psychology, poetry, Jeet Kune Do, acting, and self-knowledge. Edited by John Little, a leading authority on Lee's life and work, the book includes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. Although Lee rose to stardom through his physical prowess and practice of jeet kune do—the system of fighting he founded—Lee was also a voracious and engaged reader who wrote extensively, synthesizing Eastern and Western thought into a unique

personal philosophy of self-discovery. Martial arts practitioners and fans alike eagerly anticipate each new volume of the Library and its trove of rare letters, essays, and poems for the light it sheds on this legendary figure. This book is part of the Bruce Lee Library, which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do *Wing Chun For Street Fighting and Self Defense* Turtleback Reveals how the iconic warrior attained his legendary speed, power, and footwork. Included are practical, effective stretches for increasing

flexibility, abdominal exercises that can be performed anywhere, and hard-hitting advice on running, biking, skipping rope, and shadowboxing. More than just a fitness guide, this must-have manual also delves into the fundamental aspects of Bruce Lee's revolutionary combat philosophy, jeet kune do, including how to strengthen your fists with iron-palm training, get the most out of your punches and kicks, camouflage your attacks, develop the footwork to evade almost any blow, cover distance rapidly, escape from a tight corner, conserve energy for countering, build muscles without sacrificing speed, fix flaws in your stance, and improve your peripheral vision, leverage, and timing. *Bruce Lee, James Yimm Lee, and the Creation of Jeet Kune Do* Tuttle

Publishing

Learn the ways of the Japanese Bushido Code with this very readable, modern translation of the Bushido Shoshinshu. Code of the Samurai is a four-hundred-year-old explication of the rules and expectations embodied in Bushido, the Japanese Way of the Warrior. Bushido has played a major role in shaping the behavior of modern Japanese government, corporations, society, and individuals, as well as in shaping modern Japanese martial arts within Japan and internationally. The Japanese original of this book, Bushido Shoshinshu, (Bushido for Beginners), has been one of the primary sources on the tenets of Bushido, a way of thought that remains fascinating and relevant to the modern world, East and West. This handbook,

written after five hundred years of military rule in Japan, was composed to provide practical and moral instruction for warriors, correcting wayward tendencies and outlining the personal, social, and professional standards of conduct characteristic of Bushido, the Japanese chivalric tradition. With a clear, conversational narrative by Thomas Cleary, one of the foremost translators of the wisdom of Asia, and powerfully evocative line drawings by master illustrator Oscar Ratti, this book is indispensable to the corporate executive, student of the Asian Culture, martial artist, those interested in Eastern philosophy or military strategy, as well as for those simply interested in Japan and its people.

Bruce Lee's 5 Methods of Attack Blue Snake Books

Do you want to know how Bruce Lee built his incredible muscles? Discover what types of arm, abs, shoulder, leg, back and core exercises he did and find sample workout routines here in this one-of-a-kind book. Almost all of Lee's body parts were perfect but his abs were the best. He had an extremely great looking midsection that was hard as

stone. His abs were defined and looked like a washboard. He was especially good at core training. He was always searching for new types of exercises in order to maximise the strength of his abdominal muscles. There are many advanced exercises linking to his name - and all are included here in this book for the first time ever. Maybe, the most famous one is the Dragon flag. You will also see that he mainly did bodyweight core exercises such as various leg raises, sit-ups, and twists. On the other hand, he sometimes used equipment for example barbells and dumbbells. Most of the Bruce Lee resistance exercises can be done at home. In summary, I have collected the best strength exercise and fitness routines from the 1960s-70s that Lee would have - and did - use; and in

which you can learn what kind of muscular exercises he employed. Why wait any longer - it's time to get Bruce Lee Muscles! Bonus supplement: Bruce Lee Abs Workout For A Six-Pack Stomach (included). A Comprehensive Guide to Bruce Lee's Martial Way Contemporary Fighting Arts,

LLC

Bruce Lee never died. And he hasn't aged. But he has no idea who he is, what's happened in the world in the past 40+ years, or why so many "thugs" want a piece of him. With the help of a fly BFF from the '70s - Joe Toomey, P.I. -- and a pair of precocious Teens, Bruce will find himself forced to do battle with both an enigmatic Villain and his very own conscience.

Skill in Techniques Contemporary Fighting Arts

Bruce Lee's daughter illuminates her father's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless,

shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in *Be Water, My Friend*, Lee's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee's teachings, expanding on the foundation of his iconic "be water" philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to

our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. *Be Water, My Friend* is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to

inspire many around the world to transform their lives.
