Since its publication in 2000, *Recovering the Scandal of the Cross* has provoked thought among evangelicals about the nature of the atonement and how it should be expressed in today's various global contexts. In this second edition Green and Baker have clarified and enlarged the text to ensure its ongoing critical relevance.

Though unseen and unheard, the God of the Bible exists. Religious wars and atrocities in the history of the Christian West may cause many to disbelieve in God or see Him in a negative light. God did not cause these horrors, nor is He responsible for these or any other sins of man. God is in fact love as John described Him. Much of popular culture today reviles God based upon spiritually naïve opinions. What of pain, suffering, inequity, and injustices? How can we say that God is love in the face of this reality? Understanding such difficult questions requires development of a spiritually informed perspective. Consider if the God of the Bible exists, God Almighty, our creator, surely He must be competent to reveal Himself to us. Indeed, He is competent, and biblical scripture reveals God to mankind. Yet God is an elegant personality, and scripture is an elegant message. Knowing Him and comprehending His scripture require effort. The mendicant seeking God and studying scripture must yield heart and mind to renewal, unlearn many biases, learn new and astonishing ideas, and become susceptible to God's Spirit, informing, retraining, and transforming us. Spiritual objectivity is possible. This book is the product of one adult life spent tenaciously seeking God. The author declares that the biblical God does exist. He is understandable and knowable. Life with God, with God dwelling with us and within us, is our greatest birthright. By God's design, we are all children of God. As children of God, we have a glorious spiritual inheritance available to us if only we can lift our eyes upon it and make it our own. This book has been written to help people everywhere cut through the philosophical, theological, social, cultural, and spiritual static of our times that they might walk with God as Enoch, Abraham, Moses, David, or Elijah walked. Our intimacy with God can and should be as vibrant and constant as any Bible hero we could name. To this end, bringing people into not only relationship but also spiritual intimacy with God, this book was written.

A believer once told me how he would gather with a Bible study group and discuss Andrew's Life for Today commentary notes. Many in the group found this method of study to be helpful in their walk with God. So, I decided to put together *Discipling Through Galatians*, a study guide based on notes from Andrew's Living Commentary and Life for Today Study Bible and Commentary: Galatians, Ephesians, Philippians & Colossians Edition. To the dismayed and disappointed disciples making their way back home to Emmaus the Sunday afternoon following the crucifixion of Jesus, the resurrected Lord came alongside them and taught them all things concerning Himself from the scriptures beginning with Moses and the prophets. From scripture, He showed them how a crucified Messiah fulfilled all which had been written concerning His redemptive work as Immanuel (God with us). He opened their eyes to understand God's salvation plan for fallen man and His role in completing that work. This daily devotional seeks to show how scripture reveals the Lord Jesus as the Lamb of God who takes away the sins of the world, and He stands at the crossroads between eternal life with God and eternal life separated from God. It is my sincerest prayer and desire that you will see His glory reflected in the scriptural texts for each day, the associated meditations of my heart, and be compelled to take up your cross and follow Him to victory and glory. "To my wife, Carol and sons: Thomas, Michael and Solomon. I would not have written this book were it not for you and our mutual loved ones."

The 'Dictionary of Paul and his letters' is a one-of-a-kind reference work. Following the format of its highly successful companion volume, the 'Dictionary of Jesus and the Gospels', this Dictionary is designed to bring students, teachers, ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship. No other single reference work presents as much information focused exclusively on Pauline theology, literature, background and scholarship. In a field that recently has undergone significant shifts in perspective, the 'Dictionary of Paul and His Letters' offers a summa of Paul and Pauline studies. In-depth articles focus on individual theological themes (such as law, resurrection and Son of God), broad theological topics (such as Christology, eschatology and the death of Christ), methods of interpretation (such as rhetorical criticism and social-scientific approaches), background topics (such as apocalypticism, Hellenism and Qumran) and various other subjects specifically related to the scholarly study of Pauline theology and literature (such as early catholicism, the centre of Paul's theology, and Paul and his interpreters since F. C. Baur). Separate articles are also devoted to each of the Pauline letters, to hermeneutics and to preaching Paul today. The 'Dictionary of Paul and His Letters' takes its place alongside the 'Dictionary of Jesus and the Gospels' in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century - committed to the authority of Scripture, utilising the best of critical methods, and maintaining dialogue with contemporary scholarship and challenges facing the church.

A helpfully concise commentary on Paul's letter to the early Christians in Rome, which the Apostle wrote just a few years before the outbreak of Nero's persecution. Keener examines each paragraph for its function in the letter as a whole, helping the reader follow Paul's argument. Where

relevant, he draws on his vast work in ancient Jewish and Greco-Roman sources in order to help modern readers understand the message of Romans according to the way the first audience would have heard it. Throughout, Keener focuses on major points that are especially critical for the contemporary study of Paul's most influential and complex New Testament letter.

The book is a topical commentary and Bible reference based on the Scriptures from the Old and New Testaments. After the introduction, the first section explains the Messiah's purpose and focuses on the foundations for salvation through the Messiah. The second section focuses on emotional topics and how they affect your relationship with the Messiah. The root of many emotional issues is caused by bitterness, so the causes of bitterness and forgiveness are explained in simple terms easily understood by the reader and how they affect salvation. Next the reader explores love, compassion mercy, pride and humility and how they affect their relationship with God. Digging deeper into the emotional issues the reader learns God's definition for lust and purity of heart. The next section deals with the intangible issues in the reader's life. This includes faith, sanctification, repentance and the importance of total surrender to God. The holy Spirit is explained in detail with an emphasis on His purpose for you. Section four covers some of the symbolism in the Bible and tries to help the reader see things from the cultural view of Jesus time. The desire is to help the reader understand how symbolism points to salvation and the importance of events symbolically. Section five covers almost all the parables of Jesus found in the Gospels. The parables are grouped into broad categories including: "The Kingdom of God," "Service and Obedience," "Prayer," "Humility," "God's Love," "Jesus Return," and "God's Values." The parables are explained in detail using the cultural setting of Jesus time. Section six is a brief overview of biblical history and Israel's history. The next section begins with a discussion about the rapture at Christ's second coming. The various points of view are discussed. Then the anti-Christ and False Prophet are explained. Revelation is covered extensively, but not by analyzing the symbolism. The first article is "Don't fear the book of Revelation," followed by "Revelation: The real Message," These articles explain the purpose and message for Revelation and try to remove the fear factor that most people feel. The final section is designed to challenge your thinking and bring you closer to God.

An Intertextual Commentary on Romans is an exhaustive treatment of the hundreds of Old Testament citations, allusions, and echoes embedded in Paul's most famous epistle. As many scholars have acknowledged, to understand Paul's engagement with Israel's Scriptures is to understand Romans. Despite this acknowledgement, there is a dearth of reference works in which the primary focus is how the Old Testament impacts Paul's argument from Romans 1:1 to 16:27. This four-volume commentary aims to provide just such a reference. The interplay between Romans and its vast sea of Old Testament pre-texts produces unstated points of resonance that illuminate Paul's rhetorical argument from the letter's opening to its closing doxology. Volume 2 examines the scriptural pre-texts in Romans 5:1—8:39. While this portion of Romans contains only one full citation, it is teeming with scriptural allusions and echoes that are critical to understanding Paul's argumentation. Crisler leaves no intertextual stone unturned as he probes the subtext of one of the richest sections in the entire Pauline corpus. From Paul's key transition in Romans 5:1 to his poetic flourish in 8:31-39, and everywhere in between, Crisler explores the interplay between the apostle's endless engagement with Israel's Scriptures and his message to the Christians in Rome. This volume contributes to the commentary's overarching aim which is to provide scholars, interpreters, and students with verse by verse analysis of how Israel's Scriptures impact almost every clause of Paul's most famous letter.

Exalting Jesus in Romans is part of the Christ-Centered Exposition Commentary series. Edited by David Platt, Daniel L. Akin, and Tony Merida, this commentary series, to include 47 volumes when complete, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition presented as sermons and divided into chapters that conclude with a "Reflect & Discuss" section, making this series ideal for small group study, personal devotion, and even sermon preparation. It's not academic but rather presents an easy reading, practical, and friendly commentary. The CCE series will include 47 volumes when complete. The author of Exalting Jesus in Romans is Tony Merida.

Paul's Letter to the Romans may well be the most influential book in Christian history. In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator, judge, and redeemer of the world. Valuable "additional notes" on important theological themes and difficult texts -- such as Paul's discussion of same-sex relationships, the salvation of "all Israel," and the woman Junia, who was "well known among the apostles" -- further connect Romans to contemporary issues. Throughout his commentary Kruse expertly guides readers through the plethora of interpretations of Romans, providing a reliable exposition of this foundational epistle.
