In *Going to Extremes* writer, presenter and Oxford geography don Nick Middleton visits Oymyakon in Siberia, where the average winter temperature is -47 degrees and 40% of the population have lost their fingers to frostbite while changing the car wheel. Next he travels to Arica Chile where there have been fourteen consecutive years without a drop of rain and so fog is people's only source of water. Going from the driest to the wettest, he visits Mawsynram in India which annually competes for the title with its neighbour Cherrapunji. However, Nick discovers even here, that during the dry season, there is water shortage and one entrepreneur has started selling it bottled. Finally his journey takes him to Dalol in Ethiopia known as the 'hell hole of creation' where the temperature remains at 94 degrees year round. Here Nick will join miners who work all day with no shade, limited water and no protective clothing. The book and series consider how and why people lives in these harsh environments. How does Nick's body react to these contrasting extremes? He looks at the geographical and meteorological conditions. He meets local characters and discovers the history of these settlements to find out how they ever became populated. He looks at the way both the population, and the flora and fauna, have adapted physically to the climate, and also considers the psychological impact of living under such conditions.

Nathan Garrideb comes to Sherlock Holmes, asking for help to find someone with the same surname as him. If he can find such a person, Nathan can touch a \$5 million inheritance. He has himself been tracked down by an American Garrideb from Kansas. The latter says they need to be three people of the same name to be able to touch the total amount of \$15 million. The case seems most curious to Holmes, who decides to look further into it. "The Adventure of the Three Garridebs" is part of "The Case-Book of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

Hester appears to have it all - marriage, a nice home, three children and a stimulating job. But it is not enough. For no matter how much she and her husband earn, she spends more. Driven by a desire to be loved by his mother, young Paul starts betting on the horses with the family's gardener. He wins, wins and just keeps winning. But, as quickly as he hands her the money, Hester has splurged it away. Then, as Derby day approaches, the

spooky secret of Paul's endless run of luck is revealed. As tragedy beckons, will Paul win his mother's love? This book is perfect for fans of Edgar Allan Poe and Ernest Hemingway. It was made into the 1949 fantasy film 'The Rocking Horse Winner', starring John Howard Davies, Valerie Hobson and John Mills. DH Lawrence (1885-1930) was an English writer and poet. He was at the centre of a great deal of controversy during and after his life, with the explicit nature of some of his novels leading to censorship and protests. Many critics admired his imaginative and deeply descriptive style, though. Among his best-known novels are 'Sons and Lovers', 'Lady Chatterley's Lover', 'The Rainbow' and 'Women in Love'.

Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage.

Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived. Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains Harlequinade, a farce about a touring theatre troupe, written to accompany The Browning Version in a double-bill under the joint title, Playbill. 'Few dramatists of this century have written with more understanding of the human heart than Terence Rattigan' Michael Billington This edition includes an authoritative introduction, biographical sketch and chronology.

It moved me to tears." —Reese Witherspoon From the bestselling author of Everything I Never Told You and Our Missing Hearts comes a riveting novel that traces the intertwined fates of the picture-perfect Richardson family and the enigmatic mother and daughter who upend their lives. In Shaker Heights, a placid, progressive suburb of Cleveland, everything is planned—from the layout of the winding roads, to the colors of the houses, to the successful lives its residents will go on to lead. And no one embodies this spirit more than Elena Richardson, whose guiding principle is playing by the rules. Enter Mia Warren—an enigmatic artist and single mother—who arrives in this idyllic bubble with her teenaged daughter Pearl, and rents a house from the Richardsons. Soon Mia and Pearl become more than tenants: all four Richardson children are drawn to the mother-daughter pair. But Mia carries with her a mysterious past and a disregard for the status quo that threatens to upend this carefully ordered community. When old family friends of the Richardsons attempt to adopt a Chinese-American baby, a custody battle erupts that dramatically divides the town—and puts Mia and Elena on opposing sides. For over six decades, Ruskin Bond has celebrated the wonder and beauty of nature as few other contemporary writers have, or indeed can. The Book of Nature brings together the best of his writing on the natural world, not just in the Himalayan foothills, but also in the cities and small towns that he has lived in or travelled through. In these pages, you will find leopards padding down the lanes of Mussoorie after dark, the first shower of the monsoon that brings with it a tumult of new life, the chorus of insects at twilight, ancient banyan trees and the short-lived cosmos flower, among other fascinating beings. This volume proves, yet again, that for the serenity and lyricism of his prose and his sharp yet sympathetic eye, Ruskin Bond has few equals.

*ODE TO A NIGHTINGALE* W. W. Norton & Company

A delightful read... no one understands nature like Ruskin Bond and it takes his ability to put this wonder into words'-Deccan Chronicle For over half a century, Ruskin Bond has celebrated the wonder and beauty of nature as few other contemporary writers have, or indeed can. This collection brings together the best of his writing on the natural world, not just in the Himalayan foothills that he has made his home, but also in the cities and small towns that he lived in or travelled through as a young man. In these pages, he writes of leopards padding down the lanes of Mussoorie after dark, the first shower of the monsoon in Meerut that brings with it a tumult of new life, the chorus of insects at twilight outside his window, ancient banyan trees and the short-lived cosmos flower, a bat who strays into his room and makes a night less lonely... This volume proves, yet again, that for the serenity and lyricism of his prose and his sharp yet sympathetic eye, Ruskin Bond has few equals. 'Once again this writer from Mussoorie captivates with his collection of nature pieces -Sunday Midday 'Bond uses his pen as a brush to paint sensuous images of his experiences with nature and beckons his readers into his imagination ... a book that relaxes the eyes, rests the mind, lulls the noise and lets one drift into the idyllic life with nature that most of us are unable to lead'-Dawn

This eBook edition of "Ode to a Nightingale" has been formatted to the highest digital standards and adjusted for readability on all devices. "Ode to a Nightingale" is either the garden of the Spaniards Inn, Hampstead, London, or, according to Keats' friend Charles Armitage Brown, under a plum tree in the garden of Keats House, also in Hampstead. According to Brown, a nightingale had built its nest near his home in the spring of 1819. Inspired by the bird's song, Keats composed the poem in one day. It soon became one of his 1819 odes and was first published in Annals of the Fine Arts the following July. "Ode to a Nightingale" is a personal poem that describes Keats's journey into the state of Negative Capability. The tone of the poem rejects the optimistic pursuit of pleasure found within Keats's earlier poems and explores the themes of nature, transience and mortality, the latter being particularly personal to Keats. The nightingale described within the poem experiences a type of death but does not actually die. Instead, the songbird is capable of living through its song, which is a fate that humans cannot expect. John Keats (1795-1821) was an English Romantic poet. The poetry of Keats is characterized by sensual imagery, most notably in the series of odes. Today his poems and letters are some of the most popular and most analyzed in English literature.

In Lajwanti, Mulk Raj Anand focuses on a woman's predicament and struggle to find an identity for herself. Frustrated by a rigid pattern of social

relationships, gender bias, religious bigotry and her own petty human foibles, her abject condition serves as a metaphor for sacrifice and servility which forms the thematic heart of these stories.
