Dominate or Be Dominated  
HarperChristian + ORM

"Don't drag me into An ugliness match!  
The last time I looked Into a mirror I could  
see clearly, I won't win!" "The horse of  
wickedness galloping, the tortoise of  
righteousness crawling. Yet righteousness  
arrives first at the winning post because  
wickedness is going in the wrong  
direction." "Polish is to shoes what  
education is to the mind." Royal Lines is a

collection of vivid quotes, that explain  
underlying meanings of life's encounters.  
The author uses humor and wit to re-  
channel negative vibes into positive  
attitudes.  
America Before Kregel Publications  
A LOS ANGELES TIMES BESTSELLER • A  
NEW YORK TIMES BOOK REVIEW EDITOR'S  
CHOICE • Bestselling author Richard

Reeves provides an authoritative account of the internment of more than 120,000 Japanese-Americans and Japanese aliens during World War II. Less than three months after Japan bombed Pearl Harbor and inflamed the nation, President Roosevelt signed an executive order declaring parts of four western states to be a war zone operating under military rule. The U.S. Army immediately began rounding up thousands of Japanese-Americans, sometimes giving them less than 24 hours to vacate their houses and farms. For the rest of the war, these victims of war hysteria were imprisoned in primitive camps. In *Infamy*, the story of this appalling chapter in American history is told more powerfully than ever before. Acclaimed historian Richard Reeves has interviewed survivors, read numerous private letters and memoirs, and combed through archives to deliver a sweeping narrative of this atrocity. Men we usually consider heroes-FDR, Earl Warren, Edward R. Murrow-were in this case villains, but we also learn of many Americans who took great risks to defend the rights of the internees. Most especially, we hear the poignant stories of those who spent years

in "war relocation camps," many of whom suffered this terrible injustice with remarkable grace. Racism, greed, xenophobia, and a thirst for revenge: a dark strand in the American character underlies this story of one of the most shameful episodes in our history. But by recovering the past, *Infamy* has given voice to those who ultimately helped the nation better understand the true meaning of patriotism.

*Infamy* St. Martin's Press

The communication aspect of leadership – to actively engage your followers and achieve understanding and motivation whilst making the message memorable – has never been more important. Using vivid lessons and examples from spheres outside business organization, *The Persuasive Leader* explores the leader's role as a communicator and teaches the fundamental principles of successful leadership. This book provides insights and principles about persuasive leadership from a broad range of human experiences. It draws on examples of persuasive leaders and persuasive leadership principles from the performing arts, the fine arts, literature, philosophical writings,

and biography. The authors use their unconventional material to explore themes such as moral leadership, toxic leadership, learning from failures, 'distributed' leadership, leading for results and the leader as a mentor and counsellor. Leaders described in *The Persuasive Leader*: Abraham Lincoln, Jack Welch, Cleopatra, Teddy Roosevelt, Alexander the Great, Rachel Carson, Joshua Chamberlain, Governor John Winthrop, Barack Obama, Steve Jobs, Henry V, Julius Caesar, John Quincy Adams, Dwight Eisenhower, Susan B. Anthony, Elizabeth Cady Stanton, Huey Long, Napoleon, Ghandi, Sam Walton, Archbishop Sean O'Malley, Benjamin Franklin, Franklin Roosevelt, Jim Sinegal, Dolly Madison, James Jones, Clarence Darrow, William Harvey, Ronald Reagan, Fletcher Christian, Thomas Jefferson, Nelson Mandela, Charles McCormick, George Washington, Oprah Winfrey, Joan of Arc, John Kennedy, Herbert Hoover, Christopher Columbus, Anita Roddick, John DeLorean, Ronald Reagan, Margaret Thatcher, and others less well known persuasive leaders such as Anne Sullivan, TS Lin, Maria Galantry, Dorothy Collins, Scott Nash, Jane Hughes, William Barnes.

*The Golden Years Become the Twilight Zone* Greenleaf Book Group

What if we all lived our daily lives so that we could be proud to add our signature to it at the end of the day—just as an artist or novelist signs a finished piece of work? When a craftsman signs his work, he's making a statement: "I'm taking ownership. This is my personal best at this moment." Your Signature Life encourages us to give God the very best of ourselves at work, at home, and in relationships, through the choices we make every day.

*I'm So Glad You Told Me What I Didn't*

*Wanna Hear* Frederick Fell Publishers

Whether speaking to a crowd or small group, you want your audience to really understand your message. *Speak Up with Confidence* is a step-by-step guide that will walk you through preparing and delivering any kind of presentation, whether you are sharing your testimony, preparing a devotional, or leading a meeting or workshop. A sought-after speaker, Carol Kent is a reassuring guide through the often intimidating world of public presentation—from deciding on your topic and speaking points to engaging with your audience and

delivering your talk well. Rich in stories and packed with helpful tips and insights, this book will transform the way you communicate, opening up a new world of ministry for you. If you want to be a leader in your church or simply want to be more comfortable talking in front of others, this book will give you the organizational skills and tips you need to make your presentation a success.

*1,001 Ways to Slow Down* Xulon Press

ENJOY the journey and you'll live LONGER. Enjoy the journey and the LIFE you live will be BETTER. Enjoy the JOURNEY and others will enjoy being with YOU! Life is too precious to be missed. But many believe it is in the accomplishments and achievements; in the destinations that we find what we are looking for. But what about the journey? What about all the time, people and seemingly insignificant events that occur on the way? *On the Way: How You Live the Journey Makes the Destination Matter*, encourages us to take a closer look at how we live -- To examine what we miss. Then it calls to our hearts to return to another way, the way of the Savior -- the On the Way pattern of living. So put on your walking shoes, grab your

backpack and get ready to go! This journey is going to be good! Rick Grieve has served as an associate pastor and worship leader for 14 years. He has provided direction, counseling, and creative biblical teaching to congregants of all ages. He currently serves as Executive Pastor at First Assembly of God in Helena Montana where he shares his life and ministry with his wife, Tamara, and son, Will.

**Development** Henry Holt and Company  
Attributing Development Impact brings together responses using an innovative impact evaluation approach called the Qualitative Impact Protocol (QuIP). This is a transparent, flexible and relatively simple set of guidelines for collecting, analysing and sharing feedback from intended beneficiaries about significant drivers of change in their lives.

"Dance First. Think Later" Xlibris Corporation

In addition to being an author, Michael McDonald is an ordained minister and a licensed professional counselor in private practice with his wife and partner Rebecca. Besides counseling people who

have both mental health and substance abuse problems, Michael and Rebecca present creative Christian programs using magical illusions, clowning, and ventriloquism. In *God Is More Than a Good Idea*, Michael describes how to allow God to be more than a rational belief in your life. "I'm excited about the book," he says, "because Jesus proved by his every word and action that he was God in the flesh. He simply did everything right. What was his reward for loving us? We tortured and killed him. What was his response to our hatred? He prayed from the cross, "Father, forgive them because they don't know what they are doing." I don't know about you, but that's the kind of God I want to know." The book covers a lot of ground with Michael sharing many of his own personal experiences as he talks about how you can become God's friend.

"What's the point," he asks, "if God is only a good idea? What good is a God who isn't there and doesn't care? The good news is that God came to planet Earth to help us find love and peace in a world filled with trouble.

*3 Mph* Julian Dibbell

We live in a day of advanced technology,

but what lies behind it is applied knowledge. Knowledge is a sweeping term, serving as a common denominator undergirding science, philosophy, theology and the list goes on. It speaks to the condition of learnedness as opposed to merely opinion, or its absence, ignorance. Christianity is knowledge based too. Like pursuing a philosophic line of reasoning, this book engages the biblical trajectory that follows from the Tree of Knowledge. Drawing upon the great thinkers, topics such as the great debate over faith and reason, postmodernism, law in the confines of covenant, justice in the context of dominion, and the role of the Holy Spirit are addressed, distilling out key components related to knowledge, showing how the path forward leads into covenant-relationship.

Words of Power Penguin

A step-by-step guide for acquiring confident speaking skills, *Delivering Powerful Speeches* provides the key to delivering a dazzling speech everytime. Readers will learn the techniques to express their ideas with authority, develop leadership and communicate with charisma. Filled with easy steps, charts

and exercises to achieve speaking success, this book will eliminate the barriers that inhibit self-expression. The six parts of this book will lead readers to deliver powerful speeches, boost confidence, and it covers all aspects of public speaking--from a speech at a family function to a professional event.

Church Humour Revell

The Instant New York Times Bestseller!

Was an advanced civilization lost to history in the global cataclysm that ended the last Ice Age? Graham Hancock, the internationally bestselling author, has made it his life's work to find out--and in *America Before*, he draws on the latest archaeological and DNA evidence to bring his quest to a stunning conclusion. We've been taught that North and South America were empty of humans until around 13,000 years ago - amongst the last great landmasses on earth to have been settled by our ancestors. But new discoveries have radically reshaped this long-established picture and we know now that the Americas were first peopled more than 130,000 years ago - many tens of thousands of years before human settlements became established

elsewhere. Hancock's research takes us on a series of journeys and encounters with the scientists responsible for the recent extraordinary breakthroughs. In the process, from the Mississippi Valley to the Amazon rainforest, he reveals that ancient "New World" cultures share a legacy of advanced scientific knowledge and sophisticated spiritual beliefs with supposedly unconnected "Old World" cultures. Have archaeologists focused for too long only on the "Old World" in their search for the origins of civilization while failing to consider the revolutionary possibility that those origins might in fact be found in the "New World"? America Before: The Key to Earth's Lost Civilization is the culmination of everything that millions of readers have loved in Hancock's body of work over the past decades, namely a mind-dilating exploration of the mysteries of the past, amazing archaeological discoveries and profound implications for how we lead our lives today.

Wikinomics Henry Holt and Company  
Value creation is at the heart of an economic enterprise, defining its capability to serve customers and generate profits

and growth. This fact has led to an ever-increasing set of tools and techniques that start with customers, focusing on serving their preferences from the very inception of a product until its disposal. And this data is required to implement a value creation approach that has its roots in the Management Accounting System (MAS). The resulting model is called the Value-based Cost Management System (VCMS). If you or any manager want to take the lessons you learned in product development, process management, and marketing, this book will help you extend this knowledge to your MAS. This book makes this transformation both logical and easy to implement, with a focus on the new types of information that can be garnered when the MAS is modified to fit the value creation approach. The authors of the book will provide, upon request, a simplified automated data collection template that will ease the implementation process.

**14,000 Quips and Quotes** WestBow Press

For parents who have been knocked to the floor by bad news and plastered to the ceiling by unwelcome surprises . . . here's

a book to prop you up, scrape you down, and (believe it or not) help you laugh again. Bad news is bad enough. .But bad news about your children carries a triple whammy of pain, worry, and "where did we go wrong!" An accident, an illness, an unwholesome lifestyle, a devastating decision?the truth about these awful events can turn your life upside down, isolate you from family and friends, drain you of hope, and overpower you with stress. If that's your experience right now, this book can be a lifesaver. Crammed with practical guidance and sanity-saving laughter, it's a gift of hope to you from "the queen of encouragement," Barbara Johnson and other men and women who are "out there on the dance floor of life, doing the lost-parent shuffle." Drawing on her personal experience, her years of ministering to parents in pain, and the letters she has received from hundreds of hurting (and healing) parents, Barbara Johnson shares: what you can expect in the days ahead?and how to cope what to do with your shock, pain, and guilt how to find grace for your ongoing stress how to love your kids without trying to "fix 'em" how to find comfort and encouragement in

scripture, friendship, and the knowledge that you're not alone how to locate a support group?or start one of your own how to pull together with your spouse?instead of letting your pain pull you apart She salts each chapter with wry observations, uplifting letters, sunny day-lifters, cartoons and just plain-funny one-liners?to life your spirits and bring you comfort. Whether you're stuck on the ceiling, groping through the tunnel, smoldering in the fire, or down for the count, this book can keep you moving and even keep you laughing through your tears as you travel the rocky path from "Why me, Lord?" to "Thank you, Lord."

**20,000 Quips & Quotes** LifeRich Publishing

The words are on the tip of your tongue, but you just can't quite remember them. You've been there a hundred times, so why did you take the wrong turn? Outwardly, as people age they may be looking and feeling younger than their parents' generation--60 is the new 40, after all--but mental decline can begin as early as age 30, and it will impact everyone at some point. The increasing rate of dementia is sobering, and the personal, financial, and societal stakes are

high. The good news is, just like diet and exercise can keep aging bodies healthier, the proper mental regimen can slow--even reverse--the deterioration of our mental capacity. In this practical and hopeful book, Dr. Frank Minirth gives readers trustworthy scientific insights, helpful assessments to measure mental sharpness, and proven strategies to preserve focus, memory, and brain power at every age. Each chapter includes brain boosters, exercises, and challenges, as well as engaging personal stories.

**14,000 Quips & Quotes for Writers & Speakers** Penguin

In eight weeks, this interactive Bible study for women will show what the proverbs say about daily life, how they apply to modern times, and how they reveal the wisdom of God. Part of the discovery series, this updated edition has been reorganized to facilitate either individual or group use and supplemented with inspirational sidebars and short, 3-5 minute teaching videos. Scan the video QR code with a smart phone or visit the series Web site to watch Sue provide historical and cultural background, teach important truths found in each week's lesson, or ask

thoughtful questions to encourage deeper discussion.

**Royal Lines: Quips, Quotes and Anecdotes** Business Expert Press

This reference should be useful to public speakers, writers, politicians, performers and salespeople. The book should also amuse anyone who enjoys humour or taking a look at sayings which go back thousands of years. Some of civilization's most influential and profound writers - including Aristotle, Erasmus, Thomas More, Shakespeare and Cicero - are among those quoted.

**Your Signature Life** Tyndale House

God doesn't want to see any part of your life dominated by unwanted circumstances and conditions. So He will give you everything you need by His Spirit to prevail over what tries to take over anything in your life. Discover how you can take spiritual control over the works of the spiritual opponent. By faith, you can live in the best of what God has for you and see other people turn to the Lord as you spiritually dominate by faith. The Bible never describes your faith as being nice and sweet. It must be aggressive if you're going to see miracles. This is not just for

our personal lives, but if we are going to have a great awakening in the nation and get people into the kingdom of God in these end times, we are going to have to dominate spiritually. We cannot allow Satan to do whatever he wants with the souls of the people of this world. This is a three-and-one book: a teaching, prayer, and study guide questions and notes section. Discover how to see God's best come to your life and to those He calls you to help.

*A Book of Remarkable Criminals* Infinity Publishing

This irresistible list book from National Geographic provides lighthearted quick hits of inspiration for those of us who feel overwhelmed--which is to say, all of us. Musings, activity suggestions, and illuminating quotes are paired with whimsical art on themes such as living in the moment, achieving balance, relieving stress, developing patience, and appreciating the world around us. "Slow living" sidebars, such as "Foods to Cook Slowly" and "Things to Do the Old-Fashioned Way," are interspersed throughout the book.

**On the Way** National Geographic Books

The acclaimed bestseller that's teaching the world about the power of mass collaboration. Translated into more than twenty languages and named one of the best business books of the year by reviewers around the world, *Wikinomics* has become essential reading for business people everywhere. It explains how mass collaboration is happening not just at Web sites like Wikipedia and YouTube, but at traditional companies that have embraced technology to breathe new life into their enterprises. This national bestseller reveals the nuances that drive *wikinomics*, and share fascinating stories of how masses of people (both paid and volunteer) are now creating TV news stories, sequencing the human genome, remixing their favorite music, designing software, finding cures for diseases, editing school texts, inventing new cosmetics, and even building motorcycles.

**Memory Builders** Xulon Press
