 The best thing to say about Alice Munro is said so often, it doesn't mean much anymore. But here it is for the record: She is a master of her craft. In Dear Life, her 13th collection, Munro again breathes life--real, blemished, nuanced life--into her characters and settings (usually her hometown in Huron County, Ontario). Illumined by Munro's unflinching insight, these lives draw us in with their quiet depth and surprise us with unexpected turns. And while most are set in her signature territory around Lake Huron, some strike even closer to home: an astonishing suite of four autobiographical tales offers an unprecedented glimpse into Munro's own childhood.
