Baby Touch and Feel I Love You Macmillan  
Baby Touch: Feelings is a bright, interactive board book from Ladybird's best-selling Baby Touch series. With touch-and-feel areas on every double page and high-contrast colours, this book is perfect for sharing and helps to stimulate your baby's senses while introducing them to first feelings. Read along with your little

one and explore all kinds of emotions - and look out for a mirror surprise at the end!

*Bright Baby Bilingual Touch & Feel:  
Numbers* Macmillan

With touch and feel patches and tactile, sparkly areas to explore, this Bible-themed baby board book encourages early learning, and is just right for sharing with your little one. Inside, you meet engaging animals from the Bible, including a woolly lamb, a smooth, rubbery whale, and a soft dove. The friendly animals will help bring the Bible to life and act as an ideal introduction to the Bible and religion for

babies. The delightful animals are cute, full of character, and appealing, and every page of the book has texture or an eye-catching shiny area to expand your baby's senses. Filled with learning opportunities, this book has a simple design that's easy for very young children to follow. The clear images help baby's identification skills. The text is short and fun; great for reading aloud and encouraging little ones to talk, building their language. All the animals are also labeled, promoting picture-and-word association, which aids early reading. Part of DK's popular Baby Touch and Feel series, this exciting Bible animals book, with its super sparkly jacket, makes an ideal baby birthday, Easter, Christmas or christening gift.

Baby Touch and Feel Panda DK Children  
You just can't keep a good girl down . . . unless you use the proper methods. Piper McCloud can fly. Just like that. Easy as pie. Sure, she hasn't mastered reverse propulsion and her turns are kind of sloppy, but she's real good at loop-the-loops. Problem is, the good folk of Lowland County are afraid of Piper. And her ma's at her wit's end. So it seems only fitting that she leave her parents' farm to attend a

top-secret, maximum-security school for kids with exceptional abilities. School is great at first with a bunch of new friends whose skills range from super-strength to super-genius. (Plus all the homemade apple pie she can eat!) But Piper is special, even among the special. And there are consequences. Consequences too dire to talk about. Too crazy to consider. And too dangerous to ignore. At turns exhilarating and terrifying, Victoria Forester's debut novel has been praised by Stephenie Meyer, author of the Twilight saga, as "the oddest/sweetest mix of Little House on the Prairie and X-Men...Prepare to have your heart warmed." The Girl Who Could Fly is an unforgettable story of defiance and courage about an irrepressible heroine who can, who will, who must . . . fly. This title has Common Core connections. Praise for Victoria Forester and The Girl Who Could Fly: "It's the oddest/sweetest mix of Little House on the Prairie and X-Men. I was smiling the whole time (except for the part where I cried). I gave it to my mom, and I'm reading it to my kids—it's absolutely multigenerational. Prepare to have your heart warmed." Stephenie Meyer, author

of the Twilight saga "In this terrific debut novel, readers meet Piper McCloud, the late-in-life daughter of farmers...The story soars, just like Piper, with enough loop-de-loops to keep kids uncertain about what will come next....Best of all are the book's strong, lightly wrapped messages about friendship and authenticity and the difference between doing well and doing good."--Booklist, Starred Review

"Forester's disparate settings (down-home farm and futuristic ice-bunker institute) are unified by the rock-solid point of view and unpretentious diction... any child who has felt different will take strength from Piper's fight to be herself against the tide of family, church, and society."--The Horn Book Review The Girl Who Could Fly is a 2009 Bank Street - Best Children's Book of the Year.
