The Gospel According to Matthew

NavPress

This book is about the sea of Galilee, the fishing boat, and the men who used it. They are all intertwined in the life of Jesus of Nazareth as he ministered to the people

of Galilee, called some of his apostles from among their fisherman, and taught them his gospel.

The Athlit Ram Gefen Publishing House Ltd  
This remarkable true story recounts one of the great discoveries of the century: finding a 2000-year-old boat from the Sea of Galilee. Shelley Wachsmann, a respected nautical archaeologist, shares the joy and drama he felt in discovering and excavating the first ancient boat from

this biblical location. Through his perceptive eyes, we experience the adventure of a lifetime as he offers his personal account of first setting eyes on and then preserving this unique treasure. Wachsmann is a master storyteller, interweaving his own unforgettable story of this challenging excavation with the writings of the past. Jews and Christians alike will be captivated by his search for the boat's identity. Wachsmann - like a

detective - hunts down clues that will reveal the boat's actual history. Since the boat turns out to be a 2000 year old craft, he carefully examines the Gospels for passages that will shed light on this wondrous vessel. This ever-curious author also traces Jewish historical texts to discover that the Sea of Galilee, during the boat's vibrant past, was the setting for one of the most tragic massacres of Jews - the Battle of Migdal. During this sea battle, we learn, Roman soldiers mercilessly slaughtered Jews as they attempted to escape in boats like this one, turning the Sea of Galilee into a sea of crimson. The saga of tenderly extracting this extraordinary boat from the earth, protecting its timbers, and restoring it to health is a compelling tale on its own. Wachsmann impresses us with the dedication and creativity of his makeshift team in improvising answers to the seemingly impossible logistic problems that dog them every step of the way. Still, generosity abounds and actual rainbows appear as scores of volunteers pull together to save this singular monument of the past. Wachsmann punctuates the absorbing details of preserving this artifact

with the rich history that surrounds the Sea of Galilee, making this a uniquely enduring and personal work.

The Jews Under Roman and Byzantine Rule  
Legare Street Press

"This is a book about the amazing discovery of a wooden boat that did survive, despite the contrary logic and evidence. For almost 2,000 years in the freshwater of the Sea of Galilee, this boat lasted against all odds. The one thing that is most important in this whole story is the fact that this boat connects modern Christians with their Lord and Savior in a completely new way. This discovery repaints the sections of the gospels that take place around the Sea of Galilee in a light previously unseen. Despite paintings of Jesus walking on water and calming the storm, no one knew what the disciples' boat would have looked like. Now, for the first time, we do." [Prologue].

*Jesus: His Story in Stone* Independently Published

Amazing women of the Bible come to life through age-appropriate puzzles, activity pages, and 50 reusable stickers in these friendly and fun sticker and activity book featuring The Beginner's Bible classic art

and simply written content. Children will love learning about Deborah, Ruth and Naomi, Queen Esther and more as they delight in the stories, art, and activities in The Beginner's Bible Super Girls from the Bible Sticker and Activity Book.

God the Son Incarnate Canongate U.S. Walk from creation to eternity in a way guaranteed to change your view of the world. You'll finally understand the war Satan is waging against God and how that conflict has affected history, including the persecution of Jewish people and Christians.

*The Sacred Bridge* CreateSpace  
2017 Christianity Today Book Award winner ("Christian Living / Discipleship" category) Get ready for the wettest, stormiest, wildest trip through the Gospel you've ever taken! The gospels are dramatic, wild, and wet—set in a rich maritime culture on the shores of the Sea of Galilee. Jesus' first disciples were ragtag fishermen, and Jesus' messages and miracles teem with water, fish, fishermen, net-breaking catches, sea crossings, boat-sinking storms, and even a walk on water. Because this world is foreign and distant to us, we've missed much about the

disciples' experiences and about following Jesus—until now. Leslie Leyland Fields—a well-known writer, respected biblical exegete, and longtime Alaskan fisherwoman—crosses the waters of time and culture to take us out on the Sea of Galilee, through a rugged season of commercial fishing with her family in Alaska, and through the waters of the New Testament. You'll be swept up in a fresh experience of the gospels, traveling with the fishermen disciples from Jesus' baptism to the final miraculous catch of fish—and also experiencing Leslie's own efforts to follow Christ out on her own Alaskan sea. In a time when so many are “unfollowing” Jesus and leaving the Church, *Crossing the Waters* delivers a fresh encounter with Jesus and explores what it means to “come, follow me.”

*The Sea of Galilee Boat* Orbis Books

A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each

day, Alistair spans the Scriptures to show us the greatness and grace of God, and to thrill our hearts to live as His children. His clear, faithful exposition and thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you've read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover and ribbon marker make this a wonderful gift.

*The Beginner's Bible Super Girls of the Bible Sticker and Activity* FriesenPress

On the shores of Israel's Sea of Galilee lies the city of Tiberias, a place bursting with sexuality and longing for love. The air is saturated with smells of cooking and passion. Seven-year-old Shlomi, who develops a remarkable culinary talent, has fallen for Ella, the strange girl next door with suicidal tendencies; his little brother Hilik obsessively collects words in a notebook. In the wild, selfish but magical grown-up world that swirls around them, a mother with a poet's soul mourns the deaths of literary giants while her handsome, wayward husband cheats on her both at home and abroad. *Some Day* is

a gripping family saga, a sensual and emotional feast that plays out over decades. The characters find themselves caught in cycles of repetition, as if they were “rhymes in a poem, cursed with history.” They become victims of inspired recipes that bring joy and calamity to the cooks and diners. Mysterious curses cause people's hair to fall out, their necks to swell and the elimination of rational thought amid capitulation to unhealthy urges. This is an enchanting tale about tragic fates that disrupt families and break our hearts. Zarhin's hypnotic writing renders a painfully delicious vision of individual lives behind Israel's larger national story.

**Some Day** InterVarsity Press

Wachsmann punctuates the absorbing details of preserving this artifact with the rich history that surrounds the Sea of Galilee, making this a uniquely enduring and personal work. Wachsmann transports us enabling us to savor this voyage with him on one of the greatest archaeological expeditions of the twentieth century.

*Atheism on Trial* Eisenbrauns

Travel with Adam Hamilton as he retraces the life and ministry of Jesus Christ. Once

again, Hamilton approaches his subject matter with thoughtfulness and wisdom, just as he did with Jesus' crucifixion in *24 Hours That Changed the World* and with Jesus' birth in *The Journey*. Read *The Way* on your own or, for a more in-depth study, enjoy it with a small group or part of a 40-day church-wide emphasis during Lent and Easter or anytime of the year. Using historical information, archaeological data, and stories of the faith, Hamilton follows in the footsteps of Jesus from his baptism to the temptations to the heart of his ministry, including the people he loved, the parables he taught, the enemies he made, and the healing he brought. This 40-day focus will help you and your group grow deeper in their faith, learn more about the life of Christ, spend time daily reading and reflecting upon the Scriptures, and invite families, through the children's and youth studies, to grow together in their faith. Additional resources include a DVD, devotional, youth and children editions, and a worship download to help with sermon planning. Lent, Lenten, Lenten Resource, Lenten Resources, Lent Study, Lent Studies, Easter, Easter Study, Easter Studies

#### Get Out of the Boat Springer

We have all experienced a disconnect between God's promises to us and our everyday reality. We wait, without understanding why. We want to know God's plan so that we can trust it--but God so often hides his plan so that we will trust him. What can we do in the meantime as we are waiting for an answer, a change, or a miracle? With deep compassion, Wayne Stiles helps readers understand why God makes them wait. Unpacking the Old Testament story of Joseph, Stiles shows readers how to find comfort and opportunity in the time between God's promises and his answers, revealing the perspective-altering truth that sometimes when we think we are waiting on God, he is actually waiting on us. Anyone who has felt a disconnect between God's promises and their reality, who doesn't know what God wants them to do next, or who struggles with the brokenness of their world will find in Wayne Stiles a wise and trustworthy guide to finding peace in the pauses.

**Ancient Ships** New Vessel Press  
 Depictions of ships are not unsurprisingly reasonably common in the Roman mosaics

of the Mediterranean. Here Zaraza Friedman analyses some of the most important examples, asking what they can tell us about ancient ship construction, rigging, and sailing techniques, and compares the results with the evidence available from the archaeological record.

#### *Truth for Life* Zondervan

Based on a true story, *Jerusalem Diary: Searching for the Tomb and House of Jesus* is an adventurous journey of intrigue and discovery in the Holy Land. After finishing her PhD, Joanna joins two Australian men who claim to discover new sites that could be Jesus home in Nazareth and his tomb in Jerusalem. As they travel through Israel, Joanna challenges conventional ideas about the life of Jesus. Relying on Gnostic Gospels, Joanna deconstructs the dogmatic images of suffering Christ and creates an alternative picture of Yeshua (Jesus) as a young, rebellious, inspiring teacher. Recent Reviews: This engaging book has everything the passionate-thinking person desires: intensity, intrigue, controversy. Thoroughly enjoyable and thought-provoking. A book for all seekers. Mark Manolopoulos, adjunct research associate, Monash University Centre for

Studies in Religion and Theology, and author of *If Creation Is a Gift*. In *Jerusalem Diary*, Joanna affectionately traces the life of the human side of Jesus. She beautifully weaves her own spiritual quest for truth in this well-researched, deeply passionate journey, accounting for typical historical gaps in the life and teachings of the Great Soul. The outcome is a refreshing and unusual tale in which Joanna elegantly contrasts and reconciles the Christ on the Cross of the Church with Yeshua, the revered realised Master of the East. A must-read for every sincere seeker of the Self. Karthyeni Purushothaman, lecturer in business management, Monash University

*Ship Iconography in Mosaics* Baker Books

*Jesus: His Story in Stone* is a reflection on still-existing stone objects that Jesus would have known, seen, or even touched. Each of the seventy short chapters is accompanied by a photograph taken on location in Israel. Arranged chronologically, the one-page meditations compose a portrait of Christ as seen through the significant stones in His life, from the cave where He was born to the rock of Calvary. While packed with historical and archaeological detail, the

book's main thrust is devotional, leading the reader both spiritually and physically closer to Jesus.

Archaeological Reports Beginner's Bible

Nothing is more important than what a person believes about Jesus Christ. To understand Christ correctly is to understand the very heart of God, Scripture, and the gospel. To get to the core of this belief, this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical, biblical, and historical perspectives—concluding that Jesus Christ is God the Son incarnate, both fully divine and fully human. Readers will learn to better know, love, trust, and obey Christ—unashamed to proclaim him as the only Lord and Savior. Part of the Foundations of Evangelical Theology series.

CHILD'S STORY OF THE BIBLE Revell

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern

translation.

Jesuit Post Texas A&M University Press

One of the most enjoyable dreams of childhood is that of finding a treasure. Here is a true story of a dream comes true. One day on the year 1986, when the sea level was low, two Israeli brothers, living in a kibbutz on the shores of the Sea of Galilee, found an ancient boat. Little did they know that archaeologists will enthusiastically crown their discovery as one of the most important reminders from Jesus' lifetime! Excavating the boat from the mud without damaging it was a difficult process which lasted 12 days and nights. The ancient wood was extremely fragile when exposed to the atmosphere and the boat had to be rescued by wrapping it in a mantle of fiberglass and insulating foam, which helped with both keeping it together, and floating it to its new location in the museum adjacent to the place where it was found. Since then, it is one of the highlights in every Christian pilgrimage tour to the Holy land. The "Jesus Boat" story for kids ties beautifully together this stunning discovery and the biblical text from Mark 4:35-41, about Jesus calming with his miraculous power a

sea storm. "it was a boat much like this ancient one", it reveals, "that Jesus and his friends sailed out one night...".

Travel as a Political Act Abingdon Press

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

What on Earth Is God Doing? Friends of Israel Gospel Ministry

The ancient boat from the Sea of Galilee

exhibited at the Yigal Allon Museum at Kibbutz Ginosar speaks of pivotal times on the lake two millennia ago, when an itinerant rabbi walked its shores and sailed its waters with his followers, and changed the world forever. This volume aims to give the non-expert reader an in-depth understanding of the boat, the story of her discovery and excavation and, most importantly, her significance for illuminating Jesus ministry by helping us better understand its contemporaneous milieu of seafaring and fishing on the Sea of Galilee. "

**Simon Peter** Basic Books

Of all the writings held sacred by the world's religions, only the Bible presents a message linked to geography. This is not just the location of religious centers but the experience of a people in its land, a people that has insisted on its God-given right to self-identity throughout the ages and in defiance of all forces that sought to deny it. All Jews and Christians who

profess to find the source of their faith in these Scriptures look to the experiences of that people depicted in the Bible as examples and role models for their search after the Divine will and for their moral conduct among men. The religious experiences of that ancient people took place in relation to a geographical setting, generally a small postage stamp on the face of the globe, a patch of terrain in the southern part of the eastern Mediterranean littoral. The Bible is replete with geographical information, not as a guidebook for travelers or a textbook on geography, but often almost incidental to the message. Yet without the geography, that message is often obscured or vitiated for the uninformed reader. The present atlas seeks to introduce the reader to the geographical elements that can help to make real the social, historical and spiritual experience of the People of the Book. - Publisher.
