Girl on Fire HarperCollins
 Fire was my only companion. A burning light in a world otherwise filled with darkness. A life of pain and abuse I never thought I'd escape. I'm still not convinced I have. When friendly Santa-figure turned trucker, Al, finds me at a rest stop and offers me a job at his idyllic farm in small-town Nebraska, the picturesque family life is more than I could hope for. And his youngest son, Kyle, is a dream romance that I don't deserve. But no dream lasts. As a new nightmare begins, I'm back where I started. Captive. Abandoned. Alone. And staring into the flames. Except this time the embers are dying, and when the monster in the dark enslaves my soul, no one will stoke me back to life. If you

like a survivor story with a touch of romance, you will love this beautiful dark psychological thriller.

The Expulsion Project Book One

HarperCollins
 Once a century, one person is chosen for greatness. Elisa is the chosen one. But she is also the younger of two princesses. The one who has never done anything remarkable, and can't see how she ever will. Now, on her sixteenth birthday, she has become the secret wife of a handsome and worldly king—a king whose country is in turmoil. A king who needs her to be the chosen one, not a failure of a princess. And he's not the only one who seeks her. Savage enemies, seething with dark magic, are hunting her. A daring, determined revolutionary thinks she could be his people's savior, and he looks at her in a way that no man has ever looked at her before. Soon it is not just her life, but

her very heart that is at stake. Elisa could be everything to those who need her most. If the prophecy is fulfilled. If she finds the power deep within herself. If she doesn't die young. Most of the chosen do. **The Girl Who Breathed Fire** Little, Brown Books for Young Readers
 AN INSTANT #1 NEW YORK TIMES BESTSELLER The scorching new thriller from the #1 New York Times bestselling author of *The Girl on the Train*. "A Slow Fire Burning twists and turns like a great thriller should, but it's also deep, intelligent and intensely human." - Lee Child "Only a clairvoyant could anticipate the book's ending" - New York Times With the same propulsion that captivated millions of readers worldwide in *The Girl on the Train* and *Into the Water*, Paula Hawkins unfurls a gripping, twisting story of deceit, murder, and revenge. When a young man is found gruesomely murdered

in a London houseboat, it triggers questions about three women who knew him. Laura is the troubled one-night-stand last seen in the victim's home. Carla is his grief-stricken aunt, already mourning the recent death of yet another family member. And Miriam is the nosy neighbor clearly keeping secrets from the police. Three women with separate connections to the victim. Three women who are – for different reasons – simmering with resentment. Who are, whether they know it or not, burning to right the wrongs done to them. When it comes to revenge, even good people might be capable of terrible deeds. How far might any one of them go to find peace? How long can secrets smolder before they explode into flame? Look what you started.

Wait Till Helen Comes Simon and Schuster
ORIGIN. DESTINY. FATE. How far would you go to unravel the truth? Trattora is the adopted daughter of the Chieftain on a primitive frontier planet. Velkan is an indentured serf who has never known a day of freedom. Forced to flee a terrifying invasion by Galactic Pirates, they find themselves thrown together on a ramshackle mining vessel that harbors more than one dark secret. Fate and chemistry combine when the pair's matching birth bracelets lead them to a shocking discovery about their true lineage. Stakes rise when they uncover the classified Expulsion Project, and the devastating sacrifice their birth families made to spare their lives. Determined to save them from liquidation, Trattora and Velkan plunge headlong into a frantic race against time and space to take down the genocidal self-actualizing software that now controls large swathes of their home planet. But will they navigate the treacherous dealings of the seedy Galactic underworld in time to rescue the families who loved them enough to let them go? *Girl of Fire* is the first novel in The Expulsion Project, a sci-fi, dystopian thriller trilogy with a whisper of romance, a heavy dose of adventure, and action galore. If you are a *Firefly* or *Dark Matter* fan, or in *Divergent* withdrawal, this is the book mashup for you!

The Girl of Fire and Thorns Harper Collins
JENNIFER LAWRENCE is the reigning queen of lots of things: Hollywood, the awkward award-ceremony-stumble, and hundreds of priceless BuzzFeed pages – to name a few. She announced herself to the world at a young age in *The Burning Plain* and *Winter's Bone*, gripping dramas set in America's deprived heartland. Ironic, then, that such a gifted character actress has become a household name through two of the biggest fantasy roles in the business:

the deadly shapeshifting assassin *Mystique* from Marvel's *X-Men* series and the gutsy, warlike heroine of Suzanne Collin's bestselling *Hunger Games* trilogy, *Katniss Everdeen – the Girl on Fire*. As *Katniss* and *Mystique*, she owns the screen, oozing grace, attitude and menace, re-defining the roles of women in action films as more than ragdolls to be saved by muscle-bound men; this girl doesn't need saving by anyone. But Jennifer couldn't be more different off-screen. Always ready with a smile or a quip about embarrassing everyday struggles, she is loved by millions for being a genuinely relatable personality in an industry of preening posers. And make no mistake: she has had every reason to lose her sunny disposition. She struggled early on in her career with a hurtful 'fat actress' label in spite of her healthy body type, and suffered public heartbreak with the likes of Coldplay's Chris Martin. In 2014, she was to suffer the ultimate indignity of having private photos leaked onto the internet for all to see. A lesser girl might have become spiteful, but Jennifer has always emerged with her head held high. This is the first biography of an Academy Award winner, a star of our screens for years to come and a role model for girls and young women everywhere. In every sense, this really is the story of a *Girl on Fire*.
