This wonderful
survey of the
impact and
outworking of

God's grace in the life of the believer will revitalize the most threadbare faith. *A Novel* WestBow Press You know you know it... But then again, maybe you don't. Even if you go to church, it doesn't mean that you are being exposed (or exposing others) to the gospel explicitly. Sure, most people talk about Jesus, and about being good and avoiding bad, but the gospel

message simply isn't there—at least not in its specificity and its fullness. Inspired by the needs of both the over-churched and the unchurched, and bolstered by the common neglect of the explicit gospel within Christianity, popular pastor Matt Chandler writes this best-selling treatise to remind us what is of first and utmost importance—the gospel. **A Gospel Saturated Perspective**

on How to Change Crossway The Song of Solomon offers timeless insights on romance, dating, marriage, and sex. Using this ancient text, Matt Chandler navigates these issues for both singles and marrieds. **God on Sex** David C Cook The Reformers viewed the gospel as not merely one thing among many in the life of a church but rather the means by which the church exists.

When the gospel is rightly declared and applied to God's people, the church becomes "a creature of the Word." She understands, embraces, and lives out the reality of Christ's birth, life, death, and resurrection in more than her doctrinal statement. The gospel impacts all the church is and does. Creature of the Word lays out this concept in full, first examining the rich, scripture-

based beauty of a Jesus-centered church, then clearly providing practical steps toward forming a Jesus-centered church. Authors Matt Chandler, Eric Geiger, and Josh Patterson write what will become a center- ing discussion piece for those whose goal is to be part of a church that has its theology, culture, and practice completely saturated in the gospel. **Gospel**

Wakefulness (Foreword by Ray Ortlund)

Thomas Nelson Dr. Conway Edwards, the singles pastor at Oak Cliff Bible Church in Texas, along with his wife, Jada, writes from the heart to Christian singles about the best way to prepare for marriage. Discussing courtship and dating from a biblical perspective, they also share their personal story- including the mistakes they

made along the way. The result is a thought-provoking, encouraging manual on making the most of your single years, and getting yourself ready for marriage. This hard-hitting manual is both warm and honest as the Edwards share their stories of singless and marriage, as well as unearth many gems found in God's Word regarding relationships and the importance of personal spiritual

maturity. Treasures include: Definition of a R.E.A.L. man Six behaviors of a godly man How women S.E.R.V.E. as a helpmate Eight behaviors of a godly woman Seven biblical truths regarding relationships and marriage Using F.A.I.T.H. to identify lasting qualities in a mate Seven-point character inspection Frequently Asked Questions regarding Christian

dating and relationships
**Christian
Courage in
the Age of
Unbelief**
Crossway
"The spine of scripture traces the surprising biblical narrative of kingdom, from Genesis 1 to Revelation 22. It starts by showing that John 3:16 is actually about God transforming Adam's ruined kingdom into his own eternal one. It then goes back to Genesis to explain the origin of this kingdom,

demonstrating that the image of God in Adam is actually representative rulership and sonship. From there, it traces the history of this kingdom through the Fall in Eden to the disinheritance at Babel—all the way to the occupation by Satan's forces by the time of Jesus. This then sets up a comparison between the way that the New Testament preaches the gospel, and the way modern evangelicals

do. The conclusion is that the gospel of the New Testament is fundamentally the message of the triumph of Jesus as king of the cosmos—and the call to submit to, and receive the benefits of, his rulership. The final part of the book unpacks some critical implications of this. It argues that the Great Commission is a directive to conquer the lands ruled by Satan, in the name of the now-reigning King, Jesus.

This directive consciously mimics the dominion mandate given to Adam, and should be seen as God's end-game in retaking the whole earth as his kingdom—a plan that will succeed through "the power of God for salvation" by the time Jesus returns"-

Baker Books
The most important disciple a parent will make is within their own

home, and yet this is the most difficult disciple to make. Family Discipleship by Matt Chandler and Adam Griffin helps readers develop a sustainable rhythm of gospel-centered discipleship through a guided framework focusing on moments of discipleship in 3 key areas: time (intentional time gathering your family around gospel activities or conversations) , moments (leveraging

opportunities throughout the day), and milestones (celebrating significant life events). Each section provides parents with Scriptures to consider, questions to answer, structures to implement, and ideas to try out as they seek to see Christ formed in their children. Here is a book that begins with the end in mind, offering ideas and examples of what gospel-centered family discipleship

looks like, helping parents design their own discipleship plan as they seek to raise children in the love and fear of the Lord.

Love That Lasts

Multnomah Using Paul's radical letter to the Philippians as his road map, Matt Chandler forsakes the trendy to invite readers into authentic Christian maturity. The short book of Philippians is one of the most quoted in the Bible, yet Paul wrote

it not for the popular sound bites, but to paint a picture of a mature Christian faith. While many give their lives to Jesus, few then go on to live a life of truly vibrant faith. In this disruptively inspiring book, Chandler offers tangible ways to develop a faith of pursuing, chasing, knowing, and loving Jesus. Because if we clean up our lives but don't get Jesus, we've lost! So let the goal be Him. To live is Christ, to die

is gain—this is the message of the letter. Therefore, our lives should be lived to Him, through Him, for Him, with Him, about Him—everything should be about Jesus. Intimacy Ignited Good Book Company You can't. God can. Life never lacks for improvement—in ourselves, in our relationships, in just about everything. But all our brave stabs at getting better, if they ever change anything, are

incomplete at best, complete failures at worst. Sometimes much worse. Unless . . . The gospel of Jesus Christ is the great “unless” of life—both for those who already believe (but can't believe the messes they're still capable of making), as well as those who don't yet believe but just know their way isn't working. Recovering Redemption, written with a pastor's bold intensity and

a counselor's discerning insight, takes you deeply into Scripture to take you deeply inside yourself, discovering that the heart of all our problems is truly the problem of our hearts. But because of what God has done, and because of what God can do, the most confident, contented person you know could actually be you—redeemed through Jesus Christ. None of us, really, can do what's

required to change our lives for the better, taking what's persistently frustrating and making it perfectly satisfying. Yet as hopeless as that may sound, it is the flat-line truth in which good news comes to life . . . to your life. For just as what's lost can be found, what's wrong can—even now—be recovered.

A Book on Biblical Sex
Kregel Publications
Award-winning writer and popular pastor

Jared Wilson helps readers to see the pertinence and profundity of the gospel as he examines the astonishing things God has done in and through Christ.

Joy in the Sorrow: How a Thriving Church (and Its Pastor) Learned to Suffer Well
Crossway
Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths

and has been called a "soul-stirring celebration of the pleasures of knowing God."

Christians to stop making Jesus so

"convenient"

Navigating

Life and Love

in the Modern Age Crossway

This is the moving story of Matt

Chandler's battle with a potentially fatal brain

tumor. But it's also the

stories of those in his

church family who taught him, and teach him, how to walk with joy in sorrow.

Readers will find encouragement and strength to get through tough times, or to support others to do so.

The Truth

About Sex

Crossway

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word.

These 12-week studies

lead participants through books of the Bible and are made up of four basic

components: (1) reflection questions that help readers engage the text at a deeper level; (2) "Gospel Glimpses" that highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" that show how any given passage connects to the Bible's overarching story of redemption, culminating in

Christ; and (4) “Theological Soundings” that identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on every page of the Bible. Over the course of 12 weeks, this study

connects Paul's letters to the Thessalonians to the lives of Christians today. These epistles encourage readers by reminding them of the salvation God will bring to all those whom he has called—strengthening them to pursue lives of holiness and love as they anticipate Jesus's return. Family Discipleship B&H Publishing Group A Guide to Navigate Evangelical

Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say. In this edition of

the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and

women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

A Beautiful Design Teen Bible Study Book

David C Cook
A study designed to help students understand the biblical view of God's design for men and women. Through nine sessions students will examine gender

through the lens of Scripture. For the vast majority of human history, there have been two culturally and socially recognized genders: women and men. Today, many leading social institutions recognize well over fifty variations of gender. There are now biological women who identify as men and biological men who identify as women. There are people who refuse to

conform to any one gender and people who are currently one gender but transitioning to another. There was a time when the concept of what made someone a man or a woman was quite simple. In less than a century, culturally speaking, that has completely changed. If there was ever a time when Christians needed to think carefully and biblically about the

question of gender, that time is now. Despite our culture's many faceted ideas and designs about gender, there is only one design that truly matters and takes precedent, God's. At the heart of the Christian faith is the belief that God created all things and that He is good. This tell us that God has a design for us, including our gender. In this study, we will seek to uncover and submit to, in

Scripture, God's design for men and women. [The Mingling of Souls Study Guide](#) Thomas Nelson "A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times Cat's Cradle is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of this planet's ultimate fate, it features a midget as the protagonist, a complete, original theology

created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, Cat's Cradle is one of the twentieth century's most important works—and Vonnegut at his very best. “[Vonnegut is] an unimitative and inimitable social satirist.”—Harper's Magazine “Our finest black-

humorist . . . We laugh in self-defense.”—Atlantic Monthly *God's Unchanging Plan for Manhood and Womanhood* David C. Cook In Love That Lasts, New York Times bestselling author of *Jesus > Religion* Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's “prodigal son”

personal history and from Alyssa's “True Love Waits” experience, the Bethkes point to a third and better way. Blending personal storytelling with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex. Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling

marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation becoming one of the most relationally sick, sexually addicted, and divorce ridden in history.

Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back the lies, such as the belief that every person has only one soul mate, that marriage will complete you, or that pornography and hook-ups are harmless.

My Journey to Live God's Way in a Christian Dating Relationship,

and in Marriage
B&H Publishing Group
The unique premise of this book is God's revelation for bonding couples through marital sex with pleasure and full satisfaction for both spouses. Isn't there more to sex? Christian couples may breeze through the Song of Solomon and be impressed with the poetry, beauty and passion, yet never discover the

hidden keys in the revelatory word of God. Many married couples will be amazed as the Song of Solomon unlocks secrets designed by God to bring the husband and wife into a fulfilling sexual union. The creator and designer of sex gives us His instructions. The authors address the worldwide problem of the unfulfilled wife and the husband's premature ejaculation. God's design eliminates

such problems. This book exposes Freud's sex fraud which has perpetrated erroneous and destructive thinking on societies for years. Life brings stress, but God grieves when marital sex brings added stress to a marriage. Conversely, God designed sex to be a refreshing oasis from the drudgery and stress of life in every married couple as they fulfill the will of God for their lives. His word

describes how to achieve this satisfaction without exercises, drugs or gadgets. God designed it to be a pleasure this world cannot naturally duplicate. [Reveling in the Excellencies of Jesus](#) Crossway Bestselling author Gary Thomas transforms the way you look at romantic relationships. His unique perspective on dating will prepare you for a satisfying, spiritually

enriching marriage. In the revised edition of his hit book *The Sacred Search*, Gary Thomas helps single people of all ages make wise marital choices by rethinking what basis those choices should be made on. You will be encouraged to think beyond finding your

“soul mate” and instead adopt a more biblical search for a “sole mate”—someone who will walk with you on your spiritual journey. Thomas asks, What if we focused on why we should get married more than on who to marry? What if being “in love” isn’t a good

enough reason to get married? And most of all, what if God designed marriage to make us holy more than to make us happy? *The Sacred Search* casts a vision for building a relationship around shared spiritual mission—and making marriage with eternity at its heart.
