 Hairmanigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

PIECES TO PEACE is a poetic account of Laila's journey of self-discovery in Toronto as a 26-year-old Afghan-Muslim woman living on her own for the first time. It is her story of pursuing her dreams while coping with personal issues of grief, trauma, poverty, cultural identity and belonging. Laila is a woman in becoming as she rebuilds herself through poetry from pieces to peace.

Food Choices to Stop Drinking and Double Your Chances of Staying Sober Createspace Independent Publishing Platform

We all want to present a certain image and the image varies depending on the situation and the group of people. What can we

show them about ourselves without revealing too much? What will impress them? What can I make them believe about me? Let's be honest. It is why we wear spanx, push up bra's and uncomfortable [but pretty] shoes. We want the world around us to see what we want them to see. So we cram our mommy muffin tops into our shape wear feeling fit for a time until we peel ourselves back out of them. We put on our arm candy and baubles so when we pass our business card it adds that extra pop to our image. None of these things are bad, don't get us wrong, we just want to make the point. We hide behind tough expressions and shiny exteriors none of which shows the real us. We want to be known - to be known as or to be known for - providing the image for the world to see but never showing the naked us. The vulnerable spirit inside that is stripped down bare and beautiful just as it is.

Happy days met the naked chef GIG PowHer Press
 Root Beer Floats is a true story about growing up in small-town America during the 1950's. It captures the essence of the author's relationship to the beloved town of his youth during one of America's most exciting decades. From the day his father comes home after WWII, to the day he leaves the town in search of his future, he shares with us a colorful collection of his childhood memories. Brought up in a family that counted every penny, life was simple and sweet. We learn that at a young age, his love of root beer floats not only satisfies his overactive sweet tooth, but also leads him into a battle with temptation, a battle he loses all too easily. A few years later, he finds two warm beers on a hot summer night every bit as tempting. From the fine art of car-hopping on a snowy winter's day, to having his eye nearly "put out" in a walnut fight, his story portrays a childhood filled with delight and optimism, a dose of which should brighten the hearts of all who partake.

Story of a Boy, a Time, a Town CreateSpace
 Every sexual mindset, habit, or experience pursued by false beliefs is a "counterfeit climax" in the making, and they could be sabotaging the level of intimacy you are experiencing with your spouse right now. Deep-rooted insecurity from harsh teachings you may have learned about sex or unseen habits like pornography are leading factors to sexual dissatisfaction and false sexual expectations. It's one thing to discover these hurts, but it's an entirely different undertaking to talk about it with your spouse in a healthy way. With Dave and Ashley's trusted advice and compassion, including their own transparent stories, The Counterfeit Climax is written for anyone who is single and working through painful experiences, engaged and learning about their significant other, or married and desiring to restore or deepen intimacy with their spouse. Each chapter will help guide you through talking about your sexual burdens so that you can find freedom and pleasure within your marriage. It's time to confront all the lies the world has fed us about sex, romance, and relationships and pursue God's design for the most fulfilling marriage and sex life.

The Happy Fools Happy Days with the Naked Chef

"Most self-help books are trite. They don't tell you anything you don't already know, and if you could follow their advice, you wouldn't need to read the book in the first place. This book, however, is radically different. It assumes that you are a normal happy person and want to experience the misery that so many others complain about. It gives some great advice on how to bring yourself to hell on earth, -- and bring all of your family, friends, and co-workers right along with you! Best of all, you can do all this while rolling on the floor with laughter. Give this book to anyone whose cheerful mood annoys you when you are down in the dumps. I totally recommend this book for anyone even slightly Unhappy or those who love them !!" "I totally recommend this book for anyone even slightly Unhappy or those who love them !! It's fabulous. We had a great time, saw ourselves and others in the pages and since, unfortunately, this whole family is part of the 20% of happy people in a miserable world, the laughs were frequent and heartfelt." "I've read through bunches of self-help books. Of all of them, I think "Born to Win" and this book are the only two that will persist on my shelves." "The book is a delightful take hon the American way. Written with insight and humor, the author takes you into misery as a way of life and offers clever ways of maintaining your miserable status. I read it in one evening and thoroughly enjoyed the wacky humor and uncanny knowledge of how we make ourselves sick with unnecessary worry and self doubt. Read it with a sense of humor and you can't help but love it the way I did." "This is a great book to have on your living room coffee table or bedside, so that you can pick it up often, open to any page, and laugh at how ludicrous we can be on a regular basis. I have taught social dance classes for over 20 years, and my goal is to provide an arena in which people have the freedom to laugh at themselves while learning about something new. Gil's book provides me and others with that freedom. I highly recommend it!" "This is a good book when one feels down and needs an uplift. It allows one to realize not to take life so seriously. Very enjoyable reading."

Scratchboard etching is a unique art form particularly suited to animals. With detailed instructions found in this first book of a series, the secrets to creating these lovely pieces are revealed by a professional artist that has created and taught this art for years. With your success in mind, each step is detailed with words and photos in an informal approach to learning.

[Student Portfolio](#) Good Press

Welcome to my kitchen. I share everything that's in it, and the basic recipes I make to keep me happy, healthy and satisfied. This is a great book for new vegans, and new cooks in general. 50 pages, beautiful color photos, 38 recipes. May you too find more peace, joy and freedom through a vegan diet.

[A Novel](#) CreateSpace

A heartwarming story of a cute little puppy that due to a family hardship is taken to a local dog shelter. There he learns about his little pink nose that not only makes him different, but creates obstacles in his mind. When he is adopted by very loving parents,

it changes his whole world. He shares many wonderful first experiences with his new parents and family until one day when one of his doggie friends tells Maxx a story that turns his world into one of worry and desperation. Maxx learns that what he thought was an obstacle turns into one of the happiest days in his life.

[Pursue Your Purpose Not Your Dreams](#) Createspace Independent Publishing Platform

Questioning some commonly accepted metaphysical beliefs and explaining how they are programs-beliefs of control designed to keep a person within this earthly matrix. How to escape these programs and this system by changing your beliefs.
