ROBERTSON SIERRA

All the Feels Cambridge University Press
“A truly addictive read” (Glamour) about how a young woman’s crush on a privileged former classmate becomes a story of love, lies, and dark obsession, offering stark insights into the immigrant experience, as it hurtles to its electrifying

ending in this “twisty, unputdownable, psychological thriller” (People). Ivy Lin is a thief and a liar—but you’d never know it by looking at her. Raised outside of Boston, Ivy’s immigrant grandmother relies on Ivy’s mild appearance for cover as she teaches her granddaughter how to pilfer items from yard sales and second-hand shops. Thieving allows Ivy to accumulate the trappings of a suburban

teen—and, most importantly, to attract the attention of Gideon Speyer, the golden boy of a wealthy political family. But when Ivy’s mother discovers her trespasses, punishment is swift and Ivy is sent to China, and her dream instantly evaporates. Years later, Ivy has grown into a poised yet restless young woman, haunted by her conflicting feelings about her upbringing and her family. Back in Boston,

when Ivy bumps into Sylvia Speyer, Gideon's sister, a reconnection with Gideon seems not only inevitable—it feels like fate. Slowly, Ivy sinks her claws into Gideon and the entire Speyer clan by attending fancy dinners, and weekend getaways to the cape. But just as Ivy is about to have everything she's ever wanted, a ghost from her past resurfaces, threatening the nearly perfect life she's worked so hard to build. Filled with surprising twists and a nuanced exploration of

class and race, *White Ivy* is a “highly entertaining,” (The Washington Post) “propulsive debut” (San Francisco Chronicle) that offers a glimpse into the dark side of a woman who yearns for success at any cost.

When August Ends RD

Bentley

This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the

dawning of the “age of Tumblr activism.” Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics

came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

The Idea of You Nancy Meyers

In order to stop a lethal plot and avoid war, Damen and Prince Laurent travel to the battlefield, but as the truth of their pasts comes to light, their trust in each other is tested and their lives are put at risk.

SuBLime

She was to be the filling in a Wizard Sandwich. For a millennia, the Covenani

Sorceresses of planet Sentmar have been separated from the Cauldaran Wizards, their natural mates. Deceit and blood have forced a reunion; destiny and passion have forced a bond. Brianna, youngest of the Princesses of Covenani, will be a consort to two handsome, virile Wizards. Will the union be forged in desire and love, or will she deny the union, as well as the two men who are bound to her, hearts and souls? *Let's Talk About Love*
Entangled: Brazen

Following Spoiler Alert, Olivia Dade returns with another utterly charming romantic comedy about a devil-may-care actor—who actually cares more than anyone knows—and the no-nonsense woman hired to keep him in line. "An absolutely witty, swoon worthy behind the scenes romp! Delightful from beginning to end!"--Julie Murphy, #1 New York Times bestselling author of Dumplin' Alexander Woodroe has it all. Charm. Sex appeal. Wealth. Fame. A starring role as

Cupid on TV's biggest show, Gods of the Gates. But the showrunners have wrecked his character, he's dogged by old demons, and his post-show future remains uncertain. When all that reckless emotion explodes into a bar fight, the tabloids and public agree: his star is falling. Enter Lauren Clegg, the former ER therapist hired to keep him in line. Compared to her previous work, watching over handsome but impulsive Alex shouldn't be especially difficult. But the more

time they spend together, the harder it gets to keep her professional remove and her heart intact, especially when she discovers the reasons behind his recklessness...not to mention his Cupid fanfiction habit. When another scandal lands Alex in major hot water and costs Lauren her job, she'll have to choose between protecting him and offering him what he really wants—her. But he's determined to keep his improbably short, impossibly stubborn, and

extremely endearing minder in his life any way he can. And on a road trip up the California coast together, he intends to show her exactly what a falling star will do to catch the woman he loves: anything at all.

Dick Fight Island, Vol.

1 Jennifer Sucevic
When she meets Trae, a drug dealer who makes her wild with desire, Roz takes a detour on her way to becoming a physical therapist by entering into his world, but soon learns the consequences of her actions. By the author of

Payback Is a Mutha. Original.

Spying with Lana

Routledge

Funnier. Ruder. Angrier. Izzy O'Neill is back in the hilarious sequel to The Exact Opposite of Okay. It's been two months since a leaked explicit photo got Izzy involved in a political sex scandal - and the aftershock is far from over. The Bitches Bite Back movement is gathering momentum as a forum for teenage feminists, and when a girl at another school has a sex tape shared online,

once again Izzy leads the charge against the slut-shamers. This time she wants to change the state law on revenge porn. Izzy and her best friend Ajita are as hilarious as ever, using comedy to fight back against whatever the world throws at them, but Izzy is still reeling from her slut-shaming ordeal, feeling angry beyond belief and wondering - can they really make a change? For readers of The Hate U Give by Angie Thomas, Doing It by Hannah Witton, Love Simon and Leah on the

Offbeat by Becky Albertalli, and Goodnight Stories for Rebel Girls by Elena Favilli and Francesca Cavallo. Ignite Me John Hunt Publishing
 If your school's homecoming king had a little too much in common with Henry VIII, would you survive with your head still attached? You'd think being the new girl in a tiny town would equal one very boring senior year. But if you're me—Annie Marck, alias Cleves—and you accidentally transform into teenage

royalty by entering Lancaster High on the arm of the king himself? Life becomes the exact opposite of boring. Henry has it all: he's the jock, the genius and the brooding bad boy all in one. Which sort of explains why he's on his sixth girlfriend in two years. What it doesn't explain is why two of them—two of us—are dead. My best friend thinks it's Henry's fault, which is obviously ridiculous. My nemesis says we shouldn't talk about it, which is straight-

up sketchy. But as the resident nosy new girl, I'm determined to find out what really happened to Lancaster's dead queens...ideally before history repeats itself. *The Straight Girl's Guide to Sleeping with Chicks* Delacorte Press
 Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything,*

Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing

all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. Everything, Everything will make you laugh, cry, and feel everything in between. It's an innovative, inspiring, and

heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions. [platform and cultures](#)
Swoon Reads
Advice on achieving a fulfilling old age from one of the bestselling authors of *Plato* and *a Platypus Walk into a Bar* . . . After

being advised by his dentist to get tooth implants, Daniel Klein decides to stick with his dentures and instead use the money to make a trip to the Greek island Hydra and discover the secrets of aging happily. Drawing on the inspiring lives of his Greek friends and philosophers ranging from Epicurus to Sartre, Klein uncovers the simple pleasures that are available late in life, as well as the refined pleasures that only a mature mind can fully appreciate. A travel book,

a witty and accessible meditation, and an optimistic guide to living well, *Travels with Epicurus* is a delightful jaunt to the terrain of old age that only a free spirit like Klein could lead.

Prince's Gambit Scribner
She's lived her life and it has been a good one. Marriage. College. A family. Slowly, though, life moved forward and left her at a standstill. Until the lawn boy barges into her world. Bossy. Big. Sexy as hell. A virile young male to remind her

she's all woman. Too bad she's twice his age. Too bad he doesn't care. She's older and wiser and more mature. Which means absolutely nothing when he's invading her space. ***All characters are of legal age.***

A Novel Dafina Books
In season four of Darren Star's hit TV Land series *Younger*, the editors at Empirical Press are shocked and deeply moved when they read *Marriage Vacation*, an autobiographical novel by the publisher's estranged wife, Pauline Turner

Brooks. Knowing the book will cause a sensation, they decide they must publish it. Now you can read what the hype is about—including page 58 that had everyone buzzing (...and blushing). *Marriage Vacation* is for anyone who has ever fantasized about what it would be like to run away from it all. By all appearances, Kate Carmichael has the perfect life: two adorable daughters, a prewar townhouse on the Upper East Side, and a husband who runs one of the most

successful publishing companies in New York. But when Kate attends a wedding and reconnects with successful friends from graduate school, she suddenly sees her life in a different light: the career she didn't pursue, the dreams she's locked away, the empty veneer of her privilege. When the wedding weekend ends, instead of heading home to her husband and family, Kate gets on a plane and flies halfway around the world. She claims it's just going to be for a week—two

max—just so she can clear her head and reconnect with her lost dreams. But the adventure doesn't go quite as planned. This provocative and gripping novel asks: Is a wife and mother allowed to have a midlife crisis? And, if she does, can she ever be forgiven? PRAISE FOR *Marriage Vacation* “*Marriage Vacation* has everything you want in a novel: fascinating characters, drama, secrets, emotional reckonings, and far-flung adventure. If you love

Younger, you'll love this book. If you've never watched an episode of Younger (you should change that), you'll still love this book. And just wait until you read page 58!" —Darren Star, creator of Sex and The City and Younger "This brilliant romp helps us understand why Liza was so excited to discover the manuscript, how any woman could leave the dreamy Charles, and what exactly Pauline—by way of her fictional alter ego, Kate Carmichael—did on that mysterious Marriage

Vacation. Pack this heartfelt, insightful, funny, sexy book when you take a vacation of your own." —Pamela Redmond Satran, author of Younger
Superior Women
Bloomsbury Publishing USA

The heart-stopping third installment in the New York Times bestselling Shatter Me series, which Ransom Riggs, author of Miss Peregrine's Home for Peculiar Children and Hollow City, called "a thrilling, high-stakes saga of self-discovery and

forbidden love." With Omega Point destroyed, Juliette doesn't know if the rebels, her friends, or even Adam are alive. But that won't keep her from trying to take down The Reestablishment once and for all. Now she must rely on Warner, the handsome commander of Sector 45. The one person she never thought she could trust. The same person who saved her life. He promises to help Juliette master her powers and save their dying world . . . but that's not all he wants with her. The Shatter Me

series is perfect for fans who crave action-packed young adult novels with tantalizing romance like *Divergent* by Veronica Roth, *The Hunger Games* by Suzanne Collins, and *Legend* by Marie Lu. Tahereh Mafi has created a captivating and original story that combines the best of dystopian and paranormal and was praised by *Publishers Weekly* as "a gripping read from an author who's not afraid to take risks." Don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

Photography Reframed

DC Comics

24 years after the fall of the Berlin Wall, Europe is as divided as ever. The passengers of the low-budget airlines go east for stag parties, and they go West for work; but the East stays East, and West stays West. Caricatures abound - the Polish plumber in the tabloids, the New Cold War in the broadsheets and the endless search for 'the new Berlin' for hipsters. Against the stereotypes, Agata Pyzik peers behind the curtain to take a look

at the secret histories of Eastern Europe (and its tortured relations with the 'West'). Neoliberalism and mass migration, post-punk and the Bowiephile obsession with the Eastern Bloc, Orientalism and 'self-colonization', the emancipatory potentials of Socialist Realism, the possibility of a non-Western idea of modernity and futurism, and the place of Eastern Europe in any current revival of 'the idea of communism' - all are much more complex and surprising than they

appear. Poor But Sexy refuses both a dewy-eyed Ostalgia for the 'good old days' and the equally desperate desire to become a 'normal part of Europe', reclaiming instead the idea an Other Europe.

A Journey to a Greek Island in Search of a Fulfilled Life

Harlequin From New York Times best-selling author Lexi Ryan, Cruel Prince meets A Court of Thorns and Roses in this sexy, action-packed fantasy about a girl who is caught between two treacherous

faerie courts and their dangerously seductive princes. Brie hates the Fae and refuses to have anything to do with them, even if that means starving on the street. But when her sister is sold to the sadistic king of the Unseelie court to pay a debt, she'll do whatever it takes to get her back--including making a deal with the king himself to steal three magical relics from the Seelie court. Gaining unfettered access to the Seelie court is easier said than done. Brie's only choice is to

pose as a potential bride for Prince Ronan, and she soon finds herself falling for him. Unwilling to let her heart distract her, she accepts help from a band of Unseelie misfits with their own secret agenda. As Brie spends time with their mysterious leader, Finn, she struggles to resist his seductive charm. Caught between two dangerous courts, Brie must decide who to trust with her loyalty. And with her heart.

Critical Perspectives on Gender and Age Images from the Past

The hero of One Fat
Englishman, a literary
publisher and lapsed
Catholic escaped from the
pages of Graham Greene
to the campus of
Budweiser College in
provincial Pennsylvania, is
philandering, drunken,
bigoted, and very very fat,
not to mention in a state
of continuous spluttering
rage against everything,
not least his own
overgrown self. In
America, Roger
Micheldene must deal
with not so obliging
suburban housewives,

aspiring Jewish novelists
who as good as clean his
clock, stray deer, bad
cigars, children who beat
him at Scrabble (“It was
no wonder that people
were horrible when they
started life as children”),
and America itself, while
making ever-more
desperate and humiliating
overtures to Helen, a
Scandinavian ice queen. If
only Roger would dare to
show some real feeling of
his own. This comic
masterpiece—about the
1950s crashing drunkenly
into the consumerist
1960s and a final scion of

a disintegrating Old World
empire encountering its
upstart New World
offspring—is one of
Kingsley Amis’s greatest
and most caustic
performances.
Changing His Game
Electric Monkey
This is an edition of one of
the crucial texts of
Renaissance skepticism,
Quod nihil scitur, by the
Portuguese scholar
Franciso Sanches. The
treatise, first published in
1581, is a refutation of
Aaristotelian dialectics
and scientific theory in
the search for a true

scientific method. This volume provides a critical edition of the original text, an English translation (the first ever published), a substantial introduction, and comprehensive annotation.

Every Thug Needs a Lady
University of Michigan Press

Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist with an unforgettable voice sure to resonate with readers. Alice had

her whole summer planned. Nonstop all-you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulting—working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed she's asexual). Alice is done with dating—no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about

him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated—or understood. Claire Kann's debut novel *Let's Talk About Love*, chosen by readers like you for Macmillan's young adult

imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be something more. Praise for Let's Talk About Love

from the Swoon Reads community: "A sweet and beautiful journey about self-discovery and identity!" —Macy Filia, reader on SwoonReads.com "There aren't many novels that

have asexual characters and it's something people need more of." —Alice, reader on SwoonReads.com "I want this on my shelf where I can admire it every day." —Kiara, reader on SwoonReads.com
