AYERS HARRINGTON

Tinderbox Harper Collins

In the small Puritan community of Stoneybrooke, Massachusetts, Susannah wants only a simple life but soon finds herself pursued by the town's wealthiest bachelor and by a roguish military captain sent to protect them. One is not what he seems and one is more than he seems. As the depth, passion, and sacrifice of love is revealed to Susannah, she begins to question the rules and regulations of her childhood faith. In a community where grace is unknown, what price will she pay for embracing love?

The unforgettable Margaret of Ashbury returns in the second book of the trilogy that began with *A Vision of Light*. Margaret, a resourceful midwife, is living with the insufferable relatives of her third husband, Gilbert de Vilers, known as Gregory. She is carving out a life for herself and her daughters despite the hostility and greed of her in-laws. But when Gregory is captured in France and held for ransom, Margaret knows she must take action—her in-laws are too tight with money to be of any use—so she teams up with her old friends Mother Hilde, the herbalist, and Brother Malachi, an alchemist on a quest for the secret of changing base metals into gold. Together, the trio plan to rescue Gregory and bring him back to London, where he and Margaret can start a new life away from his meddling family. And thus begins a wild romp across fourteenth-century Europe. Murderous noblemen, scheming ladies, truculent ghosts, and a steady stream of challenges plague the journey. Margaret will need not only her special gift of healing, her quick mind, and her independent spirit but the loyalty of her friends and the love of her new husband to carry them all safely home.

"Janet Evanovich, author of the blockbuster Stephanie Plum novels, and Lee Goldberg, writer for the Monk television show, team up once again in their rollicking, New York Times bestselling Fox and O'Hare series! Nicolas Fox, international con man, thief, and one of the top ten fugitives on the FBI's most-wanted list, has been kidnapped from a beachfront retreat in Hawaii. What the kidnapper doesn't know is that Nick Fox has been secretly working for the FBI. It isn't long before Nick's covert partner, Special Agent Kate O'Hare, is in hot pursuit of the crook who stole her con man. The trail leads to Belgium, France, and Italy, and pits Nick and Kate against their deadliest adversary yet: Dragan Kovic, an ex-Serbian military officer. He's plotting a crime that will net him billions. and cost thousands of American lives. Nick and Kate have to mount the most daring, risky, and audacious con they've ever attempted to save a major U.S. city from a catastrophe of epic proportions. Luckily they have the help of an eccentric out-of-work actor, a bandit who does his best work in the sewers, and Kate's dad, Jake. The pressure's on for Nick and Kate to make this work—even if they have to lay their lives on the line. The fifth in the bestselling Fox and O'Hare suspense series that "[mixes] humor from Evanovich and Goldberg's books with the intricate cons seen in the best episodes of *Mission: Impossible*"--

The basis for the upcoming major motion picture *The Program* directed by Stephen Frears (*High Fidelity*, *The Queen*, *Philomena*), starring Chris O'Dowd as journalist David Walsh and Ben Foster as Lance Armstrong. When Lance Armstrong won his first Tour de France in 1999, the sports world had found a charismatic new idol. Journalist David Walsh was among a small group covering the tour who suspected Armstrong's win wasn't the feel-good story it seemed to be. From that first moment of doubt, the next thirteen years of Walsh's life would be focused on seeking the answers to a series of hard questions about Armstrong's astonishing success. As Walsh delved ever deeper into the shadow world of performance-enhancing drugs in professional athletics, he accumulated a mounting pile of evidence that led a furious Armstrong to take legal action against him. But he could not make Walsh—or the story—go away, and in the autumn of 2012, Walsh was vindicated when the cyclist was stripped of his seven Tour de France titles. With this remarkable book, Walsh has produced both the definitive account of the Armstrong scandal, and a testament to the importance of journalists who are willing to report a difficult truth over a popular fantasy.

Helene, the Countess Godwin, knows there is nothing more unbearably tedious than a virtuous woman. After all, she's been one for ten long years while her scoundrel of a husband lives with strumpets and causes scandal after scandal. So she decides it's time for a change -- she styles her hair in the newest, daring mode, puts on a shockingly transparent gown, and goes to a ball like Cinderella, hoping to find a prince charming to sweep her off her feet...and into his bed. But instead of a prince, she finds only her own volatile, infuriatingly handsome...husband, Rees, the Earl Godwin. They'd eloped to Gretna Green in a fiery passion, but passion can sometimes burn too hot to last. But now, Rees makes her a brazen offer, and Helene decides to become his wife again...but not in name only. No, this time she decides to be very, very wicked indeed.

Who was the turn-of-the-century hipster? Who is free enough of the hipster taint to write this history without contempt or nostalgia? Why are we tempted to declare the neo-hipster moment over, when the hipster's "global brand" has just reached its apotheosis? A panel of n+1 writers, including Mark Greif, Christian Lorentzen, and Jace Clayton (aka dj/rupture) invited the public to join an investigation into the rise and fall of the contemporary hipster. Their debate took place at the New School University in New York City, and was followed by articles, responses, and essays, all printed here for the first time. "The hipster is that person, overlapping with declassing or disaffiliating groupings—the starving artist, the starving graduate student, the neo-bohemian, the vegan or bicyclist or skatepunk, the would-be blue-collar or post-racial individual—who in fact aligns himself both with rebel subculture and with the dominant class, and opens up a poisonous conduit between the two." "Isn't hipsterism, like, the best thing that's happened at the end of the Bush years?" "The truth was that there was no culture worth speaking of, and the people called hipsters just happened to be young, and more often than not, funny looking."

The story of an ancient sea turtle and what its survival says about our future, from the award-winning writer and naturalist Though nature is indifferent to the struggles of her creatures, the human effect on them is often premeditated. The distressing decline of sea turtles in Pacific waters and their surprising recovery in the Atlantic illuminate what can go both wrong and right from our interventions, and teach us the lessons that can be applied to restore health to the world's oceans and its creatures. As *Voyage of the Turtle*, Carl Safina's compelling natural history adventure makes clear, the fate of the astonishing leatherback turtle, whose ancestry can be traced back 125 million years, is in our hands. Writing with verve and color, Safina describes how he and his colleagues track giant pelagic turtles across the world's oceans and onto remote beaches of every continent. As scientists apply lessons learned in the Atlantic and Caribbean to other endangered seas, Safina follows leatherback migrations, including a thrilling journey from Monterey, California, to nesting grounds on the most remote beaches of Papua, New Guinea. The only surviving species of its genus, family, and suborder, the leatherback is an evolutionary marvel: a "reptile" that behaves like a warm-blooded dinosaur, an ocean animal able to withstand colder water than most fishes and dive deeper than any whale. In his peerless prose, Safina captures the delicate interaction between these gentle giants and the humans who are finally playing a significant role in their survival. "Magnificent . . . A joyful, hopeful book. Safina gives us ample reasons to be enthralled by this astonishing ancient animal—and ample reasons to care." -- The Los Angeles Times
