**Forty Lost Years** Egalite

Although her origins lie in the village of  
Nocedo del Valle, in the region of Galicia,  
Blanca De La Rosa was born in  
Dominican Republic in the bosom of a  
humble family. Fate wanted her to be  
the living proof that we all can achieve  
our goals. From a childhood in the  
projects of New York, she ended up an  
executive at the American corporation  
ExxonMobil. It was when assessing her  
life that she decided to dig into her  
ancestors' history and trace it back to  
her origins. Pursuing a Better Tomorrow  
is more than a novel gathering the  
history of three generations throughout

over a hundred years, it's a wonderful journey from Spain to the United States of America showing the reader our recent history, the ideologies of each time, the harshness of immigration, the struggle for survival, the courage of its main characters and the tricks of destiny, but most of all the strength required to reach a better tomorrow. This great novel will inspire you and give you wings to fight for your goals. Are you ready to get them?

In the tradition of Edward Eager and E.L. Konigsburg, a novel about the excitement—and the dangers—of wishing. Tess and her brother, Max, are sent for the summer to their aunt's sleepy village in the English countryside, where excitement is as rare as a good

wifi signal. So when Tess stumbles upon an old brass key that unlocks an ornately carved gate, attached to a strangely invisible wall, she jumps at the chance for adventure. And the world beyond the gate doesn't disappoint. She finds rose gardens, a maze made of hedges, and a boy named William who is just as lonely as she is. But at William's castle, strange things begin to happen. Carnival games are paid for in wishes, dreams seem to come alive, and then there's William's eerie warning: Beware of the hawthorn trees. A warning that chills Tess to the bone. In a magical, fantasy world that blurs the line between reality and imagination, readers are left to wonder exactly what they'd wish for if wishes could come true. Perfect for fans of *Half Magic* and *The Secret Garden*—and for

anyone who's ever wondered if magic is real. For the further adventures of Tess and Max, be sure to check out Amy Ephron's *Carnival Magic! Praise for The Castle in the Mist*: "Bursting with imagination and warmth, Amy Ephron's first novel for young people is a magical book in all ways."—Holly Goldberg Sloan, New York Times bestselling author of *Counting by 7s* "This beautiful story's quiet, peaceful tone nicely evokes both the serenity of country life and the haunting magic of the castle, and the emotional heft of Tess and Max's separation from their parents, as well as their strong bond, keeps the tale firmly grounded in reality. Perfect for middle-graders who love classic fantasy."—Booklist "Rich description of the castle along with an elaborate map

at the book's beginning and an illustration at the end enhance the fantasy world....A sequel is suggested; beguiled readers will hope it happens."—Kirkus Reviews "There are scenes...that are transcendent in their beautiful, ethereal descriptions [in this] uplifting novel about family and connection."—BCCB "A slightly darker, updated take on magical realism classics such as Edward Eager's *Half Magic* and E. Nesbit's *The Enchanted Castle*."—School Library Journal "A near-perfect 9....This book defies gravity because it's hard to put down!"—Time for Kids, kid reporter "Ephron renders this magical world with such assertive beauty that readers of all ages, who are fortunate enough to believe in the power of magic, will enjoy immersing

themselves in the roller-coaster fun of these stories, and come to trust, even if for a short time, that in this 'alternate universe' it is possible for us to come together and 'touch the sky.'"—Jewish Journal

**Genesis Girl** Back Bay Books

America's Peacemakers: The Community Relations Service and Civil Rights tells the behind-the-scenes story of a small federal agency that made a big difference in civil rights conflicts over the last half century. In this second edition of *Resolving Racial Conflict: The Community Relations Service and Civil Rights, 1964-1989*, Grande Lum continues Bertram Levine's excellent scholarship, expanding the narrative to consider the history of the Community Relations Service (CRS) of the U.S.

Department of Justice over the course of the last three decades. That the Trump administration has sought to eliminate CRS gives this book increased urgency and relevance. Covered in this expanded edition are the post-9/11 efforts of the CRS to prevent violence and hate crimes against those perceived as Middle Eastern. Also discussed are the cross-border Elián González custody dispute and the notable tragedies of Trayvon Martin and Michael Brown, both of which brought police interaction with communities of color back into the spotlight. The 2009 Matthew Shepard and James Byrd, Jr., Hate Crimes Prevention Act substantially altered CRS's jurisdiction, which began to focus on gender, gender identity, religion, sexual orientation, and disability in

addition to race, color, and national origin. Lum's documentation of this expanded jurisdiction provides insight into the progression of civil rights. The ongoing story of the Community Relations Service is a crucial component of the national narrative on civil rights and conflict resolution. This new edition will be highly informative to all readers and useful to professionals and academics in the civil rights, dispute resolution, domestic and international peacemaking, and law enforcement-community relations fields.

*How Muslims, Jews, and Christians Created a Culture of Tolerance in Medieval Spain* Clarion Books

A Washington Post Bestseller

"Fascinating...A lively read...we are indebted to Ms. Menocal for opening up

an important period of history." (Wall Street Journal) This enthralling history, widely hailed as a revelation of a "lost" golden age, brings to vivid life the rich and thriving culture of medieval Spain, where for more than seven centuries Muslims, Jews, and Christians lived together in an atmosphere of tolerance, and where literature, science, and the arts flourished.

*Do the Blind Dream?* Cinco Puntos Press

"Hayes's flowing plot, enlivened by several wry twists, is decidedly satisfying. Fiedler's spare, earth-toned paintings convey the particulars of the setting from traditional garb to the sprawling landscapes as well as the timelessness of folklore."—Publishers Weekly Don Ignacio is a wealthy landowner whose prized possession is an

apple tree that produces the most delicious fruit around. He trusts only one man to care for this tree—his ranch foreman Juan Verdades. Don Ignacio is also a proud man and he lets his pride carry him into a dangerous bet! He bets a neighboring rancher his ranch that Juan Verdades cannot tell a lie. His opponent is determined to win the bet, using guile and the help of his beautiful daughter to trick Juan Verdades into stealing all of the fruit from the prized apple tree. Will Juan Verdades be able to tell the truth about what he has done? The ranch depends on it. Originally published in 2001, this paperback edition of Joe Hayes' classic story features the bilingual style common to his most popular books. Joe's bilingual Spanish-English tellings and books have

earned him a distinctive place among America's storytellers. He lives in Santa Fe and travels extensively throughout the United States telling his stories. Joseph Daniel Fiedler was born and raised in the Appalachian hill country of western Pennsylvania. He attended the Ivy School of Professional Art and Carnegie Mellon University. He is the recipient of a silver medal from the Society of Illustrators for book illustration.

Paper Fish Feiwel & Friends

A “colorful family saga” set against the dramatic historical backdrop of twentieth-century Puerto Rico, from an author nominated for the National Book Award (Kirkus Reviews). Elvira Vernet

narrates *Eccentric Neighborhoods* as she attempts to solve the mystery of who her parents truly are. Her mother, the beautiful and aristocratic Clarissa Rivas de Santillana, was born into a rarefied world of privilege, one of five daughters on the family’s sugar plantation. Elvira’s father, Aurelio Vernet, and his three brothers and two sisters were raised by Santiago, a Cuban immigrant who ruled his family with an iron hand. As Puerto Rico struggles for independence—and Aurelio takes his place among the powerful political gentry—a legacy of violence, infidelity, faith, and sacrifice is born. Set against the backdrop of a country coming of age, *Eccentric Neighborhoods* is a lush, transcendent novel, a family saga about mothers and daughters, husbands and wives, parents

and children. In this magnificent follow-up to *The House on the Lagoon*, Rosario Ferré delivers a work of historical fiction influenced by magical realism and infused with forgiveness and love.
