### **GAMBLE BRODY**

*Almost Alcoholic* Archipelago

Come along as wry homeschooler Susie Lloyd faces the trials of family Rosary, and tangles with snide education experts, gruff confessors, and pushy relatives who tell her it's time to wake up and join the "real world." Lots of humor here!

Plants Don't Drink Coffee Sophia Institute Press

Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always

judgment free, *Sober Curious* is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, *Sober Curious* is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, *Sober Curious* is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

First Love Or First Bite? Although Sophie Hahn works as a paranormal researcher, she doesn't believe in ghosts, werewolves, or anything to do with the supernatural world. But when it appears that her best friend Dao is slowly being killed by a female vampire, her beliefs are put to the test. Dao's new wife is the prime suspect, though she doesn't look capable of hurting a fly, let alone sucking the life out of someone. On the other hand, watching Dao wither away to nothing isn't an option. So if Sophie has to go vampire hunting, she'll do it. . . They are the Others--the vampires, mages, and werewolves once thought to exist only in our imaginations. Now they're stepping out of the shadows, and nothing in our world will ever be the same again. . . In *A Town Like This*, Being

A P.I. Can Be Murder Shiarra Waynest's detective work was dangerous enough when her client base was strictly mortal. But ailing finances have forced her to accept a lucrative case that could save her firm--if it doesn't kill her first. Shiarra has signed on to work for a high-level mage to recover an ancient artifact owned by one of New York's most powerful vampires. NEVER TEMPT FATE It's been a hell of a day for Abby Barlow. In just a few hours, she's survived an explosion, watched her employer die, had a startling dream, and now she finds herself in a seedy Chicago hotel with the sexy, unearthly Dante, a man she both desires and fears. For 341 years, Dante has stood as guardian to The Chalice, a mortal woman chosen to hold back the darkness. A terrible twist of fate has now made Abby that woman. Three hours ago, Dante would have used all his charms to seduce her. Now she is his to protect. And he will do so until his very death. Drama. Scandal. Secrets. And a whole lot of supernatural goings-on. I'm Pureblood Were, And Proud Of It. . . "Where Darkness Lives" by Alexandra Ivy No one's more surprised than Sophia when she's struck by an unfamiliar maternal urge to move near her daughters. But instead of being greeted by a welcome committee, she's targeted by kidnappers. . .and saddled with a gorgeous bodyguard on a mission to protect--and seduce. . . I'm A Tomboy At Heart, But I Want A Man Who Makes Me Feel

Like A Real Woman. . . "Murder on Mysteria Lane" by Angie Fox  
*You Can't Drink All Day If You Don't Start in the Morning* HarperCollins

From the author of the bestselling classics *We're Just Like You*, *Only Prettier*, and *Bless Your Heart*, Tramp, comes a collection of essays so funny, you'll shoot co'cola out of your nose. Topics include such gems as: • Why Miss North Carolina is too nice to hate • How Gwyneth Paltrow wants to improve your pathetic life • Strapped for cash? Try cat whispering • Sex every night for a year? How do you wrap that? • Get yer Wassail on: It's carolin' time • Airlines serving up one hot mess • Action figure Jesus • Why Clay Aiken ain't marrying your glandular daughter • And much more! Complete with a treasure trove of Celia's genuine southern recipes, *You Can't Drink All Day if You Don't Start in the Morning* is sure to appeal to anyone who lives south of something.

**But I Don't Drink Coffee...** Barnes & Noble Publishing

Author Dan F. has lived a pretty interesting life, a big part of it spent as a recovering alcoholic. He has made fortunes and, unfortunately lost a lot more than he made. He never seemed to have much trouble making money. Holding on to it was another matter... Dan has been homeless and he has lived in beautiful houses. He has slept in alleyways and he has been the guest of foreign dignitaries and prime ministers. As a recovering alcoholic, the author has been through the extremes of life, both good and bad. He quotes Judy Collins, "I've looked at life from both sides now." In *Don't Drink And Go To Meetings*, the author takes you along as he recalls the person he used to be, reconnecting with a painful part of his past. A lot of that life was spent in blackouts as excessive drinking binges left him no memory of what had occurred when he was out cold. Along the way, he learns some valuable lessons about life, and he hopes to pass them on to others who are attempting their own journey to recovery. Filled with amusing anecdotes and the author's witty storytelling, this book is both entertaining and insightful.

*Real Men Don't Drink Appletinis* Xlibris Corporation

NEW YORK TIMES BESTSELLER • The founder of the first female-focused recovery program offers a groundbreaking look at alcohol and a radical new path to sobriety. "You don't know how much you need this book, or maybe you do. Either way, it will save your life."—Melissa Hartwig Urban, Whole30 co-founder and CEO We live in a world obsessed with drinking. We drink at baby showers and work events, brunch and book club, graduations and funerals. Yet no one ever questions alcohol's ubiquity—in fact, the only thing ever questioned is why someone doesn't drink. It is a qualifier for belonging and if you don't imbibe, you are considered an anomaly. As a society, we are obsessed with health and wellness, yet we uphold alcohol as some kind of magic elixir, though it is anything but. When Holly Whitaker decided to seek help after one too many benders, she embarked on a journey that led not only to her own sobriety, but revealed the insidious role alcohol plays in our society and in the lives of women in particular. What's more, she could not ignore the ways that alcohol companies were targeting women, just as the tobacco industry had successfully done generations before. Fueled by her own emerging feminism, she also realized that the predominant systems of recovery are archaic, patriarchal, and ineffective for the unique needs of women and other historically oppressed people—who don't need to lose their egos and surrender to a male concept of God, as the tenets of Alcoholics Anonymous state, but who need to cultivate a deeper understanding of their own identities and take control of their lives. When Holly found an alternate way out of her own addiction, she felt a calling to create a sober community with resources for anyone questioning their relationship with drinking, so that they might find their way as well. Her resultant feminine-centric recovery program focuses on getting at the root causes that lead people to overindulge and provides the tools necessary to break the cycle of addiction, showing us what is possible when we remove alcohol and destroy our belief system around it. Written in a relatable voice that is honest and witty, *Quit Like a Woman* is at once a groundbreaking look at drinking culture and a road map to cutting out alcohol in order to live our best lives without the crutch of intoxication. You will never look at drinking the same way again.

*A Children's Book for Adults* Dial Press

\*\*\*GIVING UP DRINK HAS REVOLUTIONISED MY LIFE!\*\*\* If you want to STOP DRINKING and CHANGE YOUR LIFE FOREVER, Then this book is for YOU! After 40 years of being a drinker, I had type 2 diabetes, high blood pressure, regular bouts of crippling gout, a frighteningly short-term outlook on life, and I finally began to realise just what a mess my life had become. Then, in December 2012 I put together my methodology and I quit alcohol forever. Without resorting to drugs, rehab or any outside help, I have never touched a drop since. I have never been so wonderfully healthy or happy, I have revolutionised life for me and those around me, and I know I will never drink again. My book tells you how I did it, and how you can do the same. My

methodology works, it's easy, it's positive, it's unique and most especially, it's great FUN! It includes:\* Discussion: Was I/Are you an alcoholic? Why did I give up drinking? And much more...\* My proven methodology: Follow the easy and enjoyable route I took to immediate success.\* A day to day guide: Daily help for the initial stages followed by help with what to tell other people and how to cope at key events including your first meal out, a wedding, a major drinking event, and more... \* Hilarious drinking stories and tales of woe to help instil in you a 'been there - done that' frame of mind. \*\*\* MY BOOK ALSO INCLUDES A FREE DOWNLOADABLE SELF-HYPNOSIS SESSION \*\*\* From the foreword by hypnotherapist expert Dan Jones: It is not often a book comes along that offers the reader exactly what they are looking for, this book does just that. This book gets to the point; it gives a clear and easy to follow 'no nonsense' approach. It is full of real life examples from an author that has 'been there and done that'. ONE OF TODAY'S FINEST MYSTERY WRITERS." —Carolyn Hart A VIRGIN ISLAND LOSES ITS

INNOCENCE There is no love lost between novelist/sometime sleuth E.J. Pugh and her three sisters: four high-strung Texas redheads who have made sibling rivalry an art form. In an attempt to ease their stretched-thin family ties, the ladies and their respective mates have rented a vacation home together on the Caribbean island of St. John. But reconciliation must take a back seat to crime detection when a waterlogged corpse is discovered clogging up the cistern of their stunning beachfront house. The body belongs to a former employee of the dentist husband of sister Liz, which leads the local police captain to surmise that the killer is a member of the clan—especially after an exploding pleasure boat and other untimely "accidents" rapidly raise the body count up from one. E.J., however, is not convinced. And, to the chagrin of her loving, long-suffering hubby, Willis, she's determined to salvage what's left of their vacation by exposing whomever is rapidly turning a family gathering into a wake in paradise. "E.J. is a Central Texas housewife and author who simply cannot keep her nose out of other people's business. If she's your friend, you couldn't ask for better. If she's on your case, you might just as well give up...The E.J. Pugh mysteries are among my favorites." —Austin American-Statesman

*Don't Drink and Fly* Scott McLaughlin

"Why develop a booklet about helping kids avoid alcohol?" Alcohol is a drug, as surely as cocaine and marijuana are. It's also illegal to drink under the age of 21. And it's dangerous. Kids who drink are more likely to: \* Be victims of violent crime. \* Have serious problems in school. \* Be involved in drinking-related traffic crashes. This guide is geared to parents and guardians of young people ages 10 to 14. These suggestions are just that--suggestions. Trust your instincts. Choose ideas you are comfortable with, and use your own style in carrying out the approaches ou find useful. Your child looks to you for guidance and support in making life decisions--including the decision not to use alcohol .Audience: Parents, child counselors, educators, child psychologists, physicians, school guidance counselors, and teenagers may be interested in this resource. **The Story of Bernice O'Hanlon Part One** Little Hondo Press

I'm Sam Quinn, the werewolf book nerd owner of the Slaughtered Lamb Bookstore and Bar. Things have been busy lately. While the near-constant attempts on my life have ceased, I now have a vampire gentleman caller. I've been living with Clive and the rest of his vampires for a few weeks while the Slaughtered Lamb is being rebuilt. It's going about as well as you'd expect. My mother was a wicche and long dormant abilities are starting to make themselves known. If I'd had a choice, necromancy wouldn't have been my top pick, but it's coming in handy. A ghost warns me someone is coming to kill Clive. When I rush back to the nocturne, I find vamps from New Orleans readying an attack. One of the benefits of vampires looking down on werewolves is no one expects much of me. They don't expect it right up until I take their heads. Now, Clive and I are setting out for New Orleans to take the fight back to the source. Vampires are masters of the long game. Revenge plots are often decades, if not centuries, in the making. We came expecting one enemy, but quickly learn we have darker forces scheming against us. Good thing I'm the secret weapon they never see coming.

**Don't Drink And Go To Meetings** Lotus Press

Lying Minds: An Insiders Guide to Alcoholism Alcoholics are not damaged, faulty or broken, and we aren't bad or weak people, we are deceived: deceived by our own minds. Most people that drink heavily in their youth will mature out of it and those that drink to relieve some distress will moderate their drinking if that distress is removed, but we do not. Our minds do not spontaneously curb excessive drinking, they do the opposite: they encourage it. Alcohol changes the way that we think, lowers our mood, and distorts our memory. Our minds compel us to drink more and we become progressively more anxious, depressed, fearful, alone and hopeless... all of which are relieved by drinking. Drinking seems to us that it brings relief from our problems whereas in fact it amplifies them, so we drink more. This is how our minds trap us into a self-reinforcing pursuit of alcohol, and that does not happen to most other people. We are not broken or faulty but we are different. All people are different in some way. Some are tall, some are short, but we also all have unseen differences within us. Some are bolder than others, some more timid, some artistic and some more analytical. But we have differences that make us susceptible to addiction, and once that susceptibility is engaged then it forms into an ever strengthening force that propels us towards our own destruction. This book explains how our minds become deceived by alcohol and how it changes our motivation, emotions, memory and thinking. If you want to understand the "why's" of alcoholism; why we have to have that first drink, why we can't stop at one, why we drink more often than we intend, why we keep drinking even though bad things happen, and why we can't drink like normal people, then this book will tell you. It explains why we can never safely drink again, and the deeper truth... that we never could in the first place.

*Why Mexicans Don't Drink Molson* Balboa Press

Diner owner Maxie Thermopolis and his business associate, Tom Puglisi, get in a beaucoup of trouble when they are framed as bootleggers in the spring of 1927. The bootleggers who did it are the local sheriff and a fake preacher. Maxie has to convince a bunch of bumbling government agents that he is on their side. In proving their innocence, Tom and his friends involve Maxie in a world where he is a fish out of water.

**Rescuing Canadian Business From the Suds of Global Obscurity** Pegasus Elliot Mackenzie Pu

Determine if your drinking is a problem, develop strategies for curbing your intake, and measure your progress with this practical, engaging guide to taking care of yourself. Every day, millions of people drink a beer or two while watching a game, shake a cocktail at a party with friends, or enjoy a glass of wine with a good meal. For more than 30 percent of these drinkers, alcohol has begun to have a negative impact on their everyday lives. Yet, only a small number are true alcoholics--people who have completely lost control over their drinking and who need alcohol to function. The great majority are what Dr. Doyle and Dr. Nowinski call "Almost Alcoholics," a growing number of people whose excessive drinking contributes to a variety of problems in their lives.In Almost Alcoholic, Dr. Doyle and Dr. Nowinski give the facts and guidance needed to address this often unrecognized and devastating condition. They provide the tools to identify and assess your patterns of alcohol use;evaluate its impact on your relationships, work, and personal well-being;develop strategies and goals for changing the amount and frequency of alcohol use;measure the results of applying these strategies; andmake informed decisions about your next steps.

*Freedom from Our Addictions* Arcturus Publishing

In 2003, Andrew and Dan embarked on an Inter-rail holiday around Western Europe. With an uncanny ability to encounter the surreal, they found themselves hitch-hiking for sixty km in the French Alps, being groped by grown men in fancy dress in Rome, sleeping rough in the outskirts of Milan and are attacked by a wandering herd of goats in Austria.

**The Dead Don't Drink at Lafitte's** Simon and Schuster

Four stories narrated from four different perspectives crisscross throughout this poignant and playful novel. Young Tomas - who wants above all else to be intelligent - embarks upon a dizzying search for a rare blue dragonfly, of which he believes there are only nine or ten in the world (and therefore probably only two or three in his town). Drawing us into the channels of his mercurial

mind, skipping through misadventures and stumbling upon a host of small wonders, we are introduced to three generations of his motley family tree and accompany them on their odd quests. From the moonlit creation of a rugby field on a golf course, to the unearthing of the escapades of his anarchist grandfather, a celebrated carpenter, the medley of tales flips on their heads standard assumptions about age, wisdom, sensibility, and truth, inviting us to open our eyes to the bounty of tiny marvels that make up our world.

*Don't Drink The Water* D & M Publishers

Includes information you need to make intelligent decisions about the safety and treatment of your water.

**My Journey to Recovery** Xlibris Corporation

Bernice is a witch with many skeletons in her closet. She has an addictive personality, works as a holistic therapist, and struggles to maintain any intimate relationships. Her spells are not always as accurate as they could be, often the result of her having a few too many goblets of red wine. When mysterious letters start appearing at her door, she begins to think about her childhood and, with the help of her long-suffering friend Maggie, tries to come to terms with her past and the family she left behind. But nothing in Bernice's life is ever simple...

**Sober Curious** I Don't Drink!How to Quit Alcohol - a Drinker's Tale

When Kayla confesses her crush on Nick, jealous Alice puts a love potion in the punch at her party, but when Kayla realizes that it is not love potion, she must find an antidote before everyone suffers from Alice's mistakes.
