Business and Economics in Asia  
This set examines a vast range of topics  
covering all experiences of business and  
economics from across Asia. Dealing  
with early banking systems in China; the  
industrialisation of Korea and Taiwan;  
the evolution of Japanese business  
practices; economic development;  
protectionist policies; industrial  
investment; trade; tourism; and a host of  
other topics, the books collected here  
form a vital reference resource across a  
wide subject area.

The Montreal Protocol on Substances  
that Deplete the Ozone Layer was  
designed so that the phase out  
schedules could be revised on the basis  
of periodic scientific and technological  
assessments. Since the 2002  
Assessment of the Technology and  
Economic Assessment Panel, a large

number of technical developments have  
taken place. The present publication  
reports on and responds to various  
requests of the Parties. Publishing  
Agency: United Nations Environment  
Programme.
