One of the Must-Read Books of 2019 According to O: The Oprah Magazine * Time * Bustle * Electric Literature * Publishers Weekly * The Millions * The Week * Good Housekeeping "There is more life packed on each page of Ordinary Girls than some lives hold in a lifetime." —Julia Alvarez In this searing memoir, Jaquira Díaz writes fiercely and eloquently of her challenging girlhood and triumphant coming of age. While growing up in housing projects in Puerto Rico and Miami Beach, Díaz found herself caught between extremes. As her family split apart and her mother battled schizophrenia, she was supported by the love of her friends. As she longed for a family and home, her life was upended by violence. As she celebrated her Puerto Rican culture, she couldn't find support for her burgeoning sexual identity. From her own struggles with depression and sexual assault to Puerto Rico's history of colonialism, every page of Ordinary Girls vibrates with music and lyricism. Díaz writes with raw and refreshing honesty, triumphantly mapping a way out of despair toward love and hope to become her version of the girl she always wanted to be. Reminiscent of Tara Westover's Educated, Kiese Laymon's Heavy, Mary Karr's The Liars' Club, and Terese Marie Mailhot's Heart Berries, Jaquira Díaz's memoir provides a vivid portrait of a life lived in (and beyond) the borders of Puerto Rico and its complicated history—and reads as electrically as a novel. *The House on Mango Street* Clearfield Group What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? "This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book."—Caroline Myss, author of Anatomy of the Spirit Before a vision of a mysterious "Lady" invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary's prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their

discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world.

In this channelled sequel to the international bestseller Anna, Grandmother of Jesus, we journey with Anna, the Holy Family and 18 other Magdalene-Essenes as they travel to France and Britain after Jesus's crucifixion and resurrection. This book gives a completely new perspective on the gnostic Mount Carmel Essene mystery school, in which Jesus and Mary Magdalene took initiations, as well as on the Holy Family and the Magdalene Order. Through Claire Heartsong, Anna tells not only the story of Jesus, but also the story of the women who surrounded him throughout his life. The book reveals the deeper mysteries they have safeguarded for aeons of time, including aspects of Jesus's personal life not recorded in history – his relationships and, most radically, his offspring. In this one-of-a-kind story, Claire shares the information she received from Anna on the 'Seeding of Light' – the dispersion of Anna, Mother Mary and Jesus's enlightened descendants whose 'bloodline' acts as a living catalyst for the awakening of the Christ-Magdalene potential today. Not only does this book give a new view of the Christ drama 2,000 years ago but, more importantly, it offers the potential to lift the suppressed Divine Feminine voice in our time.

The Book of Longings Weiser Books

–WALL STREET JOURNAL BESTSELLER– The Gospel of Mary Magdalene reveals a very different love story from the one we've come to refer to as Christianity. Harvard-trained theologian Meggan Watterson leads us verse by verse through Mary's gospel to illuminate the powerful teachings it contains. A gospel, as ancient and authentic as any of the gospels that the Christian bible contains, was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed. Fortunately, some rebel monks were wise enough to refuse—and thanks to their disobedience and spiritual bravery, we have several manuscripts of the only gospel that was written in the name of a woman: The Gospel of Mary Magdalene. Mary's gospel reveals a radical love that sits at the heart of the Christian story. Her gospel says that we are not sinful; we are not to feel ashamed or unworthy for being human. In fact, our purpose is to be fully human, to be a "true human being"—that is, a person who has remembered that, yes, we are a messy, limited ego, and we are also a limitless soul. And all we need to do is to turn inward (again and again); to meditate, like Mary Magdalene, in the way her gospel directs us, so that we can see past the ego of our own little lives to what's more real, and lasting, and infinite, and already here, within. With searing clarity, Watterson explains how

and why Mary Magdalene came to be portrayed as the penitent prostitute and relates a more historically and theologically accurate depiction of who Mary was within the early Christ movement. And she shares how this discovery of Mary's gospel has allowed her to practice, and to experience, a love that never ends, a love that transforms everything.

From the Depths of Our Hearts Faber & Faber

"Awaken to the fact that your thought and feeling in the past have built—created—the inharmony of your world today. Arise! I say, Arise! and walk with the Father—the "I AM"—that you may be free from these limitations. Life, in all its activities everywhere manifest, is God in Action; and it is only through lack of the understanding of applied thought and feeling that mankind is constantly interrupting the pure flow of that Perfect Essence of Life which would, without interference, naturally express its Perfection everywhere."

Born a Crime American Mathematical Soc.

On Easter Sunday 2007 the Los Angeles Times reported that two billion people worldwide - nearly a third of the planet's population - were united by one powerful common denominator: The Lord's Prayer. The Lord's Prayer is now, as it was when Jesus taught it to his disciples, the incorruptible formula for personal and global transformation. Kathleen McGowan tells how she came to discover the prayer's transformative power by learning the secret of the Rose with Six Petals—a mosaic window in the Cathedral of Notre Dame. Each petal represents a different teaching found within The Lord's Prayer and is the map to discovering the real secret of how to have the life you truly desire. The book is divided into seven chapters, each representing a primary teaching related to lines in the prayer: faith, surrender, service, abundance, forgiveness, obstacles, and love. Within each chapter are a series of questions designed to make you dig deep into your heart and soul. Relating her story and using the rose formula, McGowan offers readers a unique blueprint to transform their own lives through the power of The Lord's Prayer.

When I Was Puerto Rican One World

From the best-selling author of *The Bloodline of the Holy Grail* and *Lost Secrets of the Sacred Ark* comes an explosive historical detective story presenting secret archives on the mysterious life of Mary Magdalene, the hidden lineage of Jesus and Mary, and the real two-thousand-year-old conspiracy involving the entire history of Christianity. Mary Magdalene is described in the New Testament as Jesus' close companion -- a woman he loved and his financial sponsor. And yet, in contrast, the Church teaches that she was a prostitute who became repentant. Why does Mary appeal so romantically to artists who have painted her throughout the centuries as something much more significant than the Church traditionally portrays? What is the secret of Mary Magdalene and

how much do we really know about her relationship with Jesus? Were they married? Did they have children, and if so, who makes up the messianic lineage? Laurence Gardner takes us on a detective trail to piece together the true controversial significance of the Magdalene story and its astonishing implications. These include the real da Vinci connection -- the true meaning behind Leonardo da Vinci's paintings and why the Renaissance Church censored portrayals of the Magdalene -- and information on the sacred marriage of Jesus and Mary Magdalene. Plus the truth about the enigmatic Templar society called the Priory of Scion and the underground stream that protected the sacred heritage of the messianic descendents. And much more!

The Eyes of Darkness Harper Collins

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Sketches of Jewish Social Life in the Time of Christ Penguin

A masterwork of suspense from the #1 New York Times bestselling author. Tina Evans can think of no better time for a fresh start. It's been a year of unbelievable heartache since her son Danny's death. Now the Vegas show that she directed is about to premiere, so she vows to put her grief behind her. Novena y semana a la gloriosa madre de la siempre Virgen María y abuela de Jesus Sra. Sta. Anna Random House Trade Paperbacks

Annotation Morphological Mouse Phenotyping: Anatomy, Histology and Imaging is an atlas of explanatory diagrams and text that guides the reader through normal mouse anatomy, histology, and imaging. The book is targeted for mouse researchers and veterinarian and human pathologists, and presents a complete, integrative description of normal mouse morphology. Disease animal models are fundamental in research to improve human health. The success of using genetically engineered mice to evaluate molecular disease hypotheses has encouraged the development of massive global projects, making the mouse the most used animal disease model. Laboratory mouse populations are straining the housing capacity of pharmaceutical and biotechnology companies, as well as public research institutions. However, the scientific community lacks sufficient expertise in morphological phenotyping to effectively characterize and validate these animal models. The mouse displays fundamental morphological similarities to humans; however, a mouse is not a man. Features more than 2,200 original images showing the anatomy, histology, and cellular structure of mouse organs. Includes images specifically produced for this book in the Mouse Imaging Platform (Center for Animal Biotechnology and Gene Therapy, Universitat Autònoma de Barcelona). Offers an integrative vision of mouse morphology using correlative X-ray, computed tomography, magnetic resonance, and ultrasound images. Employs classical anatomical techniques such as conventional dissection, skeletal preparations, vascular injections, and histological, immunohistochemical, and electron microscopy techniques to characterize mouse morphology.

"A delightful novel...impossible to resist."—Barbara Kingsolver, Los Angeles Times Book Review Sofia and her fated daughters, Fe, Esperanza, Caridad, and la Loca, endure hardship and enjoy love in the sleepy New Mexico hamlet of Tome, a town teeming with marvels where the comic and the horrific, the real and the supernatural, reside.

Mary Magdalene Revealed Ana, la abuela de Jesús En el libro de Ana se pueden distinguir dos aspectos claramente diferenciados. Por una parte está la historia de la vida de Ana, la abuela de Jesús, que también contiene las descripciones de los eventos más importantes de las vidas de María (la madre de Jesús), Jesús y María Magdalena. Esta historia está bañada de detalles históricos, cotidianos, de las iniciaciones que realizaban, así como de las personalidades de esos personajes que han sido ocultos hasta ahora. Aunque tremendamente apasionante, el propósito de esta parte del libro no es descartar otras versiones de la historia de Cristo y establecer esta como verdadera. El objetivo es atraer la atención del lector sobre un tema de gran interés para la humanidad y poder transmitir a través de las palabras las altas frecuencias que despiertan la memoria en el subconsciente humano de los códigos de luz en el ADN del ser humano. Una vez estos códigos de luz en el ADN del ser humano se abren, entra en juego el otro aspecto del libro, donde Ana explica por qué los hechos ocurridos hace 2000 años, protagonizados por Ana y su familia (incluyendo a Jesús y María Magdalena), son de vital importancia para el siguiente paso de evolución humana y planetaria que están ocurriendo hoy en nuestras vidas. Ese segundo aspecto del libro constituye un valiosísimo manual de crecimiento del ser humano, repleto de mensajes profundos de amor y sabiduría cuyo objetivo es el empoderamiento individual y finalmente la mayor conquista que el ser humano puede realizar en el planeta Tierra en este momento: alcanzar la conciencia crística. Anna, Grandmother of Jesus Ana, la abuela de Jesús

The Source of Miracles Elsevier

"An extraordinary novel . . . a triumph of insight and storytelling." —Associated Press "A true masterpiece." —Glennon Doyle, author of Untamed An extraordinary story set in the first century about a woman who finds her voice and her destiny, from the celebrated number one New York Times bestselling author of *The Secret Life of Bees* and *The Invention of Wings* In her mesmerizing fourth work of fiction, Sue Monk Kidd takes an audacious approach to history and brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family with ties to the ruler of Galilee, she is rebellious and ambitious, with a brilliant mind and a daring spirit. She engages in furtive scholarly pursuits and writes narratives about neglected and silenced women. Ana is expected to marry an older widower, a prospect that horrifies her. An encounter with eighteen-year-old Jesus changes everything. Their marriage evolves with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, and their mother, Mary. Ana's pent-up longings intensify amid the turbulent resistance to Rome's occupation of Israel, partially led by her brother, Judas. She is sustained by her fearless aunt Yaltha, who harbors a compelling secret. When Ana commits a brazen act that puts her in peril, she flees to Alexandria, where startling revelations and greater dangers unfold, and she finds refuge in unexpected surroundings. Ana determines her fate during a stunning convergence of events considered among the most impactful in human history. Grounded in meticulous research and written with a reverential approach to Jesus's life that focuses on his humanity, *The Book of Longings* is an inspiring, unforgettable account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place and culture devised to silence her. It is a triumph of storytelling both timely and timeless, from a masterful writer at the height of her powers.

Haylie Pomroy, the powerhouse nutritionist behind the #1 New York Times bestseller *The Fast Metabolism Diet*, breaks new ground and gives anyone trying to lose weight new tools for busting through plateaus. Using targeted micronutrients to incinerate weight-loss roadblocks, Haylie will help you remove the problem—and lose up to 3, 5, and 10 pounds in as many days! *The Burn* offers three eating plans, therapeutically designed to achieve highly specific results. The I-Burn targets the body's inflammatory reactions to food and flushes out toxins and subcutaneous fat, producing prominent cheekbones and a glowing complexion in three days. In five days, the D-Burn unblocks the body's digestive barrier and torches torso fat, to

create a flat belly and tighter waistline. The 10-day H-Burn addresses the hormonal system, repairing and facilitating the proper synthesis of hormones to reshape lumps and bumps into gorgeous curves, sleeker hips, and thinner thighs. *The Burn* also unveils: · I-Burn, D-Burn, and H-Burn eating and living plans, complete with detailed grocery lists and daily menus to keep the process simple and easy-to-follow. · Dozens of delicious recipes for meals in a flash. · Simple success boosters: foods, teas, tips, and practices that are easy to incorporate and stoke up your body's ability to heal. · How to live your life on fire – road maps that help readers recognize what their bodies are saying to keep their metabolisms blazing!

New Teachings for an Awakening Humanity Anchor

The self-published spiritual word-of-mouth bestseller. Anna, Grandmother of Jesus became a publishing sensation when the self-published version sold 50,000 copies through word of mouth alone, amassing a worldwide following in the process. Anna is the mother of the Virgin Mary and the grandmother of Jesus. Her teachings and service birthed a spiritual lineage that changed the world. In this book, you'll discover missing pieces of history concerning Anna, Mary and Jesus, as channelled by Claire Heartsong, who has been receiving telepathic messages from Anna for 30 years. Told through the gentle and heartwarming voice of Anna herself, this book offers insights into unknown places the holy family visited, people they knew and intimate details of their daily struggle to complete the Resurrection challenges. You will learn about the Essenes of Mount Carmel and their secret teachings and initiations, and gain a new understanding of Jesus's mission. Containing encoded activations to bring Anna's wisdom and energy into your own spiritual life, this book is an invitation to complete a journey of initiation begun long ago.

Bless Me, Ultima Wheeler Publishing, Incorporated

The Latina/o culture and identity have long been shaped by their challenges to the religious, socio-economic, and political status quo. Robert Chao Romero explores the "Brown Church" and how this movement appeals to the vision for redemption that includes not only heavenly promises but also the transformation of our lives and the world.

The Brief Wondrous Life of Oscar Wao Da Capo Press mind, body, spirit: thought & practice.

So Far from God: A Novel InterVarsity Press

Esta obra es un legado de amor, un intento de re-construir verdades veladas, de desmitificar creencias consolidadas, descubriendo nuestra heredad en estos dos esenios de estirpe y de corazón: Jesús el Galileo y María de Magdala. Susurros, búsqueda, investigación, revelaciones, desmitificación, es una apasionante historia que merece ser contada. Jeshua y Myriam son Mensajeros del Plan de Dios, como Unidad Álmica, que se selló con su matrimonio y descendencia, implantando su Semilla Crística, asumiendo una responsabilidad cósmica y su profunda enseñanza. Jesús caminó por Palestina y Egipto, luego por Britania y lugares de Oriente hasta Cachemira, Nepal e India, lo que se llaman sus años ocultos, y accedió a conocimientos e iniciaciones con Maestros de Sabiduría. María Magdalena, por su pacto de amor con el Maestro, como sacerdotisa de Isis y mujer pionera de comunidades cristianas, irradió su luz y sabiduría por su tierra, y luego en el sur de la Galia, Francia. Las fuentes de mi investigación, los evangelios canónicos y apócrifos, Manuscritos de Nag Hammadi y los Rollos del Mar Muerto, más los documentos encontrados en monasterios de Oriente se hacen visibles en esta entrañable y valiosa obra. Como buscadora de la verdad asumo las palabras del Maestro "La Verdad os hará libres" (Juan 8: 32), aunque queda mucho conocimiento por descubrir. Es una historia humana y divina que precisa ser re-escrita, sintiendo el latido de su corazón grálico y el color de sus Almas peregrinas. En la Era de Acuario Bajo el signo de Aries del año 2021

The Hathor Material National Geographic Books

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.
