FAQ Volume-1 (History, Geography, Indian polity and Indian Economy) Unistar Books

Are you aware that there is a Great Wall of India built by Rana Kumbha at the Fort of Kumbalgarh? Or that Rash Behari Bose was the first to introduce Indian curry into Japan? Or of the Naval Ratings Mutiny that rocked the British empire? India is a nation where history literally lies under your feet, where every rock, nook and corner, has a story to tell. History Under Your Feet aims to look at the history behind some places and persons in India.

History Under Your Feet Notion Press

The direct relationship between peace and joy is through wealth, but the art of living is through the knowledge found in our ancient scriptures. This book is written with the aim of providing a brief introduction to this treasure trove of knowledge. The subject matter of this book is compiled into six parts. Part One presents inspirational anecdotes that illustrate our core values through examples. Part Two contains a collection of important Sanskrit verses from various scriptures. Part Three-Summary of Scriptures - presents a glimpse of our ancient texts. Part Four includes a glossary of terms, provided to make the scriptures easier to understand. Part Five includes family management, and Part Six includes some original compositions. We pay tribute to our parents, ancestors, and mentors, whose sacrifices and practical training have enhanced our capabilities. In making this work successful, our former colleague Shri Veerendra Singh Sikarwar has selflessly assisted us; we express our gratitude and blessings to him.

Why I am an Atheist by Mocktime Publication

Set in British India of the 1920s, *Waiting for Swaraj* follows the cadence and tempo of the lives of the intrepid revolutionaries of the Hindustan Republican Association and the Hindustan Republican Socialist Association who challenged the British Raj. It seeks to comprehend the revolutionaries' self-conception - what did it mean to be a revolutionary? How did a revolutionary live out the vision of revolution, what was their everyday like, did life in revolution transform an individual, what was their truth and how was it different from that of the others? The book locates the essence of being a revolutionary not just in the spectacular moments when the revolutionaries threw a bomb or carried out a political assassination, but in the everyday conversations, banter, anecdotes, and in the stray fragments of the life in underground. It demonstrates how 'waiting' was the crucible that forged a revolutionary.

The term 'revolutionary' is used liberally in histories of Indian anticolonialism, but scarcely defined. Implicitly understood, it functions as a signpost or a badge, generously conferred in hagiographies, loosely invoked in historiography, and strategically deployed in contemporary political contests. It is timely, then, to ask the question: Who counts as a 'revolutionary' in South Asia? How can we read 'the revolutionary' in Indian political formations? And what does it really mean to be 'revolutionary' in turbulent late colonial times? This volume takes a biographical approach to the question, by examining the life stories of a series of activists, some well known, who all defined themselves in explicitly revolutionary terms in the early twentieth century: Shyamaji Krishnavarma, V. D. Savarkar, M. K. Gandhi, Bhagat Singh, Jawaharlal Nehru, J.P. Narayan and Hansraj Vohra. The authors interrogate the subversive lives of these figures, tracing their polyglot influences and transnational impacts, to map out the discursive travels of 'the revolutionary' in Indian historical and literary worlds from the early 1900s, and to indicate its reverberations in the politics of the present. This book was published as a special issue of *Postcolonial Studies*.

Chandra Shekhar Azad Exam Leaders

Chandrashekhar Azad's short and chequered life of a revolutionary is remembered in the annals of the history of India's freedom struggle not merely for his indomitability in the face of odds; but for the human values he cherished. In today's world; with the edifice of every conceivable value crumbling all around us; Azad's life offers a paradigm for the redemption of a generation resigned to shallow ideals. Adversity came a dime a dozen to this village youth born to poor parents rich in morality and humaneness. It's the roots that determine the actions of a person and actions; his destiny. At a time when we seem to be

taking our freedom for granted; Azad's biography is a reminder of the blood and toil that went into securing it. The road to preservation of freedom must be hemmed with respect for what we have; for being fortunate to be able to breathe in free air. The crucial caveat embedded in Azad's biography is that we face a far greater threat from the enemies within than from enemies without. Chandrashekhar Azad's short and chequered life of a revolutionary is remembered in the annals of the history of India's freedom struggle not merely for his indomitability in the face of odds; but for the human values he cherished. UPSC Subjectwise Objective GS Series: HISTORY Pustak Mahal

Shaheed Bhagat Singh's 'Jail Notebook' opens a window into his exploration of ideas of distinguished thinkers and philosophers. Well-known among his comrades as an avid and voracious reader, Bhagat Singh managed to procure during his imprisonment in jail a large number of selected books by prominent authors of his choice. The excerpts, notes and quotes from those books which he wrote down in his jail notebook reflected not only the seriousness with which he studied the books but also his intellectual sophistication and social and political concerns. However, the perfunctory reference to the sources or books from which these notes and quotes were taken left a rather perplexing question mark with regard to the authentic source i.e. from exactly which editions of which books by which particular authors were these taken. As a result, fantastic claims and wild speculations came to be made by admiring scholars as to the number of books and the kind of original works of great thinkers that Bhagat Singh was able to study in the jail. As a sequel to that the present work Bhagat Singh's 'Jail Note Book', Its Context and Relevance by Harish Jain represents an exceptionally tenacious and laborious search and research into the specific and authentic sources of the particular notes and quotes entered in the Jail Notebook. The story of the author's exploration for over a decade, searching and identifying books by following astute guesses and hunches, and rummaging through many likely or probable books accessible at that time, many of which were not easily available now, makes a fascinating reading. Contextualising the importance and reach of the ideas of the various authors in those times helps one to understand why they might have appeared significant to Bhagat Singh. Besides discussing the ideas central to the books he read attempt has been made here to explain the import of the quotes he chose to copy. A unique work of its kind, this study is both enriching and a pleasure to read.
