 Comics' series Fatale is
 collected as Fatale
 Volume 2: The Devil's

 continues the story
 from the first volume
 (so go and read it
 first!), as Nicholas Lash
 digs further into his
 family's past, and finds
 something strange - he
 met Josephine as a boy
 (he was the boy, not
 Josephine).Fatale

 takes place in the
 1970s with Josephine.
 A struggling actor,
 Miles, and his friend

end up in her house covered in blood. They have gotten mixed up in a Satanic cult with a leader that Josephine knows too well. Having a different main male character than Nick made me like this volume less, as Miles wasn't exactly like-able to me.
