*What Makes the Monkey Dance* Harper  
Collins

NEW YORK TIMES BESTSELLER • Over a million copies sold! “An eminently practical guide to an emotionally intelligent—and long-lasting—marriage.”—Daniel Goleman, author of *Emotional Intelligence* The *Seven Principles for Making Marriage Work* has revolutionized the way we understand, repair, and strengthen marriages. John Gottman’s unprecedented study of couples over a period of years has allowed him to observe the habits that can make—and break—a marriage. Here is the culmination of that work: the seven principles that guide couples on a path toward a harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work, family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential.

*I May Be Old But I've Seen All the Cool Bands* Simon and Schuster

*What Makes The Monkey Dance* tells the story of one of the most respected musicians of his generation--the singular

rock'n'roll artist Chuck Prophet and his former band Green On Red.

Cypress Hill Tres Equis Da Capo Press  
SOCIOLOGY: FAMILY & RELATIONSHIPS.  
NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of *The Game*. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you.

Tommyland Monoray

After more than twenty years in the music business Bret Michaels has sold twenty-five million records and scored an amazing fifteen chartbusting Top 40 singles including the timeless #1 smash hit “Every Rose Has Its Thorn.”?? Today, this award-winning, multi-platinum superstar’s career continues to move at lightning speed following VH1’s hit reality dating show *Rock of Love* with Bret Michaels —which aired for three seasons and featured a bevy of ladies competing for an all-access pass to Bret Michaels’s heart and to share in his superstar lifestyle. . Bret Michaels is, if nothing else, a true survivor. He has survived a lifelong battle as an insulin-dependent diabetic, a well-publicized near-fatal car crash in 1994, and the countless musical trends and fads of the last two decades. ???Now, Michaels continues his rebirth through this provocative chronicle of his life, in the tradition of Motley Crüe’s *The Dirt* . . . *Roses & Thorns* reveals everything about Bret’s rockstardom, from the

Pennsylvania creation of “the ultimate garage band,” to MTV’s banning of their explicit videos and their 2007 sold-out summer tour. ??Because he’s diabetic, Bret never participated in the drug- and booze-fueled partying like the others, but he was at the center of this movement of over-indulgence and has plenty of stories to tell. ??Also, Bret dishes on his short but notorious relationship with Pamela Anderson—which resulted in an infamous sex tape that circulated on the Internet and was released as a DVD in 2005. Readers will be captivated and entertained by *Roses & Thorns*, a fascinating account of one of the most enduring rock musicians of the past two decades. .

*A Fast Ride Out of Here* William Morrow Paperbacks

The New York Times bestseller Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time in some ways and deeply troubled in others. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid—hunting, fishing, chasing girls, and playing football—but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle—the president of Capitol

Records. But there was no short path to the top. He was soon on his own. There were dead-end jobs: dipping circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crüe. Turning down an offer to join Randy Rhoads' band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality - and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. And it's a road map to the ways you can overcome anything, and achieve all of your goals, if only you put your mind to it.

*The Truth* Simon and Schuster

*Cheese Chronicles* is a must-read for every wannabe musician, for musicians who still climb in the back of the van on their way to split 60 bucks four ways. And for those who have either made it or quit it, what remains is a dose of reality and what the dream is about.

*Tattoos & Tequila* Gallery Books

Musician Duff McKagan shares details about his life and career, discussing the creation and rise of Guns n' Roses, his struggle with alcoholism and drug addiction, his path to sobriety, and more.

*White Line Fever* Jawbone

NOW A NETFLIX ORIGINAL MOVIE  
STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE.  
Celebrate thirty years of the world's

most notorious rock band with the deluxe collectors' edition of *The Dirt*—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like *Tommyland* and *The Heroin Diaries*, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in *The Dirt*. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at *Rolling Stone* calls *The Dirt* "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

[This Is Gonna Hurt](#) Dowling Press

**\*\*THE INTERNATIONAL BESTSELLER\*\***

Magnus Walker is one of life's originals. Serial entrepreneur, fashion designer, TV presenter, motivational speaker and one of the world's most prolific Porsche collectors, the dreadlocked, tattooed hoarder of individual creativity is a very modern incarnation of success. Raised in the urban decay of Thatcher's Britain, Sheffield-born Magnus Walker left school with just two O levels and drifted for several years before buying a one-way ticket to America. Now, 30 years and three successful businesses later, by following his instincts, rejecting convention and pursuing his passions Magnus has succeeded against all the odds. Here, for the first time, is the full story of his journey from a Northern steel town to the bright lights of Hollywood, from a boy with little hope to an anti-establishment hero. Along the way we'll

witness his potent combination of inspiration and graft, discover his motivations and his ambitions, and come to understand his philosophy and the keys to his success. Inspiring and exhilarating, *URBAN OUTLAW* is a compelling tale of succeeding through pure instinct and determination by a man who was brave enough to follow his own path.

[Everyone Loves You When You're Dead](#)

Grand Central Publishing

Neil Strauss can uncover the naked truth like nobody else. With his groundbreaking book *The Game*, Strauss penetrated the secret society of pickup artists. Now, in *Everyone Loves You When You're Dead*, the *Rolling Stone* journalist collects the greatest moments from the most insane music interviews of all time. Join Neil Strauss, "The Mike Tyson of interviewers," (Dave Pirner, *Soul Asylum*), as he Makes Lady Gaga cry, tries to keep Mötley Crüe out of jail & is asked to smoke Kurt Cobain's ashes by Courtney Love Shoots guns with Ludacris, takes a ride with Neil Young & goes to church with Tom Cruise and his mother Spends the night with Trent Reznor, reads the mind of Britney Spears & finds religion with Stephen Colbert Gets picked on by Led Zeppelin, threatened by the mafia & serenaded by Leonard Cohen Picks up psychic clues with the CIA, diapers with Snoop Dog & prison survival tips from Rick James Goes drinking with Bruce Springsteen, dining with Gwen Stefani & hot tubbing with Marilyn Manson Talks glam with David Bowie, drugs with Madonna, death with Johnny Cash & sex with Chuck Berry Gets molested by the Strokes, in trouble with Prince & in bed with . . . you'll find out who inside. Enjoy many, many more awkward moments and accidental adventures with the world's number one

stars in Everyone Love You When You're Dead.

### **It's So Easy** Z2 Comics

Mötley Crüe's lead singer and rock's ultimate bad boy, Vince Neil, lets the real dirt fly in this raw, raunchy, and completely uncensored road trip through the unbelievable depths of rock n' roll debauchery. You've seen The Dirt on Netflix, now read the nitty gritty stories in Vince's own words. For 30 years, Vince Neil has been one of rock's most notorious frontmen. From sex tapes with porn stars and multiple arrests for drunk and disorderly behavior to his turns as a strip club and tattoo parlor owner, his antics make Mick Jagger look like a choirboy. Now, he tells the whole story, in his own words, as it has never been told before. The glory days of excess. Vince's break with the band and his arduous re-uniting with its members, especially Tommy Lee. The tragic death of his daughter Skylar. And, for the first time, Vince painfully opens up about his actions (and lack of real consequences) surrounding his part in the drunk-driving death of his friend Razzle. Then there are the stories and anecdotes that even hardcore Crue fans don't know. We also hear the voices of his friends, rock star cronies, ex-wives, family, and children in an effort to get to the heart of the matter. Tattoos and Tequila reveals the real Vince Neil, from his many vices--booze, sex, and many, many women, to his personal and private tragedies and triumphs as a musician and businessman. Sexy, shocking, and revelatory, this is the first personal account of one of rock's most troubled, outrageous, and flamboyant stars.

### I Can't Make You Love Me (Sheet Music)

Simon and Schuster

In this follow-up to his 2013 memoir My Life With Deth, Megadeth bassist and co-

founder David Ellefson carries on where he left off, charting his mid-2000s departure from Megadeth through his triumphant return in 2010, and offering an inside look at the continuing saga of one of the world's biggest and most enduring heavy-metal bands. Co-written with his business partner, Thom Hazaert – a celebrated music-industry figure, radio personality, and music journalist – More Life With Deth chronicles Megadeth's record-shattering 'BIG 4' shows alongside Metallica, Slayer, and Anthrax, and the release of their Grammy-winning Dystopia – their highest-charting record in over twenty-five years – and the massive two-year world tour supporting it. Far more than your typical rock star tell-all, More Life with Deth also delves deeper into the origins of Megadeth and David's roots in rural Minnesota, and tells the stories behind the creation of his hugely successful EMP Label Group, Ellefson Coffee Co., and the relaunch of the famed metal label Combat Records, as well as his continued personal journey of spirituality and sobriety. Told through the words of Ellefson, Hazaert, and friends including Alice Cooper, Brian 'Head' Welch (Korn), Kristian Nairn (Game Of Thrones), Mark Tremonti, K.K. Downing (Judas Priest), Brian Slagel (Metal Blade Records), Frank Bello (Anthrax), Jason McMaster (Dangerous Toys), Dirk Verbeuren (Megadeth), Kiko Loureiro (Megadeth), Chris Adler (Lamb Of God, Megadeth), Dan Donegan (Disturbed), and many more, More Life With Deth is an insightful and personal look at one of the most revered rock musicians – and preeminent heavy-metal entrepreneurs – of our time.

### **Slash** Kensington Books

Step into the booth. Check your judgments at the curtain. Close your

eyes. Listen: you can hear the voices of the visitors who sat here before you: some of the most twisted, drug-addled, deviant, lonely, lost, brilliant characters ever to be caught on film. What do you have to offer the booth?

#### Dirt Constable

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real

across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

#### Urban Outlaw Harper Collins

During their heyday, Guns N' Roses sold over 20 million albums and performed sell-out gigs all over the world. Ten years since their last album and with only one original member remaining, they are still going strong. This book, timed to coincide with the release of the much anticipated new album in summer 2004, features numerous interviews with and revelations about band members past and present (including ex lead guitarist Slash and bass player Duff). Written by a lifelong fan and featuring previously unseen photographs, this is the only current book on the band.

#### *The Band that Time Forgot* Citadel Press

This is not a journey that was undertaken for journalistic purposes. It is a painfully honest account of a life crisis that was forced on me by my own behavior and its consequences. "As such, it requires sharing a lot of things I'm not proud of—and a few things I feel like I should regret a whole lot more than I actually do. Because, unfortunately, I am not the hero in this tale. I am the villain." So begins Neil Strauss's long-awaited follow-up to *The Game*, the funny and slyly instructive work of immersive journalism that jump-started the international "seduction community" and made Strauss a household name—revered or notorious—among single men and women alike. In *The Truth*, Strauss takes on his greatest

challenge yet: Relationships. And in this wild and highly entertaining ride, he explores the questions that men and women are asking themselves every day: Is it natural to be faithful to one person for life? Do alternatives to monogamy lead to better relationships and greater happiness? What draws us to the partners we choose? Can we keep passion and romance from fading over time? His quest for answers takes him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships, and, ultimately, himself. Searingly honest and compulsively readable, *The Truth* just may have the same effect on you. If *The Game* taught you how to meet members of the opposite sex, *The Truth* will teach you how to keep them.

**Roses & Thorns** Learning Express (NY) This is Gonna Hurt is music, photography, and life through the distorted lens of Nikki Sixx, bassist for heavy metal rock band Mötley Crüe's and the New York Times bestselling author of *The Heroin Diaries*. A combination of powerful prose and dramatic photographs, *This is Gonna Hurt* is an arresting, deeply personal look through the eyes of a real rock star at a stark, post-addiction world.

*The Heroin Diaries* Simon and Schuster From the original Guns N' Roses drummer comes a tale of sex, drugs, excess, hairspray, and an intense 20-year struggle with addiction. Guns N' Roses is one of the world's most successful rock bands, with estimated sales of 90 million albums worldwide. Steven Adler is the original drummer, with an infamous past of sex, drugs, and

rock 'n' roll that led to his removal from the band. And here, for the first time, Steven Adler tells it all. In *My Appetite for Destruction*, he reveals with wit and candour his personal struggles with drug addiction, including the financial ruin he faced after being kicked out of Guns N' Roses and the health problems that almost claimed his life several times—two heart attacks, a suicide attempt, and a debilitating stroke, as well as an epic 20-year addiction to crack and heroin. Now clean and sober, Steven sets the record straight on his life and his time with Guns N' Roses, during the rise and collapse of one of the greatest rock bands of all time. "Great for the die-hard GNR fan . . . This is a cautionary tale, all the way."

—Penthouse

*The Big Wheel* Hal Leonard Corporation (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

*The Seven Principles for Making Marriage Work* Echo Point Books & Media, LLC

Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. *THE HEROIN DIARIES* reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing

his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving,

THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.
