OSCAR VILLARREAL

Midland Schools 2021

Based on Emily Schuman's popular lifestyle blog of the same name, Cupcakes and Cashmere is the must-have guide for those looking to establish their own sense of style, organize and decorate their home, or throw an easy and stylish party. Organized by season, the book expands on Schuman's blog by including DIY projects, organization tips, party-planning ideas, beauty how-tos, and seasonal recipes. Cupcakes and Cashmere features original material that has not been previously published on the site. With her signature photographic layouts, Emily creates a lifestyle that is chic and achievable for every reader, making this the ultimate style guide for living a fashionable life. Praise for Cupcakes and Cashmere: "Inspiration for anyone looking to update her wardrobe, decorate her home, or throw a fab party." —Shape magazine

Sunday School Times Abrams

After 40+ years of writing about Europe, Rick Steves has gathered 100 of his favorite memories together into one inspiring collection: For the Love of Europe: My Favorite Places, People, and Stories. Join Rick as he's swept away by a fado singer in Lisbon, learns the dangers of falling in love with a gondolier in Venice, and savors a cheese course in the Loire Valley. Contemplate the mysteries of centuries-old stone circles in England, dangle from a cliff in the Swiss Alps, and hear a French farmer's defense of foie gras. With a brand-new, original introduction from Rick reflecting on his decades of

travel, For the Love of Europe features 100 of the best stories published throughout his career. Covering his adventures through England, France, Germany, Ireland, Italy, the Netherlands, Spain, and more, these are stories only Rick Steves could tell. Wry, personal, and full of Rick's signature humor, For the Love of Europe is a fond and inspirational look at a lifetime of travel.

Utilizes adaptations of the Jewish calendar as a way to better understand modern Jewish life adapting to the Christian world.

The Greek Revolution Rick Steves

An intriguing and vibrant study of an innovative and lesser-known facet of contemporart art. Identifies significant strategies exploited by European artists to extend their aesthetic vision within the mediums of prints, books and multiples. Exploring commercial techniques, confrontational approaches and language and the expressionist impulse. Showcases the creativity being channelled into printed art by todays generation.

Covering the U.S.A. and Canada like never before, and for the first time with full-color photographs, here are 1,000 compelling, essential, offbeat, utterly unforgettable places. Pristine beaches and national parks, world-class museums and the Just for Laughs festival, mountain resorts, salmon-rich rivers, scenic byways, the Oyster Bar and the country's best taco, lush gardens and coastal treks at Point Reyes, rafting the Upper Gauley (if you dare). Plus resorts, vineyards, hot springs, classic ballparks, the Talladega Speedway, and more. Includes new attractions, like Miami's Pérez Art Museum and Manhattan's High Line, plus more than 150 places of special interest to families. And, for every entry, what you need to know about how and when to visit. "Patricia Schultz unearths the hidden gems in our North American backyard. Don't even think about packing your bag and sightseeing without it." —New York Daily News

Eye on Europe Harvard University Press

Winner of the Duff Cooper Prize • One of The Economist's top history books of the year From one of our leading historians, an important new history of the Greek War of Independence—the ultimate worldwide liberal cause célèbre of the age of Byron, Europe's first nationalist uprising, and the beginning of the downward spiral of the Ottoman Empire—published two hundred years after its outbreak As Mark Mazower shows us in his enthralling and definitive new account, myths about the Greek War of Independence outpaced the facts from the very beginning, and for good reason. This was an unlikely cause, against long odds, a disorganized collection of Greek patriots up against what was still one of the most storied empires in the world, the Ottomans. The revolutionaries needed all the help they could get. And they got it as Europeans and Americans embraced the idea that the heirs to ancient Greece, the wellspring of Western civilization, were fighting for their freedom against the proverbial Eastern despot, the Turkish sultan. This was Christianity versus Islam, now given urgency by new ideas about the nation-state and democracy that were shaking up the old order. Lord Byron is only the most famous of the combatants who went to Greece to fight and die—along with many more who followed events passionately and supported the cause through art, music, and humanitarian aid. To many who did go, it was a rude awakening to find that the Greeks were a far cry from their illustrious forebears, and were often hard to tell apart from the Ottomans. Mazower does full justice to the realities on the ground as a revolutionary conspiracy triggered outright rebellion, and a fraying and distracted Ottoman leadership first missed the plot and then overreacted disastrously. He shows how and why ethnic cleansing commenced almost immediately on both sides. By the time the dust settled, Greece was free, and Europe was changed forever. It was a victory for a completely new kind of politics—international in its range and affiliations, popular in its origins, romantic in sentiment, and radical in its goals. It was here on the very edge of Europe that the first successful revolution took place in which a people

claimed liberty for themselves and overthrew an entire empire to attain it, transforming diplomatic norms and the direction of European politics forever, and inaugurating a new world of nation-states, the world in which we still live.
