### HUGHES LIZETH

**The X-Files: I Want to Believe** Lulu.com

A hardcover tome that authentically recreates Atreus' journal as seen in God of War, with expanded lore written in collaboration with the God of War writing team! The hit game is brought to life in a tangible and exciting new way as readers are invited to plumb the lore of God of War through the eyes of Kratos' son, Atreus. This hardcover volume chronicles Atreus and Kratos' journey through the fabled Nine Realms, from the Wildwoods of Midgard to the mountains of Jötunheim and beyond. In addition to the record of their mythic journey, this wondrous collection also includes a bestiary that was assembled during those travels, intimate dossiers of the characters that inhabit the masterfully crafted universe, and much more! Dark Horse Books and Santa Monica Studios present God of War: Lore and Legends. This lovingly produced edition is a must own item for any fan of God of War.

*Fringe* Syracuse University Press

Written by the Mercedarian friar Martín de Murúa, the Historia general del Piru (1616) is one of only three extant illustrated manuscripts on the history of Inca and early colonial Peru. This immensely important Andean manuscript is here made available in facsimile, its beautifully calligraphed text

reproduced in halftone and its thirty-eight hand-colored images—mostly portraits of Inca kings and queens—in color.

*The Complete X-Files* Bloomsbury Publishing

*The Report on Unidentified Flying Objects* is a book by Edward J. Ruppelt which described the study of UFOs by United States Air Force from 1947 to 1955. Ruppelt was a United States Air Force officer best known for his involvement in Project Blue Book, a formal governmental study of unidentified flying objects. He is generally credited with coining the term "unidentified flying object." Because Ruppelt was the central axis of the government's investigation the book provides a unique insider look at how the government's efforts functioned.

*Narcoland* Dark Horse Comics

Fans of classic detective stories, The Mysterious Benedict Society, and the Secret Series will devour this illustrated middle-grade adventure that follows three curious sleuths as they investigate a mysterious, old house with some hidden secrets. Eleven-year-old Fairday Morrow is less than thrilled that her family is moving thousands of miles from civilization to the quiet country town of Ashpot, Connecticut, where she's absolutely certain she'll die of boredom. As if leaving New York City and her best friend, Lizzy, the only other member of the elite Detective Mystery Squad (DMS), weren't bad enough, Fairday is stuck living in the infamous Begonia House, a creepy old Victorian with dark passageways, a gigantic dead willow tree, and a mysterious past. Before she can even unpack, strange music coming from behind a padlocked door leads Fairday up a spiral staircase and into a secret room, where an ancient mirror, a brass key, and a strange picture of a red-haired lady are the first in a series of clues that takes the

members of the Detective Mystery Squad on an amazing adventure. "The novel builds to an exciting climax that takes magic in stride and suggests that further mysteries await the DMS trio."-Publishers Weekly "This paranormal mystery will be of interest to young readers looking for something spooky but not violent or scary."-Booklist

**Celiac Disease and Non-Celiac Gluten Sensitivity** Random House Books for Young Readers

Mulder and Scully are back in the thrilling novelization of the much-anticipated second film from 20th Century Fox based on the cult series. "The X-Files: I Want to Believe" stars David Duchovny and Gillian Anderson and opens in theaters on July 25. Original.

**Desarrollo de una herramienta de análisis de los parámetros técnicos de los subtítulos y estudio diacrónico de series estadounidenses de televisión en DVD** HarperEntertainment

Todo lo que tenes que saber para elegir tus series favoritas. La pasión y la adicción por las series de televisión ya no es solo materia de especialistas. Hoy el tema están en boca de todos y el que no sigue Mad Men o no vio el final de Lost se puede quedar afuera de cualquier conversación entre amigos. ¿Por qué Breaking Bad es la serie perfecta? ¿A qué se debe el éxito arrollador de House of Cards? ¿Por dónde empezar? ¿Cuáles son los capítulos que no se pueden perder? ¿Qué es un spin-off, un teaser y un spoiler? Este libro está escrito para quienes recién se inician en el deporte extremo de mirar series y también para los fanáticos que ya lo vieron todo y quieren confrontar ideas sobre este increíble fenómeno. Pablo Manzotti hace un recorrido que va desde Alfred Hitchcock Presenta hasta Seinfeld, pasando por The X-Files, Twin Peaks, The Killing, The Newsroom, Homeland y True Detective. Seriemanía es la guía perfecta para todos los que quieren descubrir la nueva serie que los tendrá hipnotizados durante semanas y el libro ideal para los fans que buscan conocer más sobre sus programas favoritos.

**X-Files: Case Files** ROCA EDITORIAL

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, Narcoland has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, Narcoland takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names - not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

**Deny All Knowledge** DigiCat

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

**The Truth is Out There** McFarland

The inside track on all nine seasons of the 'X-files' show and movie, plus creator Chris Carter's new commentary and explanation of previously unresolved mysteries.

**The Third Wave** OmniaScience

Pour en savoir plus sur la série culte des années 90, pour avoir accès à des informations confidentielles diffusées nulle part ailleurs, plongez-vous dans le seul guide officiel de la série. Vous y découvrirez : - le résumé complet des enquêtes de Fox Mulder et Dana Scully, agents du FBI en charge des affaires non classées; - des photos inédites; - de précieux renseignements sur les conditions de tournage et la réalisation des effets spéciaux; - des interviews exclusives du créateur de la série, Chris Carter, des deux héros, Gillian Anderson et David Duchovny; - une étude approfondie des personnages de Mulder et Scully, etc. Phénomènes paranormaux, ovnis, vampires réincarnés, petits hommes verts, manipulations génétiques,

laissez-vous séduire par ces enquêtes au savoir-faire subtil, où le vraisemblable n'est jamais sûr et l'in vraisemblable une évidence ...

**The Philosophy of The X-Files** IDW Publishing

Now, this ideal companion provides an insider's guide to the creation of the series, complete biographies of every major character, an annotated synopsis of every episode, informative sidebars, a glossary of frequently-used terms, and more.

**The Report on Unidentified Flying Objects** Nowtilus

"In Trust No One, this all new and completely authorized guide, the fans of The X-Files can go behind the cameras and get a firsthand look at what makes this show unique."--Cover.

**La princesa espía. La verdadera historia de Aline Griffith, Condesa de Romanones** Simon & Schuster

The X-Files was one of the most subversive and longest-running science fiction series in US television history. Yet very little serious work has been done to examine the hit series. Deny All Knowledge examines topics such as: - Why is the series such a hit worldwide? - Why is The X-Files so popular online, generating dozens of websites and chat groups daily? - How does The X-Files' Conspiracy Theory compares to shows from the 1950s? - Can The X-Files be considered a modern-day myth? - What does The X-Files tell us about gender roles today?

**The X-files Declassified** Abrams

Emotional Intelligence Does IQ define our destiny? Daniel Goleman argues that our view of human intelligence is far too narrow, and that our emotions play a major role in thought, decision making and individual success. Self-awareness, impulse control, persistence, motivation, empathy and social deftness are all qualities that mark people who excel: whose relationships flourish, who are stars in the workplace. With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us. Working with Emotional Intelligence Do you want to be more successful at work? Do you want to improve your chances of promotion? Do you want to get on better with your colleagues? Daniel Goleman draws on unparalleled access to business leaders around the world and the thorough research that is his trademark. He demonstrates that emotional intelligence at work matters twice as much as cognitive abilities such as IQ or technical expertise in this inspiring sequel.

**How to Survive in a Stranger Things World (Stranger Things)** Duke University Press

In The Philosophy of The X-Files, Dean A. Kowalski has gathered a remarkable cast of contributors to shed light on the philosophical mysteries of the television show The X-Files. With sections devoted to the show's credos, such as "The Truth Is Out There," individual characters, and specific episodes, The Philosophy of The X-Files illuminates the philosophical assumptions and presuppositions of the show as well as presents discussions through the show to help the reader better understand philosophy and philosophical inquiry.

**Trust No One** Harper Entertainment

Originally published as The X-Files: case files--Florida man, issues #1-2 and The X-Files: case files--Hoot goes there?, issues #1-2.

**Global Environmental Constitutionalism** Ediciones Universidad de Salamanca

En bok for alle som er betatt av TV-serien "X-Files". Dette er en guide tilde mystiske og uforklarlige sannhetene bak de forskjellige episodene. Det viser seg at selv de mest bisarre sakene som blir etterforsket av Mulder og Scully har noe basis i virkeligheten. Denne boken forteller om vitenskapelige mysterier og merkelige hendelser som ligger bak kulissene. Boken inneholder også 49 korte spørrekonkurranser for de som tror de vet alt om TV-serien. Heftet, 19 x 23 cm., 227 s.

**lker. El mago del misterio** Getty Publications

Reflecting a global trend, scores of countries have affirmed that their citizens are entitled to healthy air, water, and land and that their constitution should guarantee certain environmental rights. This book examines the increasing recognition that the environment is a proper subject for protection in constitutional texts and for vindication by constitutional courts. This phenomenon, which the authors call environmental constitutionalism, represents the confluence of constitutional law, international law, human rights, and environmental law. National apex and constitutional courts are exhibiting a growing interest in environmental rights, and as courts become more aware of what their peers are doing, this momentum is likely to increase. This book explains why such provisions came into being, how they are expressed, and the extent to which they have been, and might be, enforced judicially. It is a singular resource for evaluating the content of and hope for constitutional environmental rights.

**The Unofficial X-files Companion** Simon and Schuster

A behind-the-scenes look at "The X-Files" and its stars, written by two location managers who worked on every episode during its five seasons in Vancouver. 40 photos.

**The Real Science Behind the X-Files** Yearling

Fox Mulder and Dana Scully are back in a chilling collection of all-new tales of dark secrets, alien agendas, terrifying monsters, and murderous madmen. Edited by New York Times bestselling author Jonathan Maberry, The Truth Is out There features original stories by bestselling authors Rachel Caine, David Wolverton, Hank Philippi Ryan, Kelley Armstrong, Kami Garcia, Greg Cox, and many others.
