Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard.

Harriet Jacobs was an African-American, born into slavery in North

Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of

Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the

Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

"A polemic on the state of black America that argues that we don't yet live in a post-racial society"--

*Belle Morte* Sage & Savvy Publishing

By the 1920s, women were on the verge of something huge. Jazz, racy fashions, eyebrowraising new attitudes about art and sex—all of this pointed to a sleek, modern world, one that could shake off the grimness of the Great War and stride into the future in one deft, stylized gesture. The women who defined this the Jazz Age—Josephine Baker, Tallulah Bankhead, Diana Cooper, Nancy Cunard, Zelda Fitzgerald, and Tamara de Lempicka—would presage the sexual revolution by nearly half a century and would shape the role of women for generations to come. In *Flappers*, the acclaimed biographer Judith Mackrell renders these women with all the

color that marked their lives and their era. Both sensuous and sympathetic, her admiring biography lays bare the private lives of her heroines, filling in the bold contours. These women came from vastly different backgrounds, but all ended up passing through Paris, the mecca of the avant-garde. Before she was the toast of Parisian society, Josephine Baker was a poor black girl from the slums of Saint Louis. Tamara de Lempicka fled the Russian Revolution only to struggle to scrape together a life for herself and her family. A committed painter, her portraits were indicative of the age's art deco sensibility and sexual daring. The Brits in the

group—Nancy Cunard and Diana Cooper—came from pinkie-raising aristocratic families but soon descended into the salacious delights of the vanguard. Tallulah Bankhead and Zelda Fitzgerald were two Alabama girls driven across the Atlantic by a thirst for adventure and artistic validation. But beneath the flamboyance and excess of the Roaring Twenties lay age-old prejudices about gender, race, and sexuality. These flappers weren't just dancing and carousing; they were fighting for recognition and dignity in a male-dominated world. They were more than mere lovers or muses to the modernist masters—in their pursuit of fame and intense

experience, we see a generation of women taking bold steps toward something burgeoning, undefined, maybe dangerous: a New Woman.

NAMED A BEST BOOK OF THE YEAR BY BOOKPAGE AND LIBRARY JOURNAL The Crimson Petal and the White meets Fight Club: A page-turning novel set in the world of female pugilists and their patrons in late eighteenth-century England. Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, *The Fair Fight* is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse.

While her sister's beauty affords a certain degree of comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. When Charlotte presents Ruth with an extraordinary proposition, Ruth

pushes dainty Charlotte to enter the ring herself and learn the power of her own strength. A gripping, page-turning story about people struggling to transcend the circumstances into which they were born and fighting for their own places in society, *The Fair Fight* is a raucous, intoxicating tale of courage, reinvention, and fighting one's way to the top.
