STONE MCMAHON

Travels with a Donkey in the Cevennes Cosimo Classics

On 23 September 1878 Stevenson set out from Le Monastier in the Haut Loire, to tramp through the wild region of the Cevennes. His only companion was a small donkey to carry basic necessities, and a commodious "sleeping sack". In the next 12 days, at a pace

dictated by the donkey and carrying most of the supplies himself, he travelled 120 miles across rivers, mountains and forests. His stylish and witty account was published in 1879.
