Ranging from Plato to writers as diverse as Shakespeare, Proust, Forster, Beckett, Huxley, Lawrence, and Larkin, Reeve brings the vast resources of Western literature and philosophy to bear on the question of love. Looking at love in light of the classical world and Christianity, and in its complex relationship with pornography, violence, sadomasochism, fantasy, sentimentality, and jealousy, Reeve invites us to think more broadly about love, and to find the confusions that inevitably result to be creative rather than disturbing.

Imagining Men: Ideals of Masculinity in Ancient Greek Culture Hackett Publishing

Aphrodite explores the many myths and meanings of the Greek goddess of love, sex and beauty. One of the most widely worshipped and popular deities in Greek antiquity, Aphrodite emerges from the imaginations of the ancient Greek writers and artists as a multifaceted,

powerful and charismatic figure. This volume explores the importance of Aphrodite for the ancient Greeks, as well as her enduring influence as a symbol of beauty, adornment, love and sexuality in contemporary culture. In a wide-ranging investigation of the universality of Aphrodite's power and significance, this volume illuminates the numerous intricate levels of divinity embodied by the alluring figure of Aphrodite.

Aphrodite offers new insights into the ancient texts and artistic representations of the goddess, as well as a comprehensive survey of the current scholarship about the origins and interpretations of Aphrodite, whilst also highlighting her eternal popular appeal across cultures and generations. A goddess of love who is not afraid to enter the battlefield; a goddess of bodily adornment who is the first to appear totally nude; a goddess born of the sea who emerges into the open sky: Aphrodite is a polyvalent deity, plural in nature, function and significance.

Fragments of Parmenides
 Lexington Books

The *Odyssey* is considered to be the most

beautiful literary work of the Western civilization, and Homer the first and the greatest poet ever. The book *Demystifying the Odyssey* is interpreting Homer's epic in a unique and completely new way. For the first time in literature, this book explains the events and phenomena that Odysseus saw and experienced, and which were considered so far as a result of the Poet's rich imagination. So, this book reveals how Odysseus went to Hades kingdom of the dead souls; what are in reality Scylla and Charybdis; who were the sirens; how the Island of Aeolus', the ruler of the winds, actually floated; how Circa turned Odysseus's sailors into pigs and other. Besides that, this book also reveals the fallacy two and a half millennia long, dating back from the first historians Herodotus and Thucydides, according to which Odysseus was wandering the Mediterranean sea. It further provides numerous proofs that Homer's hero was actually wandering the Adriatic. For all those readers who are familiar with the ancient Greek literature this book will be great news and quite a surprise.

On the other hand, for those who have not been quite aware of the old Greek world it will provide great knowledge on the first European civilization. In any case, this will surely be an interesting reading for all of them.

Reverence Hackett Publishing Company Incorporated

A translation of the epic poem retells the story of Odysseus's ten-year voyage home to Ithaca after the Trojan War.

Iliad Hackett Publishing

A translation of the epic poem retells the story of Odysseus's ten-year voyage home to Ithaca after the Trojan War.

Odysseus, Hero of Practical Intelligence Hackett Publishing

This anthology examines Love's Labours Lost from a variety of perspectives and through a wide range of materials. Selections discuss the play in terms of historical context, dating, and sources; character analysis; comic elements and verbal conceits; evidence of authorship; performance analysis; and feminist interpretations. Alongside theater reviews, production photographs, and critical commentary, the volume also includes essays written by practicing theater artists

who have worked on the play. An index by name, literary work, and concept rounds out this valuable resource.

The Essential Iliad Simon and Schuster

Selections from both Iliad and Odyssey, made with an eye for those episodes that figure most prominently in the study of mythology.

The Essential Homer : Selections from the Iliad and the Odyssey

Parmenides Publishing

This collection of Poems-offered as a dual-language English-Romanian edition-together with a critical Expose by the translators, a Preface by the author, a Chronicle and Biography, conveys to the reader a very personal tale of a human tragedy of unspeakable horrors the author endured alongside tens of thousands of other political prisoners at forced labor camps, so-called "Gulags" at the Danube-Black Sea Canal (the "Canal") during Romania's Communist regime after WWII. This book is a Zeitzeugnis-a witness of the time-an account not only of a reprehensible past time but a very pertinent manifest for

hope for younger generations everywhere in the world. This book is based on Moara Dracilor by Mircea Ionescu-Quintus, published in Romanian in 1999 by Editura Ion Creanga S.A., Romania. The new title is a dual-language (English-Romanian) edition, with a new Foreword, a new Preface by the author, a new About the Translators, seven additional Poems, three new Illustrations, and a new author Biography. It is a must-read for students and anyone interested in politics, political history, Eastern-European history, Communist regimes, Romania, Romanian history, Romanian politics, History of Political Oppression, Testimonial Literature, Poetry, Eastern-European poetry, Romanian poetry, and socio-political poetry.

PLOTINUS Ennead IV.7 Harvard University Press

This generous abridgement of Stanley Lombardo's translation of the "Odyssey" offers more than half of the epic, including all of its best-known episodes and finest poetry, while providing concise summaries for omitted books and passages. Sheila Murnaghan's Introduction, a shortened version of her

essay for the unabridged edition, is ideal for readers new to this remarkable tale of the homecoming of Odysseus.

Homer: Iliad Book XXIV

Hackett Publishing

A lean, fleet-footed translation that recaptures Homer's "nimble gallop" and brings an ancient epic to new life.

Plato's Socrates as

Narrator Hackett

Publishing

"Gripping... Lombardo's achievement is all the more striking when you consider the difficulties of his task... (He) manages to be respectful of Homer's dire spirit while providing on nearly every page some wonderfully fresh refashioning of his Greek. The result is a vivid and disarmingly hardbitten reworking of a great classic." — Daniel Mendelsohn, *The New York Times Book Review*
A Philosophical Muse
 Hackett Publishing
 History students read a lot. They read primary sources. They read specialized articles and monographs. They sometimes read popular histories. And they read textbooks. Yet students are beginners, and as beginners they need to learn the differences among various kinds of

readings – their natures, their challenges, and the unique expectations one needs to bring to each of them. Reading History is a practical guide to help students read better.

Uniquely designed with the author's engaging explanations in the margins, the book describes primary sources across various genres, including documents of practice, treatises, and literary works, as well as secondary sources such as textbooks, articles, and monographs. An appendix contains tips and questions for reading primary or secondary sources. Full of practical advice and hands-on training that allows students to be successful, Reading History will cultivate a wider appreciation for the discipline of history.

 Hackett Publishing

While preserving the basic narrative of the Iliad, this bare-bones abridgment highlights the epic's high poetic moments and essential mythological content, and will prove especially useful in surveys of world literature, and in Western civilization surveys.

Global Cultural

Reforms for a Natural-Systems Agriculture

Taylor & Francis

Approaches to Homer's 'Iliad' and 'Odyssey' consists of ten original essays on the Iliad and Odyssey by established Homeric scholars and university professors of Greek literature and culture. The anthology offers not only fresh approaches to reading, appreciating, and understanding these Homeric epics, but also attempts to make a case why these works are still relevant in the twenty-first century. Both epics are required reading in most college/university general and world literature courses, as is evident from their inclusion in part or in whole in many standard world literature anthologies. These ten new approaches to the first literary works of Western culture are intended as reading aids for both instructors and students in any college/university classroom in which either of these two Homeric epics are taught.

The Essential Iliad

Parmenides Publishing
 Drawing on archaeological research, an expert account of the famous historical battle confirms

many details recounted in Homer's epic account, from Troy's alliance with the Hittite Empire to the significant fire at the end of the twelfth century and facts

Deep Agroecology and the Homeric Epics

Parmenides Publishing
Exploring models for masculinity as they appear in major works of Greek literature, this book combines literary, historical, and psychological insights to examine how the ancient Greeks understood the meaning of a man's life. The thoughts and actions of Achilles, Odysseus, Oedipus, and other enduring characters from Greek literature reflect the imperatives that the ancient Greeks saw as governing a man's life as he moved from childhood to adult maturity to old age. Because the Greeks believed that men (as opposed to women) were by nature the proper agents of human civilization within the larger order of the universe, examining how the Greeks thought that a man ought to live his life prompts exploration of the place of human life in a world governed by transcendent forces, nature, fate, and the gods. While focusing on

the experience of men in ancient Greece, the discussion also offers an analysis of the society in which they lived, addressing questions still vital in our own time, such as how the members of a society should govern themselves, distribute resources, form relationships with others, weigh the needs of the individual against the larger good of the community, and establish right relations with divine forces beyond their knowledge or control. Suggestions for further reading offer the reader the chance to explore the ideas in the book.

Aphrodite Odyssey

This generous abridgment of Stanley Lombardo's translation of the *Odyssey* offers more than half of the epic, including all of its best-known episodes and finest poetry, while providing concise summaries for omitted books and passages. Sheila Murnaghan's Introduction, a shortened version of her essay for the unabridged edition, is ideal for readers new to this remarkable tale of the homecoming of Odysseus. *Renewing a Forgotten Virtue* Author House
These nine new essays on Homer's epics deal not only with major Homeric

themes of time (honor), kleos (fame), geras (rewards), the psychology of Homeric warriors, and the re-evaluation of type scenes, but also with Homer's influence on contemporary film. Following the introduction and an essay which sets the historical background for the epics, four essays are devoted to fresh analysis of key passages and themes while another four turn to a discussion of the film *Troy* and Homer's influence on two other genres of American cinema.

Social Robots ABC-CLIO

While preserving the basic narrative of the *Iliad*, this bare-bones abridgment highlights the epic's high poetic moments and essential mythological content, and will prove especially useful in surveys of world literature, and in Western civilization surveys.

Odyssey Fairleigh

Dickinson Univ Press
This book explores five Platonic dialogues: *Lysis*, *Charmides*, *Protagoras*, *Euthydemus*, and the *Republic*. This book uses Socrates' narrative commentary as its primary interpretive framework. No one has engaged in a sustained attempt to explore the Platonic dialogues from

this angle. As a result, it offers a unique contribution to Plato

scholarship. The portrait of Socrates that emerges challenges the traditional view of Socrates as an

intellectualist and offers a holistic vision of philosophical practice.
