'Scouts' Honour' is a collaborative piece of work, created with the intention of informing the reader of the rich history connected to the World Scouting Network, its origins, and its successes. With the efforts of three scenario writers and five artists, the vision has been to create a holistic historic that promotes the values and ideologies linked to scouting, as well as an exciting storyline, rooted in anecdotal fact.

97 Things Every Programmer Should Know Skyhorse Publishing, Inc.

Peter Applebome grew up obsessed by box scores, so when his son, Ben, joined Little League he happily assumed he'd be spending Ben's childhood at the ballfield. But what Ben really liked was hiking and camping-and when he joined the local Scout troop Applebome reluctantly went along for the ride. As someone who had never made a fire except in a gas grill and tied knots only in his shoelaces, Applebome was an unlikely recruit. Taking us from the low points to the unexpected triumphs and through all the trekorees and derbies in between, Applebome hikes the trail from tenderfoot skeptic to proud Scout dad. Offering affectionate portraits of the motley group of boys in the troop, he also laces his very funny narrative with an informal but fascinating history of Scouting and grapples with the modern-day controversies that will help determine Scouting's future.

On My Honor Ray Pub

A scout's iconoclastic views of basketball, love, and American culture. Brimming with truth, humor, and humanity, bestselling author Charley Rosen lays bare the trials and tribulations of anyone who loves sports for the game of it, not the business. Naturally sarcastic, a touch disillusioned, but always the idealist, Rob Lassner is an NBA scout who must assess the potential of high school and college players while appeasing a "shit-for-brains" owner who wouldn't know a crosscourt pass if it knocked the silver spoon out of his blathering mouth. Scout's Honor is the story of one man's attempt to balance his love for the purity of basketball with the below-the-rim bullshit side of the game that pays his bills. With charming irreverence and colorful prose, Rosen's novel is steeped in both literary richness and the art of the jump shot.

Making a Scene in the American Heartland Scout's Honor

Companion to the documentary, broadcast on the PBS series POV, examining the Boy Scouts of America policy against gays in the organization. Focuses on Steve Cozza, boy scout and activist against the policy (and founder of Scouting for All), and relates the stories of others removed from the Boy Scouts organization for being gay or for working to have the policy eliminated.

Scout's Honor Aftershock Comics

Documents the important contributions of famous men who once served as Eagle Scouts, citing the

examples of such figures as Michael Bloomberg, Ross Perot, and Jim Lovell while tracing how history has been shaped by former scouts from all walks of life. Reprint. 25,000 first printing.

Real Life Lessons from America's First Girl Scout Wednesday Books

Being filthy rich and devilishly handsome isn't enough when all hell breaks loose! Our nation's capital has been attacked. Traditional lines of communication are crippled. And during the messy aftermath, Washington socialite Beverly "Scout" Wainwright is kidnapped from her northern Virginia home. With the authorities otherwise engaged, it's up to the Wainwright clan, led by Scout's son Johnny, and his friends, to save the eccentric matriarch. Spanning Virginia horse country, Washington, D.C., and Hong Kong, SCOUT'S HONOR: LIFELINE is a breakneck-paced thriller that surprises at every turn. This is Book One in the Johnny Wainwright Thriller series. Book two is coming in early 2020. R. Scott Wallis is the author of the Skyler Moore Thriller series, including THE MAINE NEMESIS and THE NEW MEXICO SCOUNDREL, available as e-books and paperbacks on Amazon. THE NEVADA SABOTEUR is coming September 27, 2019.

Scout's Honor HarperCollins Australia

Welcome to Sandy Point, Oregon: a sleepy beach town that's home to a giant anchor statue, a sometimes-karaoke-bar, and Frosty's questionably legendary Sunday Sundae Surprise. A town Jo, Autumn, and Bianca thought they'd left far behind when they graduated high school, finally moving on to greener pastures than the midway point for tourists heading to the Goonies house. But life seldom goes according to plan. Bianca Boria-Birdy, former prom queen and valedictorian, has always been an overachiever. As she juggles managing the family tattoo parlor, caring for her grandmother, and adjusting to a new marriage, Bianca's schedule becomes stricter than ever, with no room for disruption. What she really needs is a vacation, but not even Bianca Boria-Birdy can achieve the impossible. Autumn Kelly used to be an actress. Now she teaches drama at Sandy Point High. She may have had to kiss her movie-star dreams goodbye, but molding the next generation of performers has given her life meaning in a whole new way. Until the sudden reappearance of her ex-best friend throws everything off-balance. Jo Freeman has it all together. With a cool job in Silicon Valley, connections at the trendiest fitness studios, and a down payment on her dream condo, she's well on her way to reaching every one of her goals before thirty. Or she was, before she got fired and landed right back home with her parents and teenage sister. When Jo finds an old bucket list in her childhood bedroom, it sets the three women on a path that brings them closer to one another with each task. And it just might lead to a life none of them could have planned.

On My Honor Rampant Loon Press

A story of a self, lost...a self, loathed...and a self, rediscovered In Haddleboro, North Carolina, Scout Webb is a 14 year-old kind, spirited small town southern girl and a tomboy much like her namesake, the young narrator from her mother's favorite book. With both her name and her Christian faith deeply woven into the fabric of her identity, Scout always felt like she had a lot to live up to - she was the kind of girl who made her parents proud. It's August 1983, and Scout is playing on a summer baseball team with Charlie Porter, her best friend since Kindergarten. More than anything, she is looking forward to her last few weeks at Camp Judah, a Christian camp near the Catawba River. She can't wait to see her big crush "Brother Doug," the thirty-two year old camp lifeguard who has watched her grow up each summer since she was seven years old. But after a few fateful days and one catastrophic event during her last day at the camp, Scout will be changed forever.

A Sword & Planet Adventure O'Reilly Media

In a timely contribution to current debates over the psychology of boys and the construction of their social lives, *On My Honor* explores the folk customs of adolescent males in the Boy Scouts of America during a summer encampment in California's Sierra Nevada. Drawing on more than twenty years of research and extensive visits and interviews with members of the troop, Mechling uncovers the key rituals and play events through which the Boy Scouts shapes boys into men. He describes the campfire songs, initiation rites, games, and activities that are used to mold the Scouts into responsible adults. The themes of honor and character alternate in this new study as we witness troop leaders offering examples in structure, discipline, and guidance, and teaching scouts the difficult balance between freedom and self-control. What results is a probing look into the inner lives of boys in our culture and their rocky transition into manhood. *On My Honor* provides a provocative, sometimes shocking glimpse into the sexual awakening and moral development of young men coming to grips with their nascent desires, their innate aggressions, their inclination toward peer pressure and violence, and their social acculturation. *On My Honor* ultimately shows how the Boy Scouts of America continues to edify and mentor young men against the backdrop of controversies over freedom of religious expression, homosexuality, and the proposed inclusion of female members. While the organization's bureaucracy has taken an unyielding stance against gay men and atheists, real live Scouts are often more open to plurality than we might assume. In their embrace of tolerance, acceptance, and understanding, troop leaders at the local level have the power to shape boys into emotionally mature men.

The Eagle Court of Honor Book Boom! Studios

When Terran Scout David Rice climbs from the wreckage of his starship's escape pod, he finds himself transported from the space age to the steam age in the blink of an eye. Drawn to the sounds of fighting, David immediately throws himself into a desperate battle against overwhelming odds to save the life of a beautiful young princess. Now, marooned without hope of rescue, David is swept into a world of steam-powered airships, treacherous pirates, brutal savages, bloodthirsty monsters, royal machinations, and plots within plots, where matters of strength and honor are most often settled with the clash of swords. As he struggles to learn the strange ways of this new world and who he can trust, one thing becomes clear to him: he must put aside his growing feelings for Her

Highness and do everything in his power to return her to her family, even though this means giving her up to the prince she's pledged to marry. Told in a relentlessly fast-paced and breathless style, SCOUT'S HONOR is an exciting modern homage to the classic tales of planetary romance made famous by writers such as Edgar Rice Burroughs and Leigh Brackett, as well as the cliffhanger-driven energy of the early science fiction movie serials. If you like your heroes unabashedly heroic, your heroines feisty and true, and your plots filled with dangers, twists, turns, and double-crosses upon triple-crosses, you'll enjoy SCOUT'S HONOR.

Undead Girl Gang Tj Editions Limited

In 1911, Juliette "Daisy" Gordon Low was widowed and completely unsure of what to do with her life when a chance meeting changed her course forever. Determined and inspired by a belief that young girls and women should be taught to rely not on their husbands and fathers but on themselves, Daisy founded the Girl Scouts of the USA the next year. One hundred years later, Daisy's life lessons still motivate and encourage thousands of young girls and women across the country through the Girl Scout organization. Shannon Henry Kleiber gives Daisy's classic, timeless advice a modern focus that is sure to inspire women of all generations. Learn from Daisy's words of wisdom and strive to: •Known Yourself and Be Yourself •Love Living Things •Give to Others •Be a Sister •Challenge Yourself "Have you ever stopped to think that your most constant companion throughout life will be yourself? You will always have this body, this mind, and this spirit that you call 'I,'" — *How Girls Can Help Their Country* (1916) /body /html

Scout's Honor Macmillan

AN INDIE NEXT PICK! Jennifer E. Smith meets *The Fangirl's Guide to the Galaxy* in Lily Anderson's *Not Now, Not Ever*, a deliciously nerdy companion to *The Only Thing Worse than Me Is You* ONE OF PASTE'S BEST YOUNG ADULT BOOKS IN NOVEMBER 2017 "A wonderful book." —School Library Journal Elliot Gabaroché is very clear on what she isn't going to do this summer. 1. She isn't going to stay home in Sacramento, where she'd have to sit through her stepmother's sixth community theater production of *The Importance of Being Earnest*. 2. She isn't going to mock trial camp at UCLA. 3. And she certainly isn't going to the Air Force summer program on her mom's base in Colorado Springs. As cool as it would be to live-action-role-play *Ender's Game*, Ellie's seen three generations of her family go through USAF boot camp up close, and she knows that it's much less Luke/Yoda/"feel the force," and much more one hundred push-ups on three days of no sleep. And that just isn't appealing, no matter how many Xenomorphs from *Alien* she'd be able to defeat afterwards. What she is going to do is pack up her determination, her favorite Octavia Butler novels, and her Jordans, and run away to summer camp. Specifically, a cutthroat academic-decathlon-like competition for a full scholarship to Rayevich College—the only college with a Science Fiction Literature program, and her dream school. She's also going to start over as Ever Lawrence: a new name for her new beginning. She's even excited spend her summer with the other nerds and weirdos in the completion, like her socially-awkward roommate with neon-yellow hair, and a boy who seriously writes on a typewriter and is way cuter than is comfortable or acceptable. The only problem with her excellent plan to secretly win the scholarship and a ticket to her future: her golden-child, super-genius cousin Isaiah has had the same idea, and has shown up at Rayevich smugly ready to steal her dreams and expose her fraud in the process. This summer's going to be

great.

Lifeline French Press Bookworks

Punk rock culture in a preeminently average town. Synonymous with American mediocrity, Peoria was fertile ground for the boredom- and anger-fueled fury of punk rock. Jonathan Wright and Dawson Barrett explore the do-it-yourself scene built by Peoria punks, performers, and scenesters in the 1980s and 1990s. From fanzines to indie record shops to renting the VFW hall for an all-ages show, Peoria's punk culture reflected the movement elsewhere, but the city's conservatism and industrial decline offered a richer-than-usual target environment for rebellion. Eyewitness accounts take readers into hangouts and long-lost venues, while interviews with the people who were there trace the ever-changing scene and varied fortunes of local legends like Caustic Defiance, Dollface, and Planes Mistaken for Stars. What emerges is a sympathetic portrait of a youth culture in search of entertainment but just as hungry for community—the shared sense of otherness that, even for one night only, could unite outsiders and discontents under the banner of music. A raucous look at a small-city underground, *Punks in Peoria* takes readers off the beaten track to reveal the punk rock life as lived in Anytown, U.S.A.

A Novel Simon and Schuster

“Librarians often say that every book is not for every child, but *The True Blue Scouts of Sugar Man Swamp* is” (The New York Times). Meet Bingo and J’miah, raccoon brothers on a mission to save Sugar Man Swamp in this rollicking tale and National Book Award Finalist from Newbery Honoree Kathi Appelt. Raccoon brothers Bingo and J’miah are the newest recruits of the Official Sugar Man Swamp Scouts. The opportunity to serve the Sugar Man—the massive creature who delights in

delicious sugar cane and magnanimously rules over the swamp—is an honor, and also a big responsibility, since the rest of the swamp critters rely heavily on the intel of these hardworking Scouts. Twelve-year-old Chap Brayburn is not a member of any such organization. But he loves the swamp something fierce, and he’ll do anything to help protect it. And help is surely needed, because world-class alligator wrestler Jaeger Stitch wants to turn Sugar Man swamp into an Alligator World Wrestling Arena and Theme Park, and the troubles don’t end there. There is also a gang of wild feral hogs on the march, headed straight toward them all. The Scouts are ready. All they have to do is wake up the Sugar Man. Problem is, no one’s been able to wake that fellow up in a decade or four... Newbery Honoree and Kathi Appelt’s story of care and conservation has received five starred reviews, was selected as a National Book Award finalist, and is funny as all get out and ripe for reading aloud.

Scout's Honor Sourcebooks, Inc.

A look at what it takes to build a major league ball club.

Scout's Honor Macmillan

Be Prepared. Be VERY Prepared. Years after a nuclear apocalypse, a new society has risen from the ashes...and their bible is an old Ranger Scout manual. A young Ranger Scout named Kit has endured the harsh survivalist upbringing needed to conquer the irradiated Colorado Badlands. But after discovering a terrible secret once lost to history, Kit must risk everything on a dangerous quest to uncover the truth behind the Ranger Scouts' doctrine. From multiple Ringo Award-nominated writer David Pepose (Spencer & Locke, *Going to the Chapel*, *The O.Z.*) and artist Luca Casalanguida (James Bond, *Lost Soldiers*) comes a post-apocalyptic coming-of-age tale that proves when all you know is a lie, a Scout's Honor is the only way to move forward.
