Brimming with both practical instruction and more than 700 inspirational photos, this is the definitive new guide for both serious calligraphers and budding hand-lettering enthusiasts. Mastering Calligraphy : The Complete Guide to Hand ... When you are writing calligraphy you will have to use guidelines. These lines are not permanent, you will only need them as a guide while writing and you will erase them after you are done. I would recommend a soft lead pencil like 4B and to erase the lines I almost always use a kneadable eraser as this eraser will not damage the paper in any way.
