Will wedding bells rock out for Louder Than Love's most beloved couple in this Love and Steel novella? Falling in love with rock star Adrian "Digger" Graves was a dream come true for former librarian Kat Lewis. But with a little help from friends and family—including Kat's adorable daughter, Abbey—Adrian has planned an evening and a proposal beyond her wildest dreams. The night before, Kat witnessed the triumphant reunion of Adrian's rock band at Madison Square Garden. Tonight, he will escort her to the elegant, ultra-exclusive Library Lion's benefit. It seems like a fairytale, but even fairytales have a deeper, darker

side. When old habits return to tempt her knight in shining heavy metal armor, will Kat's happily ever after come crashing back to reality? Don't miss the next Love and Steel novel, *Softer Than Steel*, coming in September 2015 from InterMix. Praise for *Louder Than Love* "An emotional ride with a to-die-for hero and with a sparkling ending. Topper is an author to watch!"—Laura Drake, author of *The Reasons to Stay* "A beautiful and engaging story that will melt your heart."—Open Book Society

*Deep, Deeper, Deeper Still* Harvest House Publishers

Approaching the Holocaust in your classroom can be a difficult, often daunting task. This practical guide for English and social studies teachers features lessons learned from the author's 17 years of experience teaching the subject in public schools, as well as his work with the United States Holocaust Memorial Museum.

Using anecdotes and empirical data, Gudgel offers advice for teaching the Holocaust in a way that is nuanced, socially responsible, and historically accurate. He provides guidance on common challenges and questions teachers will encounter, such as correcting misconceptions, using films, and discussing genocide with secondary students. While World War II grows ever more distant in the past, the lessons of the Holocaust are perhaps more relevant today than ever before. It may never be easy to teach about the Holocaust, but it can be done in ways that make it edifying and empowering, rather than causing despair. This approach is as important for educators as it is for their students.

**Book Features:** Uses a conversational tone with classroom examples and actionable teaching advice. Designed to make a difficult topic more accessible for teachers at all levels of experience. Helps teachers think about best practices through a lens of inquiry, pedagogy, and personal experience. Focuses on what the author believes would have been most helpful when he began teaching about the Holocaust.

Spiritual teacher and bridge-builder Brother David Steindl-Rast translates the Apostles' Creed for today, uncovering the deeper universal truths that can be an inspiration to all people. In *Deeper than Words: Living the Apostles' Creed*, Brother David reexamines the words with which the early followers of Jesus summarized their faith. Reading line-by-line with an open perspective, he reveals the often overlooked message of trust, compassion, peace, love, and awareness contained in this widely known but rarely examined statement. *Deeper than Words* moves beyond ritual and exclusivity and instead finds a deeper faith based in real human experience and the sense of limitless belonging that is shared by all people who seek to understand themselves and the world. The words of the Apostles' Creed are Christian, but its heart is a universal and timeless guide to fullness of life. From this transformation perspective, developed over a lifetime of contemplation, Brother David presents a powerful call to renewal through reconnection with the spiritual and a reawakening to shared sacred truths.

**Collective Intelligence and the Pathways from Smart to Wise** Harvard Education Press

The most overworked Christian vocabulary across a broad

spectrum of Christian charismatic cycles is the word “anointing”. Dozens of books have been written and countless messages preached on the subject of the ‘anointing’ yet for all the attention the subject is given, it is one of the least understood gifts God has freely bequeathed upon every believer in Christ. Although the anointing is the current church’s diet and a delicate recipe for living a naturally supernatural life, the masses are starving for the anointing of the Holy Spirit. Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing, the empty husks of humanism, intellectualism and religion have failed to launch the world into greater depths of the miraculous. In this book, Apostle Frequency Revelator presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits. With considerable depth, insight, revelation and wisdom, the author has provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ.. Presiding over a global network of apostolic and prophetic visions, in the capacity of the Director of the World renowned Global School of Signs and Wonders (GSSW), the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE) and the founder of Resurrection TV (The Dead-Raising Channel, Apostle Frequency Revelator hands us the lost keys to the Throne Room of Heaven and shows us the way back to the Heavenly realm as he calls the church back to her original mandate of demonstrating the supernatural power of God. Therefore, if you are a fire-starter and God-chaser who is willing to pioneer a revolution of signs and wonders in this world,

continue to plunge into the depths of revelations encapsulated in this publication.

#### *A Deeper Sickness* Penguin

When it comes to reading and understanding the Bible, a dangerous phrase is used by non-Christians and even some believers: "Well, that's your interpretation." It is true that without some care in your interpretation, you can "make" the Bible say almost anything. *Dig Deeper* is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly. *Dig Deeper* offers sixteen "tools" readers can use to get to the bottom of any Bible passage and discover its intended meaning. Examples show how each tool helps readers discover something exciting and relevant in a passage, and the "Dig deeper" exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible.

#### *Experiencing the Love of Jesus* Chicken House

Author and pastor Pearl Moses prays that you experience ever-increasing depths of intimacy in your pursuit of the King. She hopes that your entire life may be caught up in the pursuit of His presence and your heart enraptured by His gaze. *Deeper Still: Intimate Conversations with God* presents a communion-with-God journal that picks up conversations with God in a similar vein to her first journal, *A Heart Full of Prayers*. Through musings and prayers, Moses seeks to amplify Abba Father’s call to intimacy with Himself. In processing her own heart’s responses to that call, she invites you not to shy away from transparency with God but instead to pour out your joy, passions, pain, and struggles before

Him as a vital part of a deeper, closer walk with our beloved Lord and King. Here she shares prayers of thanksgiving, prayer wrestlings to hearten and help anyone struggling emotionally, prayers written during a period of hospitalisation and recuperation during several months of national lockdown due to the COVID-19 pandemic, and prayers inspired by a range of life circumstances, readings, and musings. Offered as a companion resource to *A Heart Full of Prayers*, this collection presents prayers for all who hunger and thirst for a deeper, closer walk with God.

Ever feel lost, trapped, confused or like life has left you completely drained? Everyday we deal with crisis and challenges that leave us feeling overwhelmed. If we learn how to get back to focusing on a lifestyle of worship of our great God in the good and the bad we can find that passionate, full life we have been so desperate for. In a culture where worship is in danger of becoming a cliché, Deeper calls us to genuine worship that doesn't depend on our circumstances. Barry Blair - Producer, Grammy Nominee, Dove Award winner (Audio Adrenaline, Bleach, Addison Road), Nashville, TN From the intriguing title to the honest personal stories, this book drew me in and pulled me on to keep reading. Most of all, Deeper draws me deeper as a worshiper and a follower of Jesus. This book is transparent, humorous and real. I highly recommend it. Dr. Ken Read, Professor of Music, Cincinnati Christian University, Cincinnati, OH Whether your life is sailing through crystal calm waters or is being thrown about by stormy waves, Kevin shares personally and Biblically that the only way to truly find peace is by Sinking Deeper. Garrick Whited, Producer - KLove Radio Network, Sacramento, CA Andy Frank, Worship Pastor Christ Church of the Valley, Peoria, AZ Andy Hanson, Executive Director of Christ In Youth (C.I.Y.) Joplin, MO"

**Sinking Deeper** Charisma Media

A harrowing chronicle by two leading historians, capturing in real time the events of a year marked by multiple devastations. When we look back at the year 2020, how can we describe what really happened? In *A Deeper Sickness*, award-winning historians Margaret Peacock and Erik Peterson set out to preserve what they call the "focused confusion", and to probe deeper into what

they consider the Four Pandemics that converged around the 12 astonishing months of 2020: · Disease · Disinformation · Poverty · Violence Drs. Peacock and Peterson use their interdisciplinary expertise to extend their analysis beyond the viral science, and instead into the social, political, and historical dimensions of this crisis. They consulted with dozens of experts and witnesses from a wide range of fields – from leading epidemiologists and health care workers to leaders of the Black Lives Matter movement, district attorneys, political scientists, philosophers, and more. Their journey revealed a sick country that believed it was well, a violent nation that believed it was peaceful; one that mistook poverty for prosperity and accountability for rebellion. *A Deeper Sickness* will help readers sift through the chaos and misinformation that characterized those frantic days. It is both an unflinching indictment of a nation that is still reeling and a testament to the power of human resilience and collective memory. Readers can share their story and become a contributing author by visiting an interactive digital museum, where the authors have preserved dozens of more stories and interviews. Visit Margaret Peacock and Erik L. Peterson’s official website for *A Deeper Sickness*: [adhc.lib.ua.edu/pandemicbook](http://adhc.lib.ua.edu/pandemicbook)  
*Finding Grace in Every Season* Routledge

It is often something deep in our life that leads us to pen and page and the age-old practice of collecting our thoughts on paper. This for many is the first adventure with journaling. Sinking our toes deep into the benefits of collecting our thoughts can easily become journaling. Harvesting the wealth of knowledge generated from the collecting of our thoughts and putting this knowledge into action in our lives is the act of going

deeper. It is when we grace pen to page on a regular basis that we are actually journaling and going deeper still. Journaling is a practice that allows us the ability to go beyond collecting our thoughts, to harvesting knowledge and understanding our internal process and motivations. Journaling also helps generate useful insights about those with whom we share our life journey. When our thoughts are collected our lives are calmer, we have more clarity about life choices and achieve life success both small and large with greater ease. Our roots, so to speak, are planted deep in ground beneath our feet. When we have access to the wealth of our own knowledge and put that wealth to use, our lives tend to be more fluid our roots have worked their way deeper into solid ground. When our roots are sunk into terra firma we are deeper still or deeply still, understanding our thoughts and feelings, our actions and choices, and how we create our lives.

**The Rational Emotive Behavior Therapy Approach** Teachers College Press

Christina Sell knows the difference between a surface buzz in the yoga business (for a better, more beautiful “ME”), and its roots as an ancient practice of ethical life and spiritual transformation. With over twenty-five years “on the mat,” her voice of courage and sanity has never stopped urging yoga students and teachers alike to take a deeper dive: to confront media hype about body-image and the promise of any quick-fix in favor of a lifelong commitment to wholeness and freedom. This book is both an epitome of that call, and a practical guide to ongoing self-discovery. As the author of two previous books: *Yoga From the Inside Out* (2003) and *My Body Is a Temple* (2013), Christina Sell holds an international reputation as a gifted and compassionate

teacher and trainer of yoga. As a former gymnast who dealt with eating disorders and addictions in her early years, Christina knows how to redirect thoughts and habits of negative body image toward spiritual practice and inner-awakening. A Deeper Yoga is for any practitioner or teacher who wants tools and support in finding a loving, expanded relationship with his or her body, mind, emotions and spirit. Her book is for anyone on the path of yoga. Newer yoga students will benefit from the compassionate explanations of the inner journey and find direction in building a stronger foundation of practice. Experienced yoga practitioners will find a refreshing and honest exploration of both the hype and the heart of the work. Teachers of all traditions will benefit from the ongoing reminder that yoga is not only for the body, but for transformation of consciousness and spiritual unfolding. This is a book for the long haul! A Deeper Yoga is uniquely aimed at practitioners who initially found help from yoga, but who are now experiencing impatience, discouragement or even disillusionment. It leads the reader to yoga's more esoteric teachings, using language without jargon or unnecessary details. The tone is compassionate, yet strong and authoritative?inviting us to empower our own deeper knowing, yet without watering down the traditional teachings. Topics of body image, self-hatred, eating disorders, addiction and emotional imbalance are considered throughout. Christina skillfully dismantles the illusions and early conditionings that lead to unrealistic norms of perfection and empower a media-driven standard of beauty. A Deeper Yoga offers an alternative view of genuine beauty.

The Other Deeper You continues in the revolutionary Quixotic spirit of Dr. Alvin Mahrer's previous works on experiential psychotherapy. For the visionary, the scholar, the academic, the serious reader, picture a whole new inner deeper world containing a whole new you, an other deeper you. This concept itself is revolutionary, but the book goes further by providing a step-by-step guide for coming face-to-face with the other deeper you.

An Episcopalian priest and cultural anthropologist presents a series of mentor-style letters about how to advance one's relationship with God at every stage of life, in an uplifting guide that is divided into three sections including "Responding to the Call," "Making the Passage," and "The Path of Love." 15,000 first printing.

What Does Life Want From You? SCB Distributors

We often believe things about ourselves that do not line up with God's truth. We think our worth is based on performance or possessions, that we have to be perfect to be loved, or that we're too ordinary to be used by God. Deeper tears down these lies and teaches women to replace them with four truths from Psalm 139-- God knows me, he protects me, he made me, he values me. Using compelling narrative and Scripture, Deeper helps women transform their lives by trusting in the reality of God's love. Instead of striving for perfection and worth, readers can rest in the truth that they are his.
