 An
 unforgettable
 portrait of a
 major
 pioneering
 artist, by
 "Czechoslovak
 ia's greatest
 writer" (Milan

Kundera) The
 Gentle
 Barbarian is
 Bohumil
 Hrabal's
 homage to
 Vladimír
 Boudník, one
 of the greatest
 Czech visual

artists of the 1950s and 1960s, whose life came to a tragic end shortly after the Soviet invasion of 1968. Boudnik and Hrabal had a close and often contentious friendship. For a brief period, in the early 1950s, they both worked in the steel works in Kladno and lived in the same building in Prague. Written in the early seventies, Hrabal's anecdotal portrait of Boudnik includes

another controversial member of that early group of the Czech avant-garde: the poet Egon Bondy. While Hrabal and Bondy were evolving their aesthetic of "total realism," Boudnik developed his own artistic approach that he called "Explosionalism," in which the boundaries between life and art become blurred, and everyday events take on the appearance

and the substance of art. Hrabal's portrait of Boudnik captures the strange atmosphere of a time in which the traditional values and structures of everyday life in Czechoslovakia were being radically dismantled by the Communists. But as *The Gentle Barbarian* demonstrates, creative spirits are able to reject, ignore, or burrow beneath the superficial "revolutionary

" atmosphere of the time, and find humor, inspiration, and a kind of salvation amidst its general intellectual and creative poverty. "that Ye May Learn Wisdom" Madam's Books Sixteen-year-old Tiuri must spend hours locked in a chapel in silent contemplation if he is to be knighted the next day. But as he waits by the light of a flickering candle, he hears a knock

at the door and a voice desperately asking for help. A secret letter must be delivered to King Unauwen across the Great Mountains--a letter upon which the fate of the entire kingdom depends. Tiuri has a vital role to play, one that might cost him his knighthood. He must trust no one. He must keep his true identity secret. Above all, he must never reveal what is in the letter . . . Tiuri's journey will take him

through dark, menacing forests, across treacherous rivers, to sinister castles and strange cities. He will encounter evil enemies who would kill to get the letter, but also the best of friends in the most unexpected places. *Called to Serve, January 1929-June 1951* Sourcebooks, Inc. The Ancients
are free, and
all bets are
off. With the
rise of the
primordial
creators of
Under
everything
has changed.
Our world is
no longer the
same, and
neither is
Aon. I learned
his dark secret
the moment
the sun
peeked over
the horizon for
the first time
in thousands

of years.
Every king
and queen in
Under used to
be human-
even Edu. But
not Aon. He's
the only soul
ever made by
the Ancients,
their firstborn
and only
son. Now that
they've been
set free, he
has no choice
but to obey
his makers
and do what
he has been
created to do.
Rule. Aon, the
King of
Shadows, was
a madman
and a warlock.
But he no
longer exists.
In his place is
someone-
something-far
worse. The

King of All.

Wood Folk.
When all
seems lost,
Timothy
discovers that
the true
measure of
men and trees
lies in the

hidden treasures of the heart. *The Last King of Scotland* Open Road Media They say the fae used to take the most beautiful maidens and make them their brides. They lied. What they do with them is much worse. After the seven lords of Sidhe are massacred in one day, the thrones of the fae realm pass down to their heirs. The Iron Circle remains leaderless, as its true lord lives in another world.

The nobles of the realm will find the heir, and they will destroy him. Or her. West, in the Silver Circle, a new lord has taken the throne. A warrior who never hesitates to crush ants for the good of the world. A man whose rule will change the fate of their realms. Melpomene has never known where she came from, and after centuries, she's stopped caring. Until the fae take her, dragging

her to a land where bloodlines and power is everything. To survive, she needs to embrace the monster buried inside. Lords of Sidhe is a fantasy romance trilogy. The series is unsuitable for sensitive readers.

Theodore Roosevelt and Edward the Seventh, Secret Partners

Random House Trade Paperbacks Queen Elizabeth's spymasters recruit an unlikely

agent—the only Muslim in England—for an impossible mission in a mesmerizing novel from “one of the best writers in America” (The Washington Post) “Evokes flashes of Hilary Mantel, John le Carré and Graham Greene, but the wry, tricky plot that drives it is pure Arthur Phillips.”—The Wall Street Journal
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND THE

WASHINGTON POST The year is 1601. Queen Elizabeth I is dying, childless. Her nervous kingdom has no heir. It is a capital crime even to think that Elizabeth will ever die. Potential successors secretly maneuver to be in position when the inevitable occurs. The leading candidate is King James VI of Scotland, but there is a problem. The queen’s spymasters—hardened veterans of a

long war on terror and religious extremism—fear that James is not what he appears. He has every reason to claim to be a Protestant, but if he secretly shares his family’s Catholicism, then forty years of religious war will have been for nothing, and a bloodbath will ensue. With time running out, London confronts a seemingly impossible question: What does James truly

believe? It falls to Geoffrey Belloc, a secret warrior from the hottest days of England's religious battles, to devise a test to discover the true nature of King James's soul. Belloc enlists Mahmoud Ezzedine, a Muslim physician left behind by the last diplomatic visit from the Ottoman Empire, as his undercover agent. The perfect man for the job, Ezzedine is the ultimate outsider,

stranded on this cold, wet, and primitive island. He will do almost anything to return home to his wife and son. Arthur Phillips returns with a unique and thrilling novel that will leave readers questioning the nature of truth at every turn. I Served the King of England Huey Long (1893-1935) was one of the most extraordinary American politicians, simultaneously cursed as a dictator and applauded as

a benefactor of the masses. A product of the poor north Louisiana hills, he was elected governor of Louisiana in 1928, and proceeded to subjugate the powerful state political hierarchy after narrowly defeating an impeachment attempt. The only Southern popular leader who truly delivered on his promises, he increased the miles of paved roads and number of bridges in Louisiana tenfold and established

free night schools and state hospitals, meeting the huge costs by taxing corporations and issuing bonds. Soon Long had become the absolute ruler of the state, in the process lifting Louisiana from near feudalism into the modern world almost overnight, and inspiring poor whites of the South to a vision of a better life. As Louisiana Senator and one of Roosevelt's most

vociferous critics, "The Kingfish," as he called himself, gained a nationwide following, forcing Roosevelt to turn his New Deal significantly to the left. But before he could progress farther, he was assassinated in Baton Rouge in 1935. Long's ultimate ambition, of course, was the presidency, and it was doubtless with this goal in mind that he wrote this

spirited and fascinating account of his life, an autobiography every bit as daring and controversial as was The Kingfish himself. A Novel Faber & Faber The first full and authoritative biography of an American—indeed a world-wide—musical and cultural legend "No one worked harder than B.B. No one inspired more up-and-coming artists. No one did more to spread the

gospel of the blues.”—President Barack Obama “He is without a doubt the most important artist the blues has ever produced.”—Eric Clapton Riley “Blues Boy” King (1925-2015) was born into deep poverty in Jim Crow Mississippi. Wrenched away from his sharecropper father, B.B. lost his mother at age ten, leaving him more or less alone. Music became his emancipation from

exhausting toil in the fields. Inspired by a local minister’s guitar and by the records of Blind Lemon Jefferson and T-Bone Walker, encouraged by his cousin, the established blues man Bukka White, B.B. taught his guitar to sing in the unique solo style that, along with his relentless work ethic and humanity, became his trademark. In turn, generations of artists claimed him as inspiration,

from Jimi Hendrix and Eric Clapton to Carlos Santana and the Edge. King of the Blues presents the vibrant life and times of a trailblazing giant. Witness to dark prejudice and lynching in his youth, B.B. performed incessantly (some 15,000 concerts in 90 countries over nearly 60 years)—in some real way his means of escaping his past. Several of his concerts, including his landmark gig at Chicago’s

Cook County Jail, endure in legend to this day. His career roller-coasted between adulation and relegation, but he always rose back up. At the same time, his story reveals the many ways record companies took advantage of artists, especially those of color. Daniel de Visé has interviewed almost every surviving member of B.B. King's inner circle—family, band

members, retainers, managers, and more—and their voices and memories enrich and enliven the life of this Mississippi blues titan, whom his contemporary Bobby "Blue" Bland simply called "the man." In the Service of the King (Mills & Boon Nocturne Bites) Da Capo Press A 17-year-old pirate captain INTENTIONALLY allows herself to get captured by enemy pirates in this thrilling

YA adventure from debut author Tricia Levenseller. *Elvis in the Army* Macmillan The Global Film Book is an accessible and entertaining exploration of the development of film as global industry and art form, written especially for students and introducing readers to the rich and varied cinematic landscape beyond Hollywood. Highlighting areas of

difference and similarity in film economies and audiences, as well as form, genre and narrative, this textbook considers a broad range of examples and up to date industry data from Europe, Africa, Asia, Australasia and Latin America. Author Roy Stafford combines detailed studies of indigenous film and television cultures with cross border, global and online

entertainment operations, including examples from Nollywood to Korean Cinema, via telenovelas and Nordic crime drama. The Global Film Book demonstrates a number of contrasting models of contemporary production, distribution and consumption of film worldwide, charting and analysing the past, present and potential futures for film throughout the world. The

book also provides students with: a series of exploratory pathways into film culture worldwide illuminating analyses and suggestions for further readings and viewing, alongside explanatory margin notes and case studies a user friendly text design, featuring over 120 colour images a dynamic and comprehensive blog, online at www.globalfilmstudies.com, providing updates and

extensions of case studies in the book and analysis of the latest developments in global film issues.

Every Man A King New Directions Publishing
What would it be like to become Idi Amin's personal physician? Giles Foden's bestselling thriller is the story of a young Scottish doctor drawn into the heart of the Ugandan dictator's surreal and brutal regime. Privy to Amin's

thoughts and ambitions, he is both fascinated and appalled. As Uganda plunges into civil chaos he realises action is imperative - but which way should he jump? *The King and the Cowboy* EP BOOKS
Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a

powerful narrative. *Genealogies. Driving the King* Harper Collins
A Tale of Two Monasteries takes an unprecedented look at one of the great rivalries of the Middle Ages and offers it as a revealing lens through which to view the intertwined histories of medieval England and France. This is the first book to systematically compare Westminster Abbey and the abbey of Saint-Denis--

two of the most important ecclesiastical institutions of the thirteenth century--and to do so through the lives and competing careers of the two men who ruled them, Richard de Ware of Westminster and Mathieu de Vendôme of Saint-Denis. Esteemed historian William Jordan weaves a breathtaking narrative of the social, cultural, and political history of the period. It was an age of

rebellion and crusades, of artistic and architectural innovation, of unprecedented political reform, and of frustrating international diplomacy--and Richard and Mathieu, in one way or another, played important roles in all these developments. Jordan traces their rise from obscure backgrounds to the highest ranks of political authority, Abbot Richard becoming royal treasurer of England,

and Abbot Mathieu twice serving as a regent of France during the crusades. By enabling us to understand the complex relationships the abbots and their rival institutions shared with each other and with the kings and social networks that supported and exploited them, *A Tale of Two Monasteries* paints a vivid portrait of medieval society and politics, and of the ambitious men who influenced

them so
profoundly.

gab and
soliloquize
with abandon.
Part drunken

boast, part soul-rending confession, part metaphysical poem on the nature of love and time, this astonishing novel (which unfolds in a single monumental sentence) shows why he has earned the admiration of such writers as Milan Kundera, John Banville, and Louise Erdrich. **King of None** Penguin The "unputdownable" (Dave Eggers, National Book award finalist) story of the most infamous

American con man you've never heard of: James Strang, self-proclaimed divine king of earth, heaven, and an island in Lake Michigan, "perfect for fans of *The Devil in the White City*" (Kirkus) A New York Times Book Review Editors' Choice Longlisted for the 2021 Andrew Carnegie Medal for Excellence in Nonfiction A Michigan Notable Book A CrimeReads Best True Crime Book of

the Year "A masterpiece." --Nathaniel Philbrick In the summer of 1843, James Strang, a charismatic young lawyer and avowed atheist, vanished from a rural town in New York. Months later he reappeared on the Midwestern frontier and converted to a burgeoning religious movement known as Mormonism. In the wake of the murder of the sect's leader, Joseph Smith, Strang unveiled a letter

purportedly from the prophet naming him successor, and persuaded hundreds of fellow converts to follow him to an island in Lake Michigan, where he declared himself a divine king. From this stronghold he controlled a fourth of the state of Michigan, establishing a pirate colony where he practiced plural marriage and perpetrated thefts,

corruption, and frauds of all kinds. Eventually, having run afoul of powerful enemies, including the American president, Strang was assassinated, an event that was frontpage news across the country. The King of Confidence tells this fascinating but largely forgotten story. Centering his narrative on this charlatan's turbulent twelve years in power, Miles Harvey

gets to the root of a timeless American original: the Confidence Man. Full of adventure, bad behavior, and insight into a crucial period of antebellum history, The King of Confidence brings us a compulsively readable account of one of the country's boldest con men and the boisterous era that allowed him to thrive. **I Served the King of England** Routledge Jesus rides

Toward the
end of the
year 1920 the
Government
of the United
States had
practically
completed the
programme,
adopted
during the last
months of
President
Winthrop's
administration
. The country
was
apparently
tranquil.

Everybody
knows how
the Tariff and
Labour
questions

were settled.
The war with
Germany,
incident on
that country's
seizure of the
Samoaan
Islands, had
left no visible
scars upon the
republic, and
the temporary
occupation of
Norfolk by the
invading army
had been
forgotten in
the joy over
repeated
naval
victories, and
the
subsequent
ridiculous
plight of
General Von
Gartenlaube's
forces in the
State of New
Jersey. The
Cuban and
Hawaiian

investments
had paid one
hundred per
cent and the
territory of
Samoa was
well worth its
cost as a
coaling
station. The
country was in
a superb state
of defence.
Every coast
city had been
well supplied
with land
fortifications;
the army
under the
parental eye
of the General
Staff,
organized
according to
the Prussian
system, had
been
increased to
300,000 men,
with a
territorial

reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently

we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had

swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had

been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and

Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual

centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal

Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

Anna and the King of Siam
The Church of Jesus Christ of Latter-day Saints
The first volume of a chronologically arranged collection of Martin Luther

King Jr.'s writings contains an introductory, biographical essay as well as annotated letters and documents that depict the origins of the leader's social consciousness .
