Wikipedia Scientists from the mid-nineteenth century have searched for the fossil remains of the "missing link" in evolution - the half-man, half-ape that would explain where mankind came from. But over the last century and a half, it has been the idea of what a missing link is that has evolved. Ape to Man (Video 2005) - IMDb The Man-Ape kidnapped Monica Lynne, the Black Panther's American girlfriend, and lured the Panther into captivity.
