## MORA SYDNEE

---

**Obligations** Lexis Law Publishing (Va)  
**Obligations: Contract Law** is a clear and concise textbook which covers a considerable amount of recent developments in the law, including the decision of the House of Lords in *Sirius International Insurance (Publ) v FAI General Insurance Ltd* (2004) on interpretation of commercial documents and *Jackson v Royal Bank of Scotland plc* (2005) on damages: loss of repeat orders.  
*The Law on Obligations and Contracts* Oxford University Press, USA  
 David Ibbetson exposes the historical layers beneath the modern rules and principles of contract,

tort, and unjust enrichment. Small-scale changes caused by lawyers exploiting procedural advantages in their clients' interest are described & analyzed.

**A Treatise on the Law of Obligations, Or Contracts** Rex Bookstore, Inc.

This student text deals with all important aspects of common law obligations. It is aimed at courses which draw out common themes between traditional tort and contract courses, as well as more conventional courses. The material is arranged into five sections: common law in context, principles of the law of obligations, remedies, negation of liability, and specific obligations. This edition takes account of recent legislative developments.
