There has been a terrible mistake.

Instead of having thirty classrooms side by side, Wayside School is thirty storeys high! (The builder said he was sorry.)

Perhaps that's why all sorts of strange and unusual things keep happening – especially in Mrs Jewls's classroom on the very top floor. There's the terrifying Mrs Gorf, who gets an unusually fruity comeuppance; Terrible Todd, who always gets sent home early; and Mauricia, who has a strange ice-cream addiction. Meanwhile, John can only read upside down, and Leslie is determined to sell her own toes. From top to bottom,

Wayside is packed with quirky and hilarious characters who are all brought to life in this new edition with delightful illustrations by Aleksei Bitskoff throughout. This is an unmissable, irrepressible story of mixed-up mayhem from Louis Sachar, the bestselling author of Holes.

This workbook provides exercises to help teach and build English vocabulary. It has been written both for students who are studying towards professional exams, and for those who want to improve their related communication skills. The material covers general and topic-specific vocabulary, as well as grammar and use of English, comprehension, pronunciation and

spelling.

Solutions 3e Upper-Intermediate Pack Component Houghton Mifflin Harcourt The Glencoe Vocabulary Builder program uses a systematic approach to building students vocabulary by presenting words in context or information about word parts to help students unlock word meanings independently, and by requiring students to apply their knowledge of new words in reading and writing exercises. Each book in the seven book series is designed for a specific reading level and features readings from the humanities, social studies, and sciences, vocabulary from Greek and Latin roots, assessment after each writing assignment, and a section on taking standardized tests! Vocabulary Builder is a research-based program and

is ideal for SAT/ACT preparation.
