BARRERA REILLY

Jimmy Corrigan Pantheon

Since the graphic novel rose to prominence half a century ago, it has become one of the fastest growing literary/artistic genres, generating interest from readers globally. The Cambridge Companion to the Graphic Novel examines the evolution of comic books into graphic novels and the distinct development of this art form both in America and around the world. This Companion also explores the diverse subgenres often associated with it, such as journalism, fiction, historical fiction, autobiography, biography, science fiction and fantasy. Leading scholars offer insights into graphic novel adaptations of prose works and the adaptation of graphic novels to films; analyses of outstanding graphic novels, like *Maus* and *The Walking Man*; an overview which distinguishes the international graphic novel from its American counterpart; and analyses of how the form works and what it teaches, making this book a key resource for scholars, graduate students and undergraduate students alike.

Imagine Wanting Only this Pantheon

Confessing his past to an unidentified woman, Doug struggles to recall an incident that may have involved his disturbed ex-girlfriend and her menacing ex-boyfriend, an effort that compels a search in a nightmarish alternate world.

New Orleans After the Deluge Titan Books (UK)

A commemorative edition of the classic work offers previously published and new comics, the Oscar-nominated screenplay, artist sketches, promotional memorabilia, cover art, and notes.

A Black Hole is Not a Hole Random House

"A compilation of the author's three previous graphic novels"--Provided by publisher.

Original Art Pantheon

"When Sabrina disappears, an airman in the U.S. Air Force is drawn into a web of suppositions, wild theories, and outright lies. Sabrina depicts a modern world devoid of personal interaction and responsibility, where relationships are stripped of intimacy through glowing computer screens. An indictment of our modern state, Drnaso contemplates the dangers of a fake news climate."--

Black Leopard, Red Wolf Drawn and Quarterly

The Hip-Hop Coloring Book is an original coloring book for all ages. The book features a selection of Mark 563's own illustrative takes on some of hip-hop's most important figures, ready to be

coloured in. The 64 pages are packed with legendary rappers from the East to the West coast, spanning the Golden Era through to today's rap superstars. A perfect gift for anyone interested in hip-hop and popular culture.

Beautiful Darkness Black Hole

Original Art: Daniel Clowes turns the spotlight on one of the medium's most dynamic creators. A vital entry of the Fantagraphics Studio Edition series, this volume draws from Clowes's nearly 30 years of comics art, ranging from his seminal one-man anthology, *Eightball* (in which *Ghost World* was originally serialized), to his most recent graphic novel, 2016's best-selling time travel thriller, *Patience*. The edition features over 150 pages of art from 1989-present, each reproduced as exact facsimiles of the original to best showcase every detail of the artist's cartooning process. The book also includes new covers, endpapers, and other surprises from Clowes, including five unpublished pages of an abandoned graphic novel and an illustrated glossary of obsolete production techniques used for their original publication. The book also includes several tipped-in pages of clear acetate and vellum to perfectly approximate some of these production processes, making this a one-of-a-kind art object. Carefully curated by the artist himself, many of these pages have hung in museums around the country, and now you can enjoy them in your own library.

Colder Volume 1 Pantheon

Set against the tumultuous political backdrop of late '60s Chicago, *My Favorite Thing Is Monsters* is the fictional graphic diary of 10-year-old Karen Reyes, filled with B-movie horror and pulp monster magazines iconography. Karen Reyes tries to solve the murder of her enigmatic upstairs neighbor, Anka Silverberg, a holocaust survivor, while the interconnected stories of those around her unfold. When Karen's investigation takes us back to Anka's life in Nazi Germany, the reader discovers how the personal, the political, the past, and the present converge.

Book 1 First Second

Skin Deep is the third (following *El Borbah* and *Big Baby*) of a hardcover series of four volumes reprinting his acclaimed oeuvre up to his current project, the ongoing *Black Hole* comic book series. *Skin Deep* includes Burns' popular character, Dog Boy, a red-blooded All-American boy with the transplanted heart of a dog, which was turned into a live action segment on MTV's *Liquid Television* series; new covers and endpapers; as well as several pages of new illustrations from his sketchbooks, as well as covers and other drawings from foreign editions of his work.

The Cambridge Companion to the Graphic Novel Pantheon

Since his inception in 1938, Superman has become an American icon. Now acclaimed writer Steven T Seagle (*Superman*, *Grendel*) teams up with renowned painter Teddy Kristiansen (*Superman*) to present a fresh look at the entire Superman mythos. Offered the chance to chronicle the world's most famous hero, Steve's professional life has never looked brighter. His personal life, however, has taken a turn for the worse: his father has gone missing, his mother is very worried and a grim family secret - a fatal genetic disease - has re-entered his life. In the real world, where not all diseases have cures, where the only Superman is ink on paper, who will come to save the day?

BodyWorld Dark Horse Books

As Doug's journey reaches its end, he must learn to deal with the lie he's been telling himself since he set out.

El Borbah Fantagraphics Books

Since 2000, master cartoonist Charles Burns has been self-publishing a secret, handmade sketchbook zine titled *Free S**t*, exclusively for friends and VIPs. For the first time, Burns has compiled all twenty-five issues into a single pocket-sized volume for all of his fans to enjoy. Featuring finished drawings, rough sketches, process pieces, and more, the book is a revealing behind-the-scenes look at how characters and motifs in acclaimed works like *Black Hole* and *Last Look* have evolved.

The Frank Book Fantagraphics Books

One of TIME's 100 Best Fantasy Books of All Time Winner of the L.A. Times Ray Bradbury Prize Finalist for the 2019 National Book Award The New York Times Bestseller Named a Best Book of

2019 by The Wall Street Journal, TIME, NPR, GQ, Vogue, and The Washington Post "A fantasy world as well-realized as anything Tolkien made." --Neil Gaiman "Gripping, action-packed....The literary equivalent of a Marvel Comics universe." --Michiko Kakutani, The New York Times The epic novel from the Man Booker Prize-winning author of *A Brief History of Seven Killings* In the stunning first novel in Marlon James's *Dark Star* trilogy, myth, fantasy, and history come together to explore what happens when a mercenary is hired to find a missing child. Tracker is known far and wide for his skills as a hunter: "He has a nose," people say. Engaged to track down a mysterious boy who disappeared three years earlier, Tracker breaks his own rule of always working alone when he finds himself part of a group that comes together to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape-shifting man-animal known as Leopard. As Tracker follows the boy's scent--from one ancient city to another; into dense forests and across deep rivers--he and the band are set upon by creatures intent on destroying them. As he struggles to survive, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep Tracker from finding him? And perhaps the most important questions of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a novel unlike anything that's come before it: a saga of breathtaking adventure that's also an ambitious, involving read. Defying categorization and full of unforgettable characters, *Black Leopard, Red Wolf* is both surprising and profound as it explores the fundamentals of truth, the limits of power, and our need to understand them both.

Updated Edition Fantagraphics Books

Set in a suburb that is both nowhere and everywhere, *King of the Flies* combines the intricacy and subtlety of the best European graphic novels with a hyperdetailed, controlled noir style derived from the finest American cartoonists. *Mezzo* and *Pirus*, previously best known in Europe for a series of cynical, brutal gangster stories, but for the most part, they've internalized the violence in *King of the Flies*. The book first appears to be a series of unrelated short stories, each starring (and narrated by) a different protagonist, but it soon becomes obvious that these seemingly disparate episodes weave together to form a single complex narrative, with events that are only glimpsed (or even referred to) revisited from different perspectives - revolving around Eric, a ne'er-do-well, drug-taking teenager at war with his stepfather and, apparently, the whole world. (He is the titular King.) The comics-reader's appetite has been whetted for such books by Gipi's acclaimed *Notes for a War Story*, about teenagers running wild in Italy as a war shakes loose the social order; David Lapham's Eisner-winning noir opus, *Stray Bullets*, which has a similar story structure, and, of course, Charles Burns' smash hit teenage dystopia, *Black Hole*.

A True Story Pantheon

These legendary stories, from the classic first fifteen issues of Bagge's *Hate* comic, are a defining

icon of Seattle's early 1990s culture, as well as Generation X in general. This is the first time these hilarious stories, starring the hapless Buddy Bradley and his cast of loser cohorts, have ever been available under one cover, and never have they been available at such a low price! Bagge's riotous tales of the early 1990s subculture are more hilarious now than ever, and find out why he has been praised by R. Crumb, Matt Groening, John Kricfalusi, *Publishers Weekly*, *Entertainment Weekly* and many more as a comedy genius.

Breakdowns Charlesbridge Publishing

The bizarre and fantastic adventures of Clay Loudermilk as he stumbles upon the mysteries behind a snuff film and becomes involved with increasingly bizarre characters should appeal to David Lynch fans. Adult.

X'ed Out Pantheon

Doug's strange night begins when he is awoken by a strange buzzing noise and opens his eyes to find his beloved--but dead--cat Inky climbing through a hole in the wall and beckoning Doug to follow.

Pantheon

Uses graphic novel format to depict the events of Hurricane Katrina through six true stories of New Orleanians who survived the storm, including Denise, who experienced the chaos of the Superdome, and a doctor whose French Quarter home was unscathed.

Black Hole Pantheon

A black hole isn't really a hole . . . is it? Get ready to S-T-R-E-T-C-H your mind with this beloved and best-selling science book. Updated with an all-new chapter about the first black-hole image ever! What are black holes, what causes them, and how the heck did scientists discover them?

Acclaimed STEM writer Carolyn DeCristofano's playful text shares how astronomers find black holes, introduces our nearest black-hole neighbors, and provides an excellent introduction to an extremely complex scientific topic. Gorgeous space paintings supplement real telescopic images, and funny doodles and speech bubbles keep the content light and fun.

Like a Velvet Glove Cast in Iron Dokument Forlag

Sherwood and Orson should never have gone into that cave. That day, a door was opened from our world into a dark and profane realm...and earth's destiny was changed forever. In this demented future, whatever life remains on earth is oppressed by the evil shadowmen. Only a gang of ruthless and powerful children called the Wrenchies can hope to stand against them. When Hollis, a lonely boy from our world, is magically given access to the future world of the Wrenchies, he finally finds a place he belongs. But it is not an easy world to live in, and Hollis's quest is bigger than he ever dreamed of. Farel Dalrymple brings his literary and artistic powers to bear in this sprawling science fiction graphic novel about regret, obsession, and the uncertainty of growing up.
