Masonic Pub Limited
This is one of the most
successful Masonic
Publications in recent
times due to the

immense knowledge of the late Harry Carr and his entertaining writing style. If you enjoy your masonry then this book will bring a new delight to all that you see and hear in lodge. When Harry Carr became secretary and editor of the Quatuor Coronati Lodge of Research, the answering of lodge questions became a major part of his duties. In a style that became a hall mark of all his masonic writing, he always answered a little more than the original question. In response to hundreds of requests from all over the world, the answers he gave to questions during his twelve years office as editor of Quatuor Coronati Transactions have been collected together in this book. Only the best and most

interesting subjects are included and every question will be relevant to most brethren in the course of their work in the lodge ? hence the title The Freemason at Work This book was substantially revised by Frederick Smyth, the eminent Masonic author and Past Master of Quatuor Coronati Lodge, in 1992; bringing the text right up-to-date for much had change since the book was first published in 1976. This is a book to be treasured, one that will provide a wealth of knowledge in an easy to read style. A collection of more than 200 questions with comprehensive answers to all manner of masonic subjects. Masonic Biography and Dictionary Tubal-Cain The Ancient Masonic

Blacksmith God
As it is with many things in life, when we have achieved the end goal, the diploma, the last degree, there arises the question, "Now what?" For the young Master Mason who is looking to make his mark in the Fraternity, this book is intended to answer the question, "Now what?" Lodge Leadership starts Masons, young and old, on the quest of becoming a better leader. Detailed in the book is a five step program to help members prepare and execute the skills of an excellent leader. The five step program starts with the investigation. Brother Nelson explains some of the best methods used to execute a productive investigation. Then

Nelson presents the importance of being a mentor and clarifies ways to do it. He challenges readers to learn the ritual with exactness and to study the code. Each of these four chapters ends with three challenges to the reader to help implement what they have read, thereby refining their skills as a leader. The fifth step to Nelson's Masonic Reform is leadership. Nelson details preparations, growth and maturity of leadership and how the reader can best serve and grow as a leader of their Lodge. Again Nelson sets forth challenges to the reader to help prepare them for leadership within, as well as without, their own Lodge. Finally, Nelson concludes with

sobering challenges and encourages the reader to question their motives and desires to lead. Speaking plainly, Nelson shows how we often allow for personal treason in our lives, and how narcissism has crept into the order of the Freemasons. Nelson has accomplished a raw guide to Masonic reform. Re-affirming the importance of learning and study in Freemasonry, Nelson makes the very important point that it is ultimately the responsibility of the individual Mason to transform the leadership of the fraternity and propel the Freemasons into the new era.

Education By Degrees AuthorHouse
 "The purpose of this

work is not so much to gratify the curiosity of the uninitiated as to furnish a guide for the neophytes of the Order, by means of which their progress from grade to grade may be facilitated. Every statement in the book is authentic, as every proficient Mason will admit to himself, if not to be public, as he turns over its pages. The non-Masonic reader, as he peruses them, will perhaps be puzzled to imagine why matters of so little real importance to society at large should have been so industriously concealed for centuries, and still more surprised that society should have been so extremely inquisitive about them."-From the Preface.

The Secret Societies

of All Ages and Countries [volume 2]

AuthorHouse

This work explains the true nature of Freemasonry, why it maintains such secrecy and why it has such an influence upon its members.

A Five Step Guide to Masonic Reform

Lulu.com

The real purpose of this research is the exploration of the Bible and its many African hidden secrets. The use of Tubal Cain in Masonic ritual is derived from the old legends of the craft by the operative and then speculative masons; it refers symbolically but historically to his scriptural and traditional reputation as an artificer. Tubal Cain is the 8th man from Adam. In the bible it mentions that Tubal-

Cain was the first to manipulate metal. He is quoted as being the first instructor of brass and iron. this Pamphlet will break down and analyze the symbolism behind this sacred password.

The highly readable chapters of this book delve into the history, symbolism and teachings of Freemasonry, enlivened with personal reminiscences and humour.

Secrets of the Lodge

Everyone remembers that "mean girl" from high school - she was

gorgeous, perfectly proportioned, perfectly poised, and perfectly nasty to the rest of us. What most women know but rarely speak about is that the mean girls in high school grow-up to become mean women. While the battlegrounds used to be the school cafeteria or the gym, we grow-up to face mean women at the supermarket, the soccer field, PTA meetings and office parties. The grown-up mean girl may look like a goddess on the surface, but underneath all the layers of expertly applied make-up, designer clothes and disingenuous smile lies a beast lurking, always at the ready to slice and dice other women's self-esteem and dreams. Ten

Things I Still Hate About Those Women gives a voice to the rest of womankind and empowers each of us to fight back against the goddess in our midst.

Ronayne's Handbook of Freemasonry

Timeless Masonic education by Albert Mackey. A lexicon of Freemasonry containing a definition of all its communicable terms, notices of its history, traditions, and antiquities, and an account of all the Rites and mysteries of the ancient world. This is a necessary part of any Masonic education program. Photographic reproduction of the 1860 classic edition. Contemporary foreword by Michael R. Poll.
