Evan Penny makes the kind of sculpture that is so realistic, so detailed and so obviously a display of skill that it literally stops people in their tracks. But this alone isn't why the artist's work grabs a viewer, holds onto their gaze and then begins to choreograph their movements around the solid objects he has planted in their space. Penny's standing nude figures and portrait heads invite you to

stare, to examine every wrinkle, bump, fleshy imperfection and intimate crevasse. Penny's lifelike figures, modelled with great craftsmanship out of aluminium, silicone, epoxy resin and pigments, have a physical, highly sensuous presence. Nevertheless, they seem artificial. The work reflects on how the human image is presented by modern technologies such as photography, electronic image editing, offset printing and 3D scanning. English, German and Italian text.

The Spirit of Utopia UN

It's 1989 and, whenever he isn't hanging out in the local bars, Herr Lehmann lives

entirely free of responsibility in the bohemian Berlin district of Kreuzberg. Through years of judicious sidestepping and heroic indolence, this barman has successfully avoided the demands of parents, landlords, neighbours and women. But suddenly one unforeseen incident after another seems to threaten his idyllic and rather peaceable existence. He has an encounter with a decidedly unfriendly dog, his parents threaten to descend on Berlin from the provinces, and he meets a dangerously attractive woman who throws his emotional life into confusion. Berlin Blues is a richly entertaining evocation of life in the city and a classic of modern-day decadence.

A Midsummer Tights Dream Harper Collins

Aristotle's zoological writings with their wealth of detailed investigations on diverse species of animals have fascinated medieval and Renaissance culture. This volume explores how these texts have been read in various traditions (Arabic, Hebrew, Latin), and how they have been incorporated in different genres (in philosophical and scientific treatises, in florilegia and encyclopedias, in theological symbolism, in moral allegories, and in manuscript illustrations). This multidisciplinary and multilinguistic approach highlights

substantial aspects of Aristotle's animals.

Perfect for fans of Marissa Meyer's *The Lunar Chronicles* and Marie Lu's *Legend* series, Amelia Kahaney's *The Brokenhearted* is a gorgeous, gritty, and imaginative take on the superhero story. Anthem Fleet, talented ballerina and heir to the Fleet fortune, has always been closely guarded by her parents in their penthouse apartment. Lured by the handsome and dangerous Gavin, Anthem is drawn into the dark and exhilarating world on the wrong side of town. But when the couple runs into trouble, Gavin goes missing and Anthem winds up dead . . . only to awaken in an underground lab with a bionic heart

ticking in her chest. Now she can run faster, jump higher, fight better. But the only thing that matters to her is getting Gavin back. And when she uncovers the sinister truth behind those she trusted the most, she is determined to use her newfound powers for the ultimate revenge. Set in the ruined fictional landscape of Bedlam, a Gotham-like city, this tale of heartbreak and revenge is both gripping and cinematic.

Louise Rennison, nationally bestselling author of the Confessions of Georgia Nicolson series, returns with another hilarious adventure starring Georgia's cousin Tallulah Casey. In *A Midsummer Tights Dream*, Tallulah's second great (mis)adventure, things are starting to

look up for the budding star. She has been officially admitted to the Dother Hall performing arts program in Yorkshire. Her corks have done some developing since last term. And she's picked up some advice on snogging from dear old Georgia. So she's ready to return to the stage—and face her crushes again. But Tallulah will have more than boy drama to deal with. This term's project is Shakespeare's *A Midsummer Night's Dream*, and Tallulah has been cast as Bottom, the fool who spends most of the play with the head of a donkey. Even worse, if the show isn't a complete success, the school won't have enough money to stay open for another year.

"The actor will do, in public, what is considered impossible." When the renowned Polish director Jerzy Grotowski began his 1967 American workshop with these words, his students were stunned. But within four weeks they themselves

had experienced the "impossible." In *An Acrobat of the Heart*, teacher-director-playwright Stephen Wangh reveals how Jerzy Grotowski's physical exercises can open a pathway to the actor's inner creativity. Drawing on Grotowski's insights and on the work of Stanislavski, Uta Hagen, and others, Wangh bridges the gap between rigorous physical training and practical scene and character technique. Wangh's students give candid descriptions of their struggles and breakthroughs, demonstrating how to transform these remarkable lessons into a personal journey of artistic growth. Courageous and compelling, *An Acrobat of the Heart* is an invaluable resource for actors, directors, and teachers alike.

Aufsätze und Mitteilungen Longman
This is the first book to address formulaic language directly and provide a foundation of knowledge for graduates and researchers in early stages of study of this important language phenomenon.

It is also suitable for students of linguistics, applied linguistics, and language teacher education. The information that currently exists is scattered throughout articles and book chapters across a range of subfields of linguistics and applied linguistics. Over the past few decades there has been a steadily increasing interest and research focus on the phenomenon of formulaic language in the fields of linguistics and applied linguistics. Slowly, a consistent definition has emerged, centring around the idea that formulaic sequences are multi-word units with specific meanings or functions, and some evidence points to their being processed mentally as wholes. Researchers from diverse backgrounds have identified the nature and roles of formulaic sequences in

language acquisition and production, in the construction of text and discourse, in spoken and written language, and in language teaching. The increasing volume, diversity, and complexity of the state of knowledge about this emerging area of study is marshalled by this intelligent and well-written book.

Destined to become a market classic, *Dynamic Hedging* is the only practical reference in exotic options hedging and arbitrage for professional traders and money managers. Watch the professionals. From central banks to brokerages to multinationals,

institutional investors are flocking to a new generation of exotic and complex options contracts and derivatives. But the promise of ever larger profits also creates the potential for catastrophic trading losses. Now more than ever, the key to trading derivatives lies in implementing preventive risk management techniques that plan for and avoid these appalling downturns. Unlike other books that offer risk management for corporate treasurers, *Dynamic Hedging* targets the real-world needs of professional traders and money managers. Written by a leading options trader and derivatives risk advisor to global banks and exchanges, this book provides a practical, real-world methodology for monitoring and managing all the risks associated with

portfolio management. Nassim Nicholas Taleb is the founder of Empirica Capital LLC, a hedge fund operator, and a fellow at the Courant Institute of Mathematical Sciences of New York University. He has held a variety of senior derivative trading positions in New York and London and worked as an independent floor trader in Chicago. Dr. Taleb was inducted in February 2001 in the Derivatives Strategy Hall of Fame. He received an MBA from the Wharton School and a Ph.D. from University Paris-Dauphine.

Erotica Romana - Johann Wolfgang von Goethe - The Roman Elegies (originally published under the title *Erotica Romana* in Germany, later *Römische Elegien*) is a cycle of twenty-four poems by Johann Wolfgang von Goethe. They reflect Goethe's Italian Journey from 1786 to 1788 and celebrate the sensuality and vigour of Italian and Classical culture. Written mainly after his return to Weimar, they contain poems on many sexual themes, and four of them were suppressed from publication during Goethe's lifetime due to fears of censorship; they were only published in 1914, together with a large body of the Venetian Epigrams, written during his second, shorter travel to Italy in 1790. The elegies are also a loving tribute to

Goethe's companion, Christiane Vulpius, whom he met in 1788 on his return from Italy. Johann Wolfgang von Goethe (28 August 1749 – 22 March 1832) was a German writer and statesman. His works include: four novels; epic and lyric poetry; prose and verse dramas; memoirs; an autobiography; literary and aesthetic criticism; and treatises on botany, anatomy, and colour. In addition, numerous literary and scientific fragments, more than 10,000 letters, and nearly 3,000 drawings by him have survived.
