'This is excellent, jam-packed with very good activities that students really enjoy.' - Gill Clayton in NATE Classroom, Spring 2007. If you are looking for a full colour students resource which provides thorough coverage of the AQA specification, look no further than GCSE Media Studies for AQA.

Specifically written to prepare students for the AQA controlled test and coursework folder, it will provide students with a unique understanding of and engagement with GCSE Media Studies. The introduction outlines the contents of the AQA specification in student friendly language. Gives students a thorough understanding of the key concepts. Provides detailed guidance on pre-production, practical production and the supporting account for their coursework folder. Integrated with MediaStage, allowing students to learn about, and practise, essential media skills and

techniques.

This book supports students preparing for the AQA GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam board to ensure that the papers as a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically

forget under the pressure of an exam. Solutions provided have been reviewed by many students to ensure that they are easily understandable while being the fastest and most re-applicable.
