A Festive Alleluia Alfred Music
Mattie Stepanek began writing poetry and short stories at the age of three. Some of his poetry explores the uncensored reality of living with a rare form of muscular dystrophy and with the grief associated with the loss of his three siblings to the same life-threatening condition. But most of his poems proclaim the innocent hope, profound wisdom, and delightful humor of childhood.

Richard Simm adds to his successful series of two piano works this wonderful arrangement of a beloved Baroque masterpiece. The piano parts are equal in difficulty and use of the familiar theme, and both lay easily under the hands. The ensemble between instruments is also easily achieved. Sure to be a favorite of students and two piano teams! A Federation Festivals 2020-2024 selection.

Captivating syncopations, mixed meters, and rhythmic vitality spark this refreshing work that incorporated both Latin and English lyrics. This joyous minor-mode piece is effective for concert and festival use and is also a fantastic choice for an opening number.

Voice for Life London : A.R. Mowbray
This beautiful piano and organ duet arrangement by E. Power Biggs of one Bach's most enduring and inspiring pieces is easily playable by most church pianists and organists. The pianist will usually be playing the triplet figure, with the organist playing the chordal harmonies and the cantus firmus, however the roles are occasionally reversed, adding variety and interest. This is a perfect choice for performance or just for setting the mood for services and is a must for the church musician's library. Two copies included. Federation Festivals 2011-2013 selection.

What choral conductor or soloist has not looked around for new ideas for warming up the voice? Here are 200 suggestions all at once! And these creative exercises do more than just warm up the voice: they help to relax the body, train the ear and develop an awareness of dynamics and rhythm. "Klaus Heizmann's collection is a wonderful new resource of ideas and techniques: practical, varied, challenging, relaxing and stimulating. I am always looking for new ideas, as I

like to use a different set of warm-ups at every rehearsal with my choirs, and I tend to choose specific exercises to suit the repertoire for the day. This collection gives us 200 excellent "tools-of-the-trade"; they are clearly labeled, intelligently set out, well-designed and extremely useful." (Simon Carrington, Director of Choral Activities, New England Conservatory since 2001; Director of Choral Activities, The University of Kansas 1994-2001; Founder and co-director of the King's Singers 1968-1993)

Thinking of the text from the *Dies frae* (S. Matthew, XXV, 40). It is also probable that this other Saint Francis, partly out of admiration for his illustrious compatriot of Assisi and partly from a compelling urge to be superlative in all things, chose the title in opposition to the Franciscans, the *Fratres Minori*, I who had previously adopted this style taken from Saint Matthew, XXIII, 8. The title "Minim" was confirmed in these words " ... eosque Eremitos Ordinis Minimorum Fratrum Eremitarum F. Francisci de Paula in posterum nuncupari," taken from the Papal Bull, *Meritibus religiosae vitae*, of 26 February, 1493. The earliest reference to the Order in France is in a fragment preserved in the *Bibliothèque de l' Arsenal* called, *La règle et vie de Frere Franfois, pauvre et humble hermite de Paule, laquelle donne a tous ses 2 freres voulant entrer et vivre en son ordre*. The dating of this manuscript should be accepted with considerable reserve; it bears a clearly legible "1474," although it seems most unlikely that any reference to an Order occurred before the Bull of 1493 or that any Rule appeared in French before the Founder's

visit to Louis XI in 1483. 3 The fame of Francis and his reputation as a "guerisseur" had reached the French court where Louis XI was sick and dying; the King summoned him to the chateau of Le Plessis-les-Tours, but it required the intervention of the Pope to make the hermit undertake the journey

The Bible in Music Keyboard Ensemble

There have been numerous publications in the last decades on the Bible in literature, film, and art. But until now, no reference work has yet appeared on the Bible as it appears in Western music. In *The Bible in Music: A Dictionary of Songs, Works, and More*, scholars Siobhán Dowling Long and John F. A. Sawyer correct this gap in Biblical reference literature, providing for the first time a convenient guide to musical interpretations of the Bible. Alongside examples of classical music from the Middle Ages through modern times, Dowling Long and Sawyer also bring attention to the Bible's impact on popular culture with numerous entries on hymns, spirituals, musicals, film music, and contemporary popular music. Each entry contains essential information about the original context of the work (date, composer, etc.) and, where relevant, its afterlife in literature, film, politics, and liturgy. It includes an index of biblical references and an index of biblical names, as well as a detailed timeline that brings to the fore key events, works, and publications, placing them in their historical context. There is also a bibliography, a glossary of technical terms, and an index of artists, authors, and composers. *The Bible in Music* will fascinate anyone familiar with the Bible, but it is also designed to encourage choirs, musicians, musicologists, lecturers, teachers, and students of music and religious

education to discover and perform some less well-known pieces, as well as helping them to listen to familiar music with a fresh awareness of what it is about.

Carols for Choirs Alfred Music
This gentle yet uplifting carol was commissioned for the Choir of Kings College, Cambridge, and was first performed during the 2012 Festival of Nine Lessons and Carols. Rutter's gift for melody is in evidence throughout the work, with a sense of hushed awe leading to moments of glorious optimism. The text, written by the composer, is inspired by the fifteenth-century Corpus Christi Carol.

This book is about WAR—not the causes and results, not the planning and the campaigns, not the artillery and the bombs. It is about the heinous crimes committed by the combatants, the horrifying experiences of civilians, the devastation of cities and villages, the killing and the dying, the glory leading to revulsion and guilt, and the assimilation of suffering that either ends in death or in the triumph of the soul. It looks at the struggle of the church to remain faithful and the servants of the church who seek to bring sense and solace to the victims. It discusses antisemitism, racism, and war itself from biblical perspectives. It reveals the unjustifiable reasons for engaging in war and how this brings catastrophic results for all peoples—the mental instability of the survivors and the loss and grief of those on the home

front. In war, how can men and women carry out the actions that they do? As Viktor Frankl writes: "After all, man is that being who has invented the gas chambers of Auschwitz; however, he is also that being who has entered those gas chambers upright, with the Lord's Prayer or the Shema Yisrael on his lips."
Heartsongs Delphi Classics

Sound Advice is a valuable resource for college students, beginning teachers, and experienced conductors of children's choirs. It covers the vast array of skills needed by today's conductor and will benefit all choir directors who want their choirs to reach a higher level of artistry. This book will be useful on many levels: for the college student studying the child voice and elementary teaching methods; for the teacher beginning to direct choirs in schools, synagogues, churches and communities; for experienced children's choir directors who wish to know more about orchestral repertoire for treble voices, conducting an orchestra, and preparing a children's choir to sing a major work with a professional

orchestra. The underlying educational philosophy is sound; the author sees development of musicianship through singing as the primary goal of a children's choir program. This philosophy differs dramatically from the traditional concept of the conductor as all-knowing and the singers as receptacles. An outstanding aspect of the book is how the author leads the reader to an understanding of how to teach musicianship. Developing literacy in the choral setting is a mysterious, amorphous process to many conductors, but the author clearly outlines this important process with practical suggestions, well-documented examples, and a clear reading style which will reach readers on many levels. The comprehensive repertoire, skill-building sheets, and programs for all types of children's choirs will provide teachers with immediate and highly valuable resources.

Portions of this stunning setting of the Mass are already well-known. Using the previously composed Kyrie, Festival Sanctus and Agnus Dei as pivotal points, John's powerful settings of the Gloria and Credo round out the Mass setting with strength and dignity. A wonderful addition to any school or church library. Perform with piano accompaniment or chamber orchestra.
