Best of Belwin Jazz: First Year Charts Collection for Jazz Ensemble - 1st E-flat Alto Saxophone Alfred Music

These beginning to advanced jazz guitar ensembles are written for four and five guitars by some of the best guitar ensemble arrangers in the business. Arrangers include, Barry Greene, Dave Frackenpohl, Steve Schenkel, Andrian Ingram, and Chris Buzzelli. Not only are these fine performance pieces for ensembles, they are good material for sight-reading. These graded volumes follow Mel Bay's guitar grading system. Each chart in all three levels offers students the opportunity to improvise with rhythm guitar and, in some cases, background figures. Level II increases in difficulty in each category and explores upper regions of the fretboard; perfect material for high school level or beginning college ensembles. Each volume contains five pieces for the price of what one ensemble piece usually costs.

First Year Charts Collection for Jazz Ensemble Mel Bay Publications

12 outstanding arrangements for the beginning jazz ensemble written by experienced educational arrangers and composers. A variety of styles and tempos are included: swing, ballads, rock, pop, holiday, Latin and a great warm-up chart titled "Loosen Up." This collection of charts is written for full instrumentation of 5 saxophones, 3 trumpets, 3 trombones, and 4 rhythm, but designed to sound full and complete with reduced instrumentation of just nine players - 2 Alto Saxes, Tenor Sax, 2 Trumpets, Trombone, Piano, Bass and Drums. Optional parts are available for C Flute, Tuba (doubles

Bass part), Horn in F (doubles 1st Trombone), and Baritone Horn T.C. (doubles 1st Trombone). Rhythm section parts offer suggestions for voicings and rhythms and guitar chord frames are included to assist young guitarists. Solos are written out for improvised sections and there is plenty of full sounding ensemble. Conductor's book includes a full length CD recording. Titles are: Chattanooga Choo Choo * El Gato Gordo * James Bond Theme * A Jazzy Merry Christmas * The Judge * Li'l Darlin' * Loosen Up * One O'Clock Jump * Over the Rainbow * Peter Gunn Theme * The Pink Panther * Rock This Town.

Modern Jazz Guitar Ensemble Alfred Music

Information needed to function within a jazz band. It is important to understand that while jazz is played on the same instruments as other types of music, it has its own language. This book deals with specific jazz idioms: swing, shuffle, bebop and Latin. A basic working knowledge of the guitar through rock, blues, or folk music, (including barre chords), will produce gratifying results. Knowledge of the note locations on all strings, (especially the E and A strings) and a working understanding of the relationship of all the notes on the various strings will make the information in this book immediately accessible. The book also provides information on how to interpret a jazz chart. The clarity and insight of this method, makes it a must have for any big band performer.

Original Big Band Sounds Alfred Music

Playing Guitar in Jazz Band is for beginning to intermediate guitarists who are interested in playing in a jazz big band. Playing this style of guitar can be challenging, as the chord changes are often complex, yet the guitar parts should remain simple enough to avoid detracting from the overall sound of the band. This book breaks down that process by substituting difficult chord shapes with more flexible voicings that are designed to sound good on the guitar. Learn a wide variety of rhythmic patterns and work with authentic chord charts that are exactly like the ones you will encounter in real-life situations. This is the perfect crash course for students who have just joined their first jazz band and the ideal companion for music teachers who want to better understand the role of the guitar in their ensemble. A CD demonstrating the examples from the book is included.

Written by an experienced and diverse lineup of veteran jazz educators, Teaching School Jazz presents a comprehensive approach to teaching beginning through high school-level jazz. Thoroughly grounded in the latest research, chapters are supported by case studies woven into the narrative. The book therefore provides not only a wealth of school jazz teaching strategies but also the perspectives and principles from which they are derived. The book opens with a philosophical foundation to describe the current landscape of school jazz education. Readers are introduced to two expert school jazz educators who offer differing perspectives on the subject. The book concludes with an appendix of recommended audio, visual, digital, and written resources for teaching jazz. Accompanied by a website of playing exercises and audio examples, the book is invaluable resource for pre- and in-service music educators with no prior jazz experience, as well as those who wish to expand their knowledge of jazz performance practice and pedagogy.
