Health

Psychology

Taylor 8th

EditionThe

eighth edition

of Health

Psychology

highlights

health issues

that face the

college

student and

his or her

family through

both

accessible

research

examples and

profiles of

interventions.

Drawing on

current,

cutting-edge

research, the

text highlights

health issues

relevant to the

college

student's

immediate

and global

environment

such as

coping with

stress,

maintaining

physical

health, and

...Health

Psychology

8th Edition -

amazon.comT

his edition

contains clear

descriptions of

current

research into

the

prevention,

treatment,

and causes

(social,

genetic, and

biological) of

specific health

related

disorders.
