Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Today, September 14, at three o'clock in the afternoon, in mild, gray, and rainy weather, I have entered upon my new place. It is the twelfth in two years. Of course I say nothing of the places which I held in previous years. It would be impossible for me to count them. Ah! I can boast of having seen interiors and faces, and dirty souls. And the end is not yet. Judging from the really

extraordinary and dizzy way in which I have rolled, here and there, successively, from houses to employment-bureaus, and from employment-bureaus to houses, from the Bois de Boulogne to the Bastille, from the Observatory to Montmartre, from the Ternes to the Gobelins, everywhere, without ever succeeding in establishing myself anywhere, the masters in these days must be hard to please. It is incredible.

De Lempicka stood at the center of the sophisticated Paris art world of the 1920s and 30s. Her love for beautiful women, elegant automobiles, and the modern metropolis provided not only motifs for her pictures, but also influenced her artistic style. She pioneered a new image of life on the screen, evident in the new, self-confident woman and the changing aspects of femininity and masculinity.

Motion Picture Production Encyclopedia Ballantine Books

"The Calvary" is a largely autobiographical novel, in which Mirbeau romanticizes his devastating affair with a woman of dubious morals, Judith Vinmer, who appears as "Juliette Roux" in the novel. The story is narrated in the first person by the main character, the antihero Jean Mintie, who has literary ambition and the potential to become a good writer, is incapable of overcoming his sexual obsessions. Victimized by a woman and reduced to a

state of humiliated impotence, he tries to transform his suffering into an impulse to create. His redemptive passion is modeled on the Passion of Christ. "The Torture Garden" begins with material stemming from articles on the 'Law of Murder' discussed in the "Frontispiece" ("The Manuscript"). Clara is a sadist and hysteric, who delights in witnessing flayings, crucifixions and numerous tortures, all done in beautifully laid out and groomed gardens, and explaining the beauty of torture to her companion—the narrator. Her hysterical orgasm and resulting exhaustion is a curious exploration of pain and pleasure and made this novel a truly erotic BDSM masterpiece! "The Diary of a Chambermaid" presents itself as the diary of Mademoiselle Célestine R., the chambermaid. Her first employer fetishizes her boots, and she later discovers the elderly man dead, with one of her boots stuffed into his mouth. Later on, Célestine becomes the maid of an upper class couple, Lanlaire, and is perfectly aware that she is entangled in the power struggles of their marriage. Célestine ends by becoming a café hostess, who mistreats her servants in turn.

In this masterful and often surprising sequel to the acclaimed Duane's *Depressed*, the Pulitzer Prize- and Oscar-winning author of *Lonesome Dove* has written a haunting, elegiac, and occasionally erotic novel about one of his most beloved characters. Duane Moore first made his appearance in *The Last Picture Show* and, like his author, he has aged but not lost his vigor or his taste for life. Back from a two-week trip to Egypt, Duane finds he cannot readjust to life in Thalia, the small, dusty, West Texas hometown in which he has spent all of his life. In the

short time he was away, it seems that everything has changed alarmingly. His office barely has a reason to exist now that his son Dickie is running the company from Wichita Falls, his lifelong friends seem to have suddenly grown old, his familiar hangout, once a good old-fashioned convenience store, has been transformed into an "Asian Wonder Deli," his daughters seem to have taken leave of their senses and moved on to new and strange lives, and his own health is at serious risk. It's as if Duane cannot find any solace or familiarity in Thalia and cannot even bring himself to revisit the house he shared for decades with his late wife, Karla, and their children and grandchildren. He spends his days aimlessly riding his bicycle (already a sign of serious eccentricity in West Texas) and living in his cabin outside town. The more he tries to get back to the rhythm of his old life, the more he realizes that he should have left Thalia long ago—indeed everybody he cared for seems to have moved on without him, to new lives or to death. The only consolation is meeting the young, attractive geologist, Annie Cameron, whom Dickie has hired to work out of the Thalia office. Annie is brazenly seductive, yet oddly cold, young enough to be Duane's daughter, or worse, and Duane hasn't a clue how to handle her. He's also in love with his psychiatrist, Honor Carmichael, who after years of rebuffing him, has decided to undertake what she feels is Duane's very necessary sex reeducation, opening him up to some major, life-changing surprises. For the lesson of *When the Light Goes* is that where there's life, there is indeed hope—Duane, widowed, displaced from whatever is left of his own life, suddenly rootless in the middle of his own hometown, and at risk of death from a heart that also doesn't seem to be doing its job, is in the end

saved by sex, by love, and by his own compassionate and intense interest in other people and the surprises they reveal. At once realistic and life-loving, often hilariously funny, and always moving, Larry McMurtry has written one of his finest and most compelling novels to date, doing for Duane what he did so triumphantly for Aurora in *Terms of Endearment*.

"An eloquent argument for speaking even the most difficult truths." —New York Times Book Review Paul Moore's vocation as an Episcopal priest took him— with his wife, Jenny, and their family of nine children—from robber-baron wealth to work among the urban poor, leadership in the civil rights and peace movements, and two decades as the bishop of New York. The Bishop's Daughter is his daughter's story of that complex, visionary man: a chronicle of her turbulent relationship with a father who struggled privately with his sexuality while she openly explored hers and a searching account of the consequences of

sexual secrets.
