Kings of Mayhem Bling! Romance

On her thirtieth birthday, Gwendolyn Reese receives an unexpected present from her widowed Aunt Bea: a grand tour of Europe in the company of Bea's Sudoku and Mahjongg Club. The prospect isn't entirely appealing. But when the gift she is expecting--an engagement ring from her boyfriend--doesn't materialize, Gwen decides to go. At first, Gwen approaches the trip as if it's the math homework she assigns her students, diligently checking monuments off her must-see list. But amid the bougainvillea and stunning vistas of southern Italy, something changes. Gwen begins to live in the moment--skipping down stone staircases in Capri, running her fingers over a glacier in view of the Matterhorn, racing through the Louvre, and taste-testing pastries at a Marseilles cafe. Reveling in every new experience--especially her attraction to a charismatic British physics professor--Gwen discovers that the ancient wonders around her are nothing compared to the renaissance unfolding within. . . "A thinking woman's love story, it swept me away to breathtaking places with a cast of endearing characters I won't soon forget. Bravissima!" --Susan McBride, author of *Little Black Dress*
 Praise for Marilyn Brant's *According to Jane* "A warm, witty and charmingly original story." --Susan Wiggs, *New York Times* bestselling author
 "Brant infuses her sweetly romantic and delightfully clever tale with just the right dash of Austen-esque wit." --Chicago Tribune
 "An engaging read for all who have been through the long, dark, dating wars, and still believe there's sunshine, and a Mr. Darcy, at the end of the tunnel." --Cathy Lamb, author of *Such a Pretty Face*

The Mau Mau - the name of a secret society that once struck terror into the hearts of British settlers in Kenya. An episode in history that ended in a State of Emergency, with violent and brutal acts dividing a nation. This is an intensely personal and vivid story of two boys: one black, one white. Once they were friends even though their circumstances are very different. But in a country driven by fear and prejudice, even the best of friends can betray one another. . . . Internationally acclaimed and award-winning author Beverley Naidoo explores new territory in this beautifully realized and moving story set in Britain's colonial past.

Trei died. He got roasted by a mage, for trying to be a hero. Things aren't so bad. At least he didn't stay dead. Summer's life was always difficult. Her world was on the verge of war, a politician threatening to take her crown. Resurrecting Trei was an accident, but it might be the last she'll be allowed to make.

The One That I Want (Mirabelle Harbor, Book 2) Twelfth Night Publishing

TAKE A CHANCE ON ME is a novella & it's Book 1 in Marilyn Brant's Mirabelle Harbor series. This book and ALL of the contemporary romances in this series can be enjoyed as stand-alone stories. Welcome to Mirabelle Harbor! In this scenic suburb on Chicago's North Shore, overlooking the sparkling waters of Lake Michigan, the Michaelson family has made their home for generations. Although their parents and grandparents are now gone, siblings Derek, Blake, Sharlene, and the twins-Chandler and Chance-all have fond memories of growing up in town, and most still live there. Chance Michaelson, the youngest member of the family (by two minutes) and the quietest (by far), is a dedicated twenty-eight-year-old personal trainer at the local gym. While he might not say much, Chance has made it clear that he's not a fan of toxic people, unhealthy habits, or sharing too many of his emotions. With anybody. Enter Antonia "Nia" Pappayiannis-the prettiest member of the

loudest and most overly demonstrative family in town. They're also the owners of The Gala, a Greek restaurant and bakery known for its decadent pastries and located just a few steps from Chance's gym. He considers their entire family business to be the enemy of good health, but he can't quite shake his attraction to Nia, who doesn't seem nearly as impressed with him or his sculpted physique as most of the women around Mirabelle Harbor. Unfortunately, between her doctor's orders and the interfering ways of Chance's crazy-making ex-girlfriend, who just happens to be one of Nia's long-time friends, Chance gets assigned to be Nia's fitness coach for the month. Pure torture. And if his ex weren't already causing enough problems, he also has to deal with Nia's current boyfriend-some hotshot Chicago CEO who talks big but, in Chance's opinion, is as fake as a Styrofoam barbell. The road to romance is going to be a rocky one, and though Nia has her doubts about moving forward, Chance has a well-developed competitive streak and might just be willing to give it a shot...if he can convince her to do the same. In matters of the heart, would you risk it all? TAKE A CHANCE ON ME, a Mirabelle Harbor story. Books in the Series: TAKE A CHANCE ON ME (July 2015) THE ONE THAT I WANT (July 2015) YOU GIVE LOVE A BAD NAME (Coming Soon) STRANGER ON THE SHORE (Coming Soon) Story Excerpt: "Nia?" I extended my hand to her because I was a professional and that was what we did when we met a new client. It didn't have anything to do with my desire to touch her. Much. She looked at me oddly. Hesitant. Like she was afraid I'd try to out muscle her or something. So I added a slight smile. If anything, she looked even more worried then, but she finally took my hand and shook it. God, her skin was so soft. "Chance." She stated my name rather than asked. How insane was it that I was proud of this? That she knew who I was already? Then I looked down and realized I was wearing my trainer nametag. Oh. "Yes," I said. "Nice to meet you." This was such a freakin' understatement it was almost a lie. I was usually only attracted to very athletic women, but Nia Pappayiannis had a different style and body type than the typical crowd of single twenty-something ladies I ran into at the gym. She was all softness and curves, dressed in her very conservative white t-shirt and blue yoga pants. Other women wouldn't look hot in such a plain outfit. Nia rocked the look. "Likewise," she said. "Have you belonged to a gym before?" I asked. She shook her head. "It's not really my scene." I was suddenly very interested to know what *was* her scene...

Take a Chance on Me (Mirabelle Harbor, Book 1) Reunited with the Millionaire
 STRANGER ON THE SHORE is Book 4 in Marilyn Brant's Mirabelle Harbor series, but this story and all of the contemporary romances in this series can be enjoyed as stand-alone novels. On the verge of turning forty and having just lost her job, Marianna Gregory flees Mirabelle Harbor for the summer with little more than a suitcase, her beat-up car, and the blessings of her good friend Olivia Michaelson. Her ex-husband is living a new life in California. Her college-aged daughter is spending her vacation with her boyfriend in Michigan. And the house Marianna once called her own finally sold, so she has nowhere to live in Illinois now anyway. However, her wealthy sister Ellen owns an empty bungalow on the beach in Sarasota, Florida, so Marianna turns to the sea for a chance to go

shelling, regroup, and figure out what to do with this new chapter in her life. She doesn't bargain on having to face down several family crises while she's away, nor does she count on meeting a handsome beachcomber who bears a striking resemblance to Elvis. Just as surprising is the craft project she gets roped into volunteering for and the new group of friends who might just change the way she views the world and her future. The most unexpected gifts can be found where the land meets the sea. *STRANGER ON THE SHORE*, a Mirabelle Harbor story.

The USA Today Bestseller From the author of *The Other Einstein* comes the mesmerizing tale of what kind of woman could have inspired an American dynasty. Clara Kelley is not who they think she is. She's not the experienced Irish maid who was hired to work in one of Pittsburgh's grandest households. She's a poor farmer's daughter with nowhere to go and nothing in her pockets. But the other woman with the same name has vanished, and pretending to be her just might get Clara some money to send back home. If she can keep up the ruse, that is. Serving as a lady's maid in the household of Andrew Carnegie requires skills she doesn't have, answering to an icy mistress who rules her sons and her domain with an iron fist. What Clara does have is a resolve as strong as the steel Pittsburgh is becoming famous for, coupled with an uncanny understanding of business, and Andrew begins to rely on her. But Clara can't let her guard down, not even when Andrew becomes something more than an employer. Revealing her past might ruin her future — and her family's. With captivating insight and heart, Carnegie's Maid tells the story of one brilliant woman who may have spurred Andrew Carnegie's transformation from ruthless industrialist into the world's first true philanthropist.

The complete rock star trilogy from bestselling author Roxie Noir! Get lost in these emotional, gripping romances - plus a bonus story you can't find anywhere else. Never Enough It's a simple enough transaction. Marisol needs the money, and I need a nice girl to parade in front of the cameras. No feelings. No strings. No falling for anyone. I've been clean for months, but my record company's not satisfied. Apparently it isn't enough to only kick a heroin addiction - they're insisting that I find a girlfriend as well. If I don't, they pull Dirtshine's massive record deal. It's supposed to show that I've changed my ways, that I've turned over a new leaf, all that rubbish. But I've had it with suit-wearing wankers telling me what I'm to do, so I'm on the verge of telling them to go f*ck themselves. And then she shows up. Marisol locks me out of my own concert by accident. She's wearing a suit at a rock show, searching for her lost law school textbook, has no idea who I am... ...and for the first time in years, I'm hooked. She's smart, driven, and utterly gorgeous. The sort of girl who earnestly believes in following the rules and hates when others don't. I'm a huge rock star, recovering addict, and general f*ckup. Our relationship is for show, and that's all. But with every smile, every laugh, and every breathtaking glance at her curves, I want her more. Two months is all we agreed to. But it's never going to be enough. Always You A kiss could ruin everything. I was born broken, with a past full of ugly secrets and a brother doing life in prison. Not that you'd know it if you read the tabloids. According to them I'm the rock-solid guitarist for the biggest band in the world. I'm the dependable one. The steady one. The anchor. They don't know the truth. No one knows who I am underneath, once the music is over and the lights are off. No one but Darcy. She's my best friend. She's my savior, my light in the dark, beautiful and talented and every bit as broken as me. And I yearn for her. I have for years. I see the way she looks at me, what's behind her eyes. I know what she thinks about alone, in the dark, because how could I not know. It's getting worse. Every second, every heartbeat, every moment we spend together and every secret we share makes me want her more. Even though I know that one kiss could ruin everything we have, I need her. But to get her? I'll risk everything I've got. Ever After Once upon a time, a girl saved my life. I was p*ss-drunk, high as a kite, and about to jump from a bridge. She stopped me. I told her to f*ck off. Exactly how all great love stories start. A year later, I met her again. Sober this time, after yet another stint in rehab. She's still pretty, still a spitfire, still lights up a room when she walks in. And she doesn't realize I'm the guy from the bridge. Frankie doesn't know anything about me or my past. She doesn't know I'm a former rock star or an ex-junkie. She doesn't know that two years ago, someone died and it was my fault. She doesn't need to know. She's got problems of her own, and they're what keep her coming back to see me time and again, even when we both know she shouldn't. I should be staying far, far away from this girl, but it's like telling water to flow uphill. Can't be done. Frankie and I may be going down in flames, but we'll be going down together.

THE ONE THAT I WANT is Book 2 in Marilyn Brant's Mirabelle Harbor series, but this story and all of

the contemporary romances in this series can be enjoyed as stand-alone novels. The summer after her beloved husband died in a car accident, Julia Meriwether Crane is still picking up the pieces of her life in Mirabelle Harbor and trying to help her ten-year-old daughter adjust to this difficult new reality. After her best friend Sharlene—one of the well-connected Michaelsen siblings—talks her into finally going out on the town again, Julia finds herself stunned to be the object of interest of several different men: The boy who'd broken her heart back in high school. The college ex she'd left behind. And most surprising of all, the movie actor she'd always fantasized about but had never met in person...until now. Can one woman have more than one "great love" in the same lifetime? And, if so, how can she be sure which man that'll be? Sometimes the person you think will be best for you isn't the one you really want. THE ONE THAT I WANT, a Mirabelle Harbor story.

A schoolteacher still reeling from the tragedies of the Great War and the influenza epidemic travels to the Middle East in this memorable and passionate novel "Marvelous . . . a stirring story of personal awakening set against the background of a crucial moment in modern history."—The Washington Post Agnes Shanklin, a forty-year-old schoolteacher from Ohio, has come into a modest inheritance that allows her to take the trip of a lifetime to Egypt and the Holy Land. Arriving at the Semiramis Hotel just as the 1921 Cairo Peace Conference convenes, she is freed for the first time from her mother's withering influence and finds herself being wooed by a handsome, mysterious German. At the same time, Agnes—with her plainspoken American opinions—is drawn into the company of Winston Churchill, T. E. Lawrence, and Lady Gertrude Bell, who will, in the space of a few days, redraw the world map to create the modern Middle East. As they change history, Agnes too will find her own life transformed forever. With prose as graceful and effortless as a seductive float down the Nile, Mary Doria Russell illuminates the long, rich history of the Middle East with a story that brilliantly elucidates today's headlines.

An enthralling and comprehensive look into the contemporary state of one of the wealthiest—and most misunderstood—family dynasties in the world, perfect for fans of *Succession*, *The House of Gucci*, *The Cartiers*, and *Fortune's Children*. Oil magnate J. Paul Getty, once the richest man in the world, is the patriarch of an extraordinary cast of sons, grandchildren, and great-grandchildren. While some have been brought low by mental illness, drug addiction, and one of the most sensational kidnapping cases of the 20th century, many of Getty's heirs have achieved great success. In addition to Mark Getty, a cofounder of Getty Images, and Anne G. Earhart, an award-winning environmentalist, others have made significant marks in a variety of fields, from music and viticulture to politics and LGBTQ rights. Now, across four continents, a new generation of lively, unique, and even outrageous Gettys are emerging, and not coasting on the dynasty's still-immense wealth. August Getty designs extravagant gowns worn by Katy Perry, Cher, and other stars; his sibling, Nats—a fellow LGBTQ rights activist who announced his gender transition following his wedding to transgender icon Gigi Gorgeous—produces a line of exclusive streetwear. Their fascinating cousins include Balthazar, a multi-hyphenate actor-director-DJ-designer, and Isabel, a singer-songwriter-MBA candidate. A far-flung yet surprisingly close-knit group, the ascendant Gettys are bringing this iconic family onto the global stage in the 21st century. Through extensive research, including access to J. Paul Getty's diaries and love letters, and fresh interviews with family members and friends, *Growing Up Getty* offers an inside look into the benefits and burdens of being part of today's world of the ultra-wealthy.
