Discourses on spiritual life with reference to philosophy of Kabir, 15th century, Hindu mystic poet.

Great Lies to Tell Small Kids Henry Holt and Company (BYR)

This book collects new information about ueterinariii and veterinary treatises in the Roman world, and elucidates technical and other aspects of Latin veterinary language. The treatise of Pelagonius is at the core of the book, but reference is also made to the full range of texts which deal with animals, from Cato through to Vegetius.

Zombies Calling Edizioni Mondadori

The perfect gift for Mother's Day - 60 brilliant ALL NEW cartoons from Andy Riley celebrating the special one. Affectionate, witty and endearing - just like Mum, and it's the gift that keeps on giving - just like Mum. Every day should be Mother's Day.

Riding the Bullet Lindhardt og Ringhof

As if exams and a mounting debt aren't enough to cope with, Joss finds herself trapped in her dorm after being attacked by brain-hungry zombies and looks for survival clues in the plots of all the

old zombie movies she's seen.

The Revolution Slave Labor Graphics

Something is frightening the people of Crong—something with long, sharp teeth, seven eyes, and an appetite for goats. The monster's name is the Voolith, and it won't stop until it has gobbled up everything in its path! When news reaches Edwinland, King Edwin decides he must cross the wilderness and defeat the Voolith in single combat. Even if he doesn't quite know what "single combat" means. This next King Flashypants adventure has it all—jousting, evil plots, mini golf, fire-breathing toads, and hilarity at every turn.

The Return of the Bunny Suicides Foxrock

A tongue-in-cheek collection of illustrations by the creator of The Book of Bunny Suicides features more than 90 pieces of line art depicting pigs imbibing, stealing and possibly representing the worst of humanity. Original.

MARVEL's Avengers: Infinity War: The Cosmic Quest Volume Two Candlewick Press

Among the scattered islands that make up the water world of Windhaven, no one holds more prestige than the silver-winged flyers, romantic figures who cross treacherous oceans, braving shifting winds and sudden storms, to bring news, gossip, songs and stories to a waiting populace. Maris of Amberly, a fisherman's daughter, wants nothing more than to soar on the currents high above Windhaven. So she challenges tradition, demanding that flyers be chosen by merit rather than inheritance. But even after winning that bitter battle, Maris finds that her troubles are only beginning. Now a revolution threatens to destroy the world she fought so hard to join - and force her to make the ultimate sacrifice... This early collaborative novel from George R. R. Martin and Lisa Tuttle is a masterclass of fantasy and storytelling.

Pelagonius and Latin Veterinary Terminology in the Roman Empire Blackstone Publishing

Fatherhood is full of ups and downs, quirks and crises. But there is always humor to be found! Featuring 60 all-new cartoons from Andy Riley, *Beer Makes Daddy Strong* shows the world just how great dads can be: Daddy knows all the best car games ("Who can stay quiet the longest?"), likes to show off his scars (that he may or may not have obtained while running with the bulls in Spain), and is a great cook (when Spaghetti Bolognese is on the menu). Witty and wise, this affectionate tribute is a celebration of fatherhood and all of its joys, confusion, humor, and, of course, beer.

King Flashypants and the Creature from Crong Three Rivers Press (CA)

From the New York Times bestselling author of *The Silver Linings Playbook* "A compact powerhouse of a novel ... subversive, unexpected, and utterly compelling" Booklist "A valuable addition to fiction about the tangled aftereffects of Vietnam on soldiers in the field" Kirkus After sixty-eight-year-old David Granger crashes his BMW, medical tests reveal a brain tumor that he readily attributes to his wartime Agent Orange exposure. He wakes up from surgery repeating a name no one in his civilian life has ever heard - that of a Native American soldier whom he was once ordered to discipline. David decides to return something precious he long ago stole from the man he now calls Clayton Fire Bear. It might be the only way to find closure in a world increasingly at odds with the one he served to protect. It might also help him finally recover from his wife's untimely demise. As David confronts his past to salvage his present, a poignant portrait emerges: that of an opinionated and goodhearted American patriot fighting like hell to stay true to his red, white, and blue heart, even as the country he loves rapidly changes in ways he doesn't always like or understand. Hanging in the balance are Granger's distant art-dealing son, Hank; his adoring seven-year-old granddaughter, Ella; and his best friend, Sue, a Vietnamese-American who respects David's fearless sincerity. Through the controversial, wrenching, and wildly honest David Granger, Matthew Quick offers a no-nonsense but ultimately hopeful view of America's polarized psyche. By turns irascible and hilarious,

insightful and inconvenient, David is a complex, wounded, honorable, and ultimately loving man. *The Reason You're Alive* examines how the secrets and debts we carry from our past define us; it also challenges us to look beyond our own prejudices and search for the good in our supposed enemies. MORE PRAISE FOR THE REASON YOU'RE ALIVE "Dark, funny, and surprisingly tender." Publishers Weekly

Hotel Portofino Henry Holt and Company (BYR)

Loads more laughs—from the man who put the funny in *The Book of Bunny Suicides*. Just when you were about to run out of lies to tell small children, the creator of the bestselling *Bunny Suicides* books is back with more wickedly funny falsehoods for the truly twisted. Each hilarious cartoon tells a tall tale guaranteed to trouble guileless minds and crack up the grown-ups. So, find yourself a wide-eyed youngster and ask: Did you know... • If you rub two redheaded kids together, you can make fire • Your dad's got one nipple and two belly buttons • If you drop a tooth in a glass of Coke, after a day it becomes a white butterfly • French people eat croissants and poo baguettes • If you cut a badger in half with an axe it turns into two chipmunks If Andy Riley believed in wearing pants, they'd be on fire right now! For the inner child and pathological liar in all of us, *Loads More Lies* is truly hysterical.

Windhaven Delacorte Press

Black Cat, White Cat Bantam

For fans of *Downton Abbey* and *The Crown* ... welcome to Hotel Portofino, where romance, revelry, and intrigue await. A heady historical drama about a British family who opens an upper-class hotel on the magical Italian Riviera during the Roaring Twenties Hotel Portofino has been open for only a few weeks, but already the problems are mounting for its owner Bella Ainsworth. Her high-class guests are demanding and hard to please. And she's being targeted by a scheming and corrupt local politician, who threatens to drag her into the red-hot cauldron of Mussolini's Italy. To make matters worse, her marriage is in trouble, and her children are still struggling to recover from the repercussions of the Great War. All eyes are on the arrival of a potential love match for her son Lucian, but events don't go to plan, which will have far-reaching consequences for the whole family. Set in the breathtakingly beautiful Italian Riviera, Hotel Portofino is a story of personal awakening at a time of global upheaval and of the liberating influence of Italy's enchanting culture, climate, and cuisine on British "innocents abroad."

Outlaw Pete, a criminal since he was in diapers, tries to settle down and raise a family after his youth full of misdeeds, until his

past sins catch up with him.

The Reason You're Alive Simon and Schuster

Everyone seems to know best when it comes to Jan's future - but he's still working out for himself who he really is. Jan feels so hemmed in by the pressures of family and friends, he decides to leave home and live alone in the house on the toll bridge. While there, he meets Tess and Adam and their close bond of friendship develops into something which has devastating effects on them all.

A Novel Hodder & Stoughton

In January 1921, D. H. Lawrence and his wife, Frieda visited Sardinia, a Mediterranean island west of Italy. Although the trip lasted only nine days, Lawrence wrote an intriguing account of Sardinian life that not only evokes the place, people, and local customs but is also deeply revealing about the writer himself. Remarkable for its metaphoric and symbolic descriptions, the book is transfused with the author's anger and joy. His prejudices and his political prophecies make *Sea and Sardinia* a unique and dynamic piece of travel writing. This Penguin Twentieth-Century

Classics edition reproduces the Cambridge text, which restores censored passages and corrects corrupt textual readings to reveal -- for the first time -- the book Lawrence himself called "a marvel of veracity." Also featured are an illuminating Introduction by Lawrence scholar Mara Kalnins, a Chronology, Explanatory Notes, and an Italian Glossary. Copyright © Libri GmbH. All rights reserved.

DIY Dentistry Picador

Respected economist and journalist Loretta Napoleoni shows how the world is being reshaped by dark economic forces creating victims out of millions of ordinary people whose lives have become trapped inside a fantasy world of consumerism. A world built by organisations both private and public which have accumulated vast fortunes and enormous political influence by regulating, containing and manipulating the market to their own advantage.
