(Vocal Collection). An excellent volume of coloratura arias has been added to the G. Schirmer Opera Anthology series. With 30 arias in English, Italian, German, French and Russian, this is the largest collection of coloratura operatic excerpts ever published. Because of the nature of the material, tradition-based performance suggestions are liberally found throughout the volume. For instance, you will find standard vocal variations for the "Doll Song" from *The Tales of Hoffmann* included in the edition, along with the original vocal line. Like the other volumes in the ground-breaking series, there are historical and plot notes about each aria, new engravings, and new translations for study.

This is the first comprehensive historical overview of music created by women from the 9th through the 20th centuries. Each volume features 10-25 complete musical scores or complete movements from multi-movement compositions--most of which have been previously inaccessible. Expert scholars provide original essays about the composers, including biographical information, a discussion of the music in historical context, and critical analysis of each work. Entries also include bibliography, a list of works by the composer, and a discography.
