 THE OLDEST SECRET SOCIETY OF INDIA. THE GREATEST TREASURE IN THE HISTORY OF MANKIND. THE MOST EPIC MYSTERY OF THE ANCIENT WORLD. When the richest man of India confesses to being part of a secret society in a live press conference; chaos ensues. His daughter Aanya Vashishtha takes the help of Aarav Kohrrathi, a brilliant but egoistic treasure hunter and his friend Rehann to solve the mystery of The Ring of the Seven, a society of influential men who are tasked to protect the greatest treasure in history. What starts off as a quest to uncover her father's secret leads them to something bigger which they themselves couldn't have fathomed. They take the help from her father's associate, Shayna Maheshwari, a billionaire banker and someone herself involved with the secret, as they progress towards a treasure hidden somewhere in the Himalayas. They brave bullets, puzzles, deadly chases, cult of assassins, and betrayal as their quest takes them across the length and breadth of South Asia; from the bustling metropolises of Mumbai and Delhi to the ancient temples of Nepal; from the serene beaches of Sri Lanka to the towering mountains of the Himalayas. They try to uncover a set of secret books of lost arts, which are believed to reveal the map of the treasure, and strive to discover the identities of the masters of the Ring of the Seven to solve the penultimate mystery. In a tale of love and loss, logic and emotions, religion and history, action and adventure, and the trial of a few good men against the most powerful organization in the history of mankind. Will they find the secret of the Himalayan treasure?

The First 20 Hours

 From the host of the YouTube channel that went viral—Dad, How Do I?—comes a book that's part memoir/part inspiration/part DIY. Rob Kenney's father left him and his seven siblings when he was fourteen years old, and the youngest had to fend for themselves. He wished that he had someone who could teach him the basics—how to tie a tie, jump-start a car, unclog a drain, use tools properly—as well as succeed in life. But he and his siblings had to

figure these things out on their own. Now a father himself, Rob decided that he would help people out by providing how-to tips as well as advice—and even throw in some bad dad jokes. He started a YouTube channel for anyone looking for fatherly advice, and in the course of three months, gained a following of nearly 2.5 million subscribers, with millions of views for his how-to and inspirational videos. In this book, Rob shares his story of overcoming a difficult childhood with the strength of faith and family, and offers inspiration and hope. In addition, he provides 50 practical DIY instructions (30 of which will be unique to the book), illustrated with helpful line drawings.

Grand Central Publishing
 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

 There has to be more to life than this. How many times have you said that to yourself lately? You are not alone. There has never been a better time to take the leap and move abroad. Four-time expat and travel expert Jessica Drucker distills 15 years of living, working and traveling abroad into an amazingly simple recipe that anyone can follow. In the long tradition of Tim Ferriss' The 4-Hour Work Week, Marie Kondo's decluttering framework and Bill Bryson's travel memoirs, How To Move Abroad And Why It's The Best Thing You'll Do provides a practical step-by-step guide and personal anecdotes to get you abroad, whether you're looking to start over, retire, reignite your career, or show your kids the world. Drucker demystifies the process of setting up life in a different country, clarifying topics such as: **How to finance your move**How to get a job abroad **How to pay your taxes **How to blend in like a spy, even when you stick out like a sore thumb**How to learn any language. This book is for you if: You want to escape the rat race, Your heart breaks after every vacation, You spent your childhood dreaming of living abroad, but don't know when you are going to take the leap, You have always thought you would retire abroad (why not go now?), You're tired of the politics, consumerism or 5am starts, You are looking for somewhere safer for your kids (or your sanity!), You are tired of a dead-end job or career, You feel like you will never get to a place where you 'have enough', You know you want to move abroad but others around you think you have lost your mind. When you move abroad, you join nearly nine million other Americans who have

decided to do the same. There is nothing magical that got them there and not you. They simply committed to the idea and followed a process. *How To Move Abroad And Why It's The Best Thing You'll Do* connects you to that group of people, helps you sidestep expensive and time-consuming pitfalls, and helps you get realistic about how to make your

#1 New York Times Bestseller "Funny and smart as hell" (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, "The God of Cake," "Dogs Don't Understand Basic Concepts Like Moving," and her astonishing, "Adventures in Depression," and "Depression Part Two," which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Finalist ABA Indies Introduce Winter / Spring 2017 Selection Barnes & Noble Discover Great New Writers Spring 2017 Selection ALA 2018 Notable Books Selection An intimate and poignant graphic novel portraying one family's journey from war-torn Vietnam, from debut author Thi Bui. This beautifully illustrated and emotional story is an evocative memoir about the search for a better future and a longing for the past. Exploring the anguish of immigration and the lasting effects that displacement has on a child and her family, Bui documents the story of her family's daring escape after the fall of South Vietnam in the 1970s, and the difficulties they faced building new lives for themselves. At the heart of Bui's story is a universal struggle: While adjusting to life as a first-time mother, she ultimately discovers what it means to be a parent—the endless sacrifices, the unnoticed gestures, and the depths of unspoken love. Despite how impossible it seems to take on the simultaneous roles of both parent and child, Bui pushes through. With haunting, poetic writing and breathtaking art, she examines the strength of family, the importance of identity, and the meaning of home. In what Pulitzer Prize-winning novelist Viet Thanh Nguyen calls "a book to break your heart and heal it," *The Best We Could Do* brings to life Thi Bui's journey of understanding, and provides inspiration to all of those who search for a better future while longing for a simpler past.

Never before has this country—indeed this world—faced such a need for a book that unites people, a book that reassures those disillusioned by faith that they can navigate their way back to God and even experience a profound spiritual awakening. For author and entrepreneur Steve McSwain, such an epiphany transformed his life. In *The Enoch Factor*, readers discover a kindred spirit in an author who understands how religion can subvert a spiritual life. His story will help them navigate their own spiritual journeys. More than a personal odyssey, *The Enoch Factor* is also a testimonial to the innate dangers of fundamentalist thinking. It is a persuasive argument for a more enlightened religious dialogue in America, one that affirms the goals of all religions—guiding followers in self-awareness, finding serenity and happiness, and discovering what the author describes as "the sacred art of knowing God." Unapologetic and moving, McSwain's take on *The Almighty* is sure to ignite spirited debate. Full of wisdom, humor, and truth, *The Enoch Factor* bridges the gap between secular and Christian book titles on spirituality, setting a new standard in both.

Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (*Wall Street Journal*). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves—and the world—for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. Over the past seven years I've lived in more places than I can remember. I lived and worked in Shanghai, New York, Berlin, Bangkok, Munich and a few more places, not including the dozens of places I've stayed at for just a few days or weeks. While writing these lines I'm in a small town in Malaysia. I've basically lived out of a backpack for the past seven years. And the longer I'm doing this, the less stuff I need. Right now I carry less than 10 items around with me in a carry on backpack that weighs less than

10kg. I go wherever I want to go. I currently spend less than \$800 a month. Including everything. My most precious possession is a \$300 Acer laptop. I've started a clothing company in China, for the Chinese market, which failed miserably. I've launched more than 10 websites, some of them made some money, some of them didn't. I shut down all of them. I've written seven books (this is my eighth). None of them was a bestseller. I write a blog where I published more than 500 articles so far. I've more than 100,000 monthly readers spread across multiple platforms. I'm by no means successful. Or rich. But I have more than enough, by all means. I have access to everything I need. And I can buy and afford everything I need. I'm not a minimalist. Or a digital nomad. Or an entrepreneur. Or a blogger. Or an author. I'm mostly trying to just be myself. I'm trying to be myself in a world where it gets harder and harder every single day to just be yourself. It's not always been easy. As a matter of fact it's probably been hard more often than it's been easy. But every day of struggle and doubt has been worth it. Being yourself and creating your own life instead of just living a life is always worth the struggle. This right here is my story. This is what I've learned about life, myself and the world around me. I'm everywhere and nowhere. And I own nothing and everything...

The official screenplay book tie-in to the highly acclaimed movie from Fox Searchlight Pictures, written by Diablo Cody (author of *Candy Girl*) and directed by Jason Reitman (*Thank You for Smoking*), tells the story of a confidently frank teenage girl who calls the shots with a nonchalant cool and an effortless attitude as she journeys through an emotional nine-month adventure into adulthood. While most girls at *Dancing Elk* are updating their MySpace page or shopping at the mall, Juno is a whip-smart Minnesota teen living by her own rules. A typically boring afternoon becomes anything but when Juno decides to have sex with the charmingly unassuming Bleeker (Michael Cera). Faced with an unplanned pregnancy, she and best friend Leah (Olivia Thirlby) hatch a plan to find Juno's unborn baby the perfect set of parents courtesy of the local Penny Saver. They set their sights on Mark and Vanessa Loring (Jason Bateman and Jennifer Garner), an affluent suburban couple who are longing to adopt their first child. Luckily, Juno has the support of her dad and stepmother (J.K. Simmons and Allison Janney). After the initial shock that their daughter has been sexually active with the unlikely "virile" Bleeker, the family bands together to help Juno. Dad Mac accompanies Juno to size up the prospective adoptive parents to make sure they are not a couple of "wing nuts" while stepmother Bren provides emotional support as Juno fights the prejudices of underage pregnancy. As Juno moves closer and closer to her due date, the veneer of Mark and Vanessa's idyllic life starts to show signs of cracking. While fall becomes winter and winter turns to spring, Juno's physical changes mirror her personal growth. With a fearless intellect far removed from the usual teen angst, Juno conquers her problems head-on, displaying a youthful exuberance both smart and unexpected. In addition to the complete script, this Newmarket Shooting Scrip® book includes a foreword by director Jason Reitman, an exclusive introduction by Diablo Cody, a color photo section, and the complete cast and crew credits.
