ROTH PATIENCE

Louis Jupiter Kids

Features photographs of teddy bears and the ways in which young children play with them.

The Teddy Bear HMH Books For Young Readers

The teddy bears are back—this time to teach readers all about patterns. Similar to the first three books in the McGrath Math series of concept books, TEDDY BEAR PATTERNS uses rhyming verse to explain the concepts illustrated by the colorful teddies. This simple text helps children to follow along as the teddy bears sort by color, and arrange into patterns of two colors, three colors, and so on. Readers will also discover how they can use patterns to skip count, add, and even multiply, before trying their hand at creating a pattern of their own. TEDDY BEAR PATTERNS is a worthwhile addition to the classroom, especially those that already use bear counters or other manipulatives as learning tools. Back matter provides a summary of the concepts introduced in the book.

The Teddy Bears' Picnic Board Book Candlewick Press

An irresistible collection of teddy bears gathers for a rollicking good time in this picture-book version of the all-time favorite song, illustrated by popular author Bruce Whatley. Full color.

The Teddy Bear Say-A-Picture Storybook Kids Can Press Ltd

Synopsis coming soon.....

Patrick in A Teddy Bear's Picnic and Other Stories Bloomsbury Publishing USA

Errol's best friend and teddy, Thomas, is sad because he wishes he were a girl, not a boy teddy, but what only matters to both of them is that they are friends.

Teddy Turtleback

Synopsis coming soon.....

Teddy Bear's Picture Book for Baby Simon and Schuster

Presents the text of the familiar song about the festivities at the teddy bears' picnic.

Find the Teddy Bear Seek and Find Activity Book Roaring Brook Press

Each of four beloved teddy bears fears something at bedtime, and as the little master explains away each fear, he makes the nighttime worry-free for himself, too.

The Legend of the Teddy Bear Tundra Books

A picture book about the changes of growing up and the love passed on through families, as told by a little girl's teddy bear companion.

Little Bear Teddy Simon and Schuster

Tired of the "dangerous adventures" with his human boy, a teddy bear decides to run away but reconsiders when bedtime arrives.

Teddy Bear of the Year Teddy Bears

Is your teddy bear awfully quiet? Does he just sit on your bed and stare at the wall? Maybe he is bored. When you're bored, you can read a book, but Teddy can't. Or can he? . . . Maybe you should read this story out loud to your teddy bear. He may blush, though, because you'll find out about all the things he does when you leave for school. Just make sure to hug your furry friend when you're done reading—even teddy bears make mistakes! Sara Swan Miller and True Kelly, author and illustrator of *Three Stories You Can Read to Your Cat* and *Three Stories You Can Read to Your Dog*, have done it again with three comical new stories—this time about teddy bears. Who knew that teddy bears are just as adventurous as cats and dogs?

Teddy Bears Lorenz Books

A delightful tale of the first-ever teddy bear. The story goes that on a hunting trip in 1902, President Theodore "Teddy" Roosevelt refused to shoot a bear. A political cartoonist shared the story in the newspaper and then, impressed by the president's big, warm heart, shopkeepers Rosie and Morris Michtom decided to create a "Teddy" bear in his honor to sell in their store. The bear was so popular, they made another. And another. And before they knew it, they needed to build a factory: it seemed every child wanted a teddy bear of their own! History with a twist of fun! Now there's even more to love about the ever-popular toy!

[Moving House with Teddy Bear](#) Bloomsbury Publishing USA

In this version of the classic jump rope rhyme, Teddy Bear invites readers to bend down low, touch their toes, jump up high, and touch the sky.

[Teddy's Favorite Toy](#) Capstone

Join Teddy Bear and his friends in four exciting adventures, at home, at the farm, at school and on holiday, and see what fun they have.'

Teddy's Picture Book Candlewick Press (MA)

Features photographs of teddy bears and the ways in which young children play with them. On

board pages.

[The Teddy Bears' Picnic](#) HarperFestival

Teddy Bears are on an addition mission! Math, counting, sorting and adding for young children. Easy, fun, and educational. Visual learners can watch the teddies add more and more. And kinetic learners can copy the action with their own teddy bear manipulatives. Catchy speech bubbles accompany lively verse as teddies add single-digit and double-digit numbers from one to fifty. Playful rhymes and hands-on interaction make this book perfect for use with bear counters and other classroom manipulatives.

The Teddy Bear's Picnic (Giant Size) Barron's Educational Series

Errol and his teddy, Thomas, are best friends who do everything together. Whether it's riding a bike, playing in the tree house, having a tea party, or all of the above, every day holds something fun to do. One sunny day, Errol finds that Thomas is sad, even when they are playing in their favorite ways. Errol can't figure out why, until Thomas finally tells Errol what the teddy has been afraid to say: "In my heart, I've always known that I'm a girl teddy, not a boy teddy. I wish my name was Tilly, not Thomas." And Errol says, "I don't care if you're a girl teddy or a boy teddy! What matters is that you are my friend."

[Loved to Bits](#) Eddy and the Bear

A wonderfully exuberant teddy bear and his little boy go on all sorts of grand adventures collecting stories (and a few scrapes and bruises) along the way in *Loved to Bits*, a picture book about friendship from Teresa Heapy and Katie Cleminson. Ted and his boy do everything together. They fight beasts and have feasts. They tickle monsters then flee on rafts, They search, explore, escape. . . . and laugh. But sometimes things get rough, and Teddy loses an ear. He's still got his best one though, never fear! And an eye? PING! It's nothing—he didn't feel a thing! A leg, then the other. An arm, and then the next. What do you do with a broken Ted? You lay down with him at night and snuggle in bed.

Good Night, Teddy Penguin

After playing in the bath, Teddy goes to bed with his favorite toys.

[A gentle story about gender and friendship](#) Charlesbridge Publishing

It's fun to start reading with this great big book based on a well-loved theme. Join Tim, Tessa and Eddy the teddy bears on their picnic - none of them has very much food to take, but by sharing and working together, they have plenty.
