A Tale of Two Cities and Great Expectations are two much-loved novels by Charles Dickens. Tale of Two Cities is a novel set in London and Paris before and during the French Revolution. The main characters — Doctor Alexandre Manette, Charles Darnay, and Sydney Carton — are all recalled to life, or resurrected, in different ways as turmoil erupts. Great Expectations centers around a poor young man by the name of Pip, who is given the chance to make himself a gentleman by a mysterious benefactor. Great Expectations offers a fascinating view of the differences between classes during the Victorian era, as well as a great sense of comedy and pathos. Charles John

Huffam Dickens ( 1812 - 1870) was an English writer and social critic. He created some of the world's most memorable fictional characters and is generally regarded as the greatest novelist of the Victorian period. During his life, his works enjoyed unprecedented fame, and by the twentieth century his literary genius was broadly acknowledged by critics and scholars. His novels and short stories continue to be widely popular.

'you are to understand, Mr. Pip, that the name of the person who is your liberal benefactor remains a profound secret...' Young Pip lives with his sister and her husband the blacksmith, with few prospects for advancement until a mysterious benefaction takes him from the Kent marshes to London. Pip is haunted by figures from his past - the escaped convict Magwitch, the time-withered Miss Havisham and her proud and beautiful ward, Estella - and in time uncovers not just the origins of his great expectations but the mystery of his own heart. A powerful and moving novel, Great Expectations is suffused with Dickens's memories of the past and its grip on the present, and it raises disturbing questions about the extent to which individuals affect each other's lives. This edition includes a lively introduction, Dickens's working notes, the novel's original ending, and an extract from an early theatrical adaptation. It reprints the definitive Clarendon text. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. As a result, there is little applicability internationally, even less interdisciplinary work, and at times, an outright bias against the market economy as such. The Commission Report, is even handed, tough minded, and frank in discussing how it is that social science and new social and technical forces do not always mesh. The optimism exuded is measured, but genuine. Great Expectations offers policy recommendations and scientific goals that can be serviceable not only in the United Kingdom, but in all advanced societies in which social research is a central component of economic stability and development. It is a superb reference volume enriched by original analysis and pungent, clear-headed writing. Members of the commission include: Professor David Rhind, Vice Chancellor of the City University served as Chairman of the Commission.

Providing fresh insights and understandings about educationally 'successful' minority ethnic pupils, this book examines the views, identities and educational experiences of those pupils who are undoubtedly 'achieving', but who tend to remain ignored within popular concerns about under-achievement. Combining a broad analysis of minority ethnic pupils' achievement together with a novel, detailed case study of an educationally 'successful' group, the British-Chinese, this book examines a fascinating angle on debates about the reproduction of social inequalities. In this thought-provoking and highly accessible book, the authors: review the theoretical and policy context to issues of 'race', gender, social class and achievement discuss the role of teachers and schools explore Chinese parents' views of their children's education and explain how these families 'produce' and support achievement investigate British-Chinese pupils' views on their approaches to learning and their educational identities examine the relationship between aspirations and educational achievement consider the complexity and subtlety of racisms experienced by

'successful' minority ethnic pupils. This timely and authoritative book contributes to the ongoing debates about levels of achievement among minority ethnic pupils and is an essential book for all researchers, students, education professionals and policy-makers.

Two classic Charles Dickens novels now available together in one convenient eBook. A Tale of Two Cities Contains an afterword by Stephen Koch. With his sublime parting words, "It is a far, far better thing that I do, than I have ever done..." Sidney Carton joins that exalted group of Dickensian characters who have earned a permanent place in the popular literary imagination. His dramatic story, set against the volcanic fury of the French Revolution and pervaded by the ominous rumble of the death carts trundling toward the guillotine, is the heart-stirring tale of a heroic soul in an age gone mad. A masterful pageant of idealism, love, and adventure -- in a Paris bursting with revolutionary frenzy, and a London alive with anxious anticipation -- A Tale of Two Cities is one of Dickens's most energetic and exciting works. Great Expectations Contains an introduction by John Irving. In the marshy mists of a village churchyard, a tiny orphan boy named Pip is suddenly terrified by a shivering, limping convict on the run. Years later, a supremely arrogant young Pip boards the coach to London where, by the grace of a mysterious benefactor, he will join the ranks of the idle rich and "become a gentleman." Finally, in the luminous mists of the village at evening, Pip the man meets Estella, his dazzlingly beautiful tormentor, in a ruined garden--and lays to rest all the heartaches and illusions that his "great expectations" have brought upon him. Dickens's biographer, Edgar H. Johnson, has said that--except for the author's last-minute tampering with his original

ending--Great Expectations is "the most perfectly constructed and perfectly written of all Dickens's works." In John Irving's Introduction to this edition, the novelist takes the view that Dickens's revised ending is "far more that mirror of the quality of trust in the novel as a whole." Both versions of the ending are printed here.

In the aftermath of the financial crisis, why has the reform process been incremental yet the conditions for more rapid and abrupt transformations appeared to be available? Is there anything specific about financial policy that prevents more radical reforms? Drawing from Comparative Politics and Historical Institutionalism in particular, as well as International Political Economy, this book answers these questions by examining the particular institutional frictions that characterise global financial governance and influence the activity of change agents and veto players involved in the process of global regulatory change. The chapters in this volume collectively demonstrate that the process of change in financial rule-making as well as in the institutions governing finance does not fit with the punctuated model of policy change. The book also shows, however, that incremental changes can lead to fundamental shifts in the basic principles that inform global financial governance.

Great Expectations is a novel by Charles Dickens first serialised in *All the Year Round* from 1 December 1860 to August 1861. It is regarded as one of his greatest and most sophisticated novels, and is one of his most enduringly popular, having been adapted for stage and screen over 250 times. Great Expectations is written in a semi-autobiographical style, and is the story of the orphan Pip, writing his life from his early days of childhood until adulthood. The story can also be considered semi-autobiographical of Dickens, like much of his work, drawing on his experiences of life and people. The action of the story takes place from Christmas Eve, 1812, when the protagonist is about seven years old, to the winter of 1840. My Website: LYFREEDOM.COM

"Great Expectations," Dickens "Great Expectations" - this is a book about a man, love, unexpected life turns, revenge and anger, about unjustified hopes and unfulfilled dreams. This is an interesting story about the difficult life of the protagonist Pip, who, as an honest and unselfish person, does not find a place in "secular society", and money can not make him happy. Initially, Dickens wanted to finish the novel tragically, but, in spite of everything, did not dare to finish "Great Expectations" with their complete collapse.
