Kingdom of Shadow and Light Ginger Scott
 Meet the smart, sexy — supernatural — women of the otherworld. This is not your mother's coven... Kelley Armstrong returns with the eagerly awaited follow-up to Dime Store Magic. Paige Winterbourne, a headstrong young woman haunted by a dark legacy, is now put to the ultimate test as she fights to save innocents from the most insidious evil of all... In the aftermath of her mother's murder, Paige broke with the elite, ultraconservative American Coven of Witches. Now her goal is to start a new Coven for a new generation. But while Paige pitches her vision to uptight thirty-something witches in business suits, a more urgent matter commands her attention. Someone is murdering the teenage offspring of the underworld's most influential Cabals — a circle of families that makes the mob look like amateurs. And none is more powerful than the Cortez Cabal, a faction Paige is intimately acquainted with. Lucas Cortez, the rebel son and unwilling heir, is none other than her boyfriend. But love isn't blind, and Paige has her eyes wide open as she is drawn into a hunt for an unnatural-born killer. Pitted against shamans, demons, and goons, it's a battle chilling enough to make a wild young woman grow up in a hurry. If she gets the chance.

 The saga of Victoria Gardella continues as the glorious

nineteenth-century city of Rome gives rise to a new threat from the immortal undead... Lady Victoria Gardella Grantworth de Lacy has been a vampire slayer for just over a year, balancing her life as a peer of Society with the dangerous role that takes her out on moonlit streets, stake in hand. She has learned brutal and heartbreaking lessons about the sacrifices that must be made in order to save humanity from the evil that secretly preys upon it, but she has not wavered in her vow to fight on. Now, in Italy, a powerful vampire is amassing the power to control the souls of the dead. As Victoria races across Europe to stop what could be the most deadly army the Gardellas have ever faced, her unlikely companion is Sebastian Vioget—a man as tempting as he is untrustworthy. But when Victoria discovers she has been betrayed by one of her most trusted allies, the truth will challenge all her powers as a Venator...and as a woman.
