Guardians of Being Simon and Schuster  
 INSTANT NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK OF 2018 ONE OF THE ECONOMIST'S BOOKS OF THE YEAR "My new favorite book of all time." --Bill Gates If you think the world is coming to an end, think again: people are living longer, healthier, freer, and happier lives, and while our problems are formidable, the solutions lie in the Enlightenment ideal of using reason and science. By the author of the new book, *Rationality*. Is the world really falling apart? Is the ideal of progress obsolete? In this elegant assessment of the human condition in the third millennium, cognitive scientist and public intellectual Steven Pinker urges us to step back from the gory headlines and prophecies of doom, which play to our psychological biases. Instead, follow the data: In seventy-five jaw-dropping graphs, Pinker shows that life, health, prosperity, safety, peace, knowledge, and happiness are on the rise, not just in the West, but worldwide. This progress is not the result of some cosmic force. It is a gift of the Enlightenment: the conviction that reason and science can enhance human flourishing. Far from being a naïve hope, the Enlightenment, we now know, has worked. But more than ever, it needs a vigorous defense. The Enlightenment project swims against currents of human nature--

tribalism, authoritarianism, demonization, magical thinking--which demagogues are all too willing to exploit. Many commentators, committed to political, religious, or romantic ideologies, fight a rearguard action against it. The result is a corrosive fatalism and a willingness to wreck the precious institutions of liberal democracy and global cooperation. With intellectual depth and literary flair, Enlightenment Now makes the case for reason, science, and humanism: the ideals we need to confront our problems and continue our progress.

From the international bestselling author of *Unlearn*, Humble the Poet speaks new truths about how we can create silver linings from our most difficult moments. Every one of us endures setbacks, disappointments, and failures that can beat us down. But we don't have to let them. Instead, we can use them as opportunities for growth. In *Things No One Else Can Teach Us*, Humble the Poet goes against conventional wisdom for happiness and success, showing us how our most painful experiences can be our greatest teachers. Humble shares raw, honest stories from his own life—from his rocky start becoming a rapper to nearly going broke to battling racism—to demonstrate how we can change our minds to better our lives. From a breakup to losing a loved one, our hardest moments can help us flourish, but only if we seize the opportunity. While we can't control life, we have the power to control how we react to it. *Things No One Else Can Teach Us* reminds us that we have the power to transform the way we respond to everyday challenges and ultimately be our best selves.

Much more than simple principles and platitudes, The Power of Now takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. It's no wonder that The Power of Now has sold over 2 million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes readers on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light. In the first chapter, Tolle introduces readers to enlightenment and its natural enemy, the mind. He awakens readers to their role as a creator of pain and shows them how to have a pain-free identity by living fully in the present. The journey is thrilling, and along the way, the author shows how to connect to the indestructible essence of our Being, the eternal, ever-present One Life beyond the myriad forms of life that are subject to birth and death. Featuring a new preface by the author, this paperback shows that only after regaining awareness of Being, liberated from Mind and intensely in the Now, is there Enlightenment.

This wonderfully unique collaboration brings together two masters of their fields, joining original words by spiritual teacher Eckhart Tolle with delightful illustrations by Patrick McDonnell, the creator of the acclaimed comic strip MUTTS. Every heartwarming page provokes thought, insight, and smiling reverence for all beings and each moment. More than a collection of witty and charming drawings, the marriage of Patrick McDonnell's art and Eckhart Tolle's words conveys a profound love of nature, of animals, of humans, of all life-forms. Guardians of Being celebrates and reminds us of not only the oneness of all life but also the wonder and joy to be found in the present moment, amid the beauty we sometimes forget to notice all around us.

Summary of Eckhart Tolle's The Power of Now: A Guide to Spiritual Enlightenment Most of us are just living our lives by serving as our mind's slaves. We do not question our thoughts at all and spend our lives in a state of unconsciousness. Pain and suffering engulf us and our thoughts bother us. Our mind does not let us have a moment of peace. Eckhart Tolle teaches us in The Power of Now that we can take away the reins from our minds. We can surrender to the present and become conscious. We can improve our existence by letting go of thought and find peace. Most importantly, by being present, we can let the past and future go and focus on the Now to connect with Being and the purpose of our lives. This summary is not like any other book. It will teach you a new way of life. You might think that you have no other presence than your mind and physical body but you do not know your true self. The Power of Now will help you be present and live in the current moment like never before. It will liberate you from the noise of your mind and help you achieve inner peace. You will truly learn to live and connect with the Divine after reading and understanding this book. About the original author: Eckhart Tolle is the author of the New York Times bestsellers: "The Power of Now" (translated into 33 languages) and "A New Earth", which are widely regarded as two of the most influential spiritual books of our time. In 2008, A New Earth became the first spiritual book to be selected for Oprah's Book Club as well as the subject of a ten-week online workshop co-taught by Eckhart and Oprah. The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

A Complete Summary - The Power of Now: A Guide to Spiritual Enlightenment The Power of Now is a spiritual book written by German writer Eckhart Tolle. In his book, Tolle talks about the power of 'living in the present moment' rather than unnecessary dwellings in the past or trying to figure out

what future will look like. Even though there are many books that are similar to this one, The Power of Now is unique in many ways. While explaining how to successfully live in the present moment, the author is guided by the teachings of Taoism, Karma, Buddhism, and Christianity through the teachings of Jesus Christ. By trying to unify all these teachings, the author captured the true meaning of many spiritual and religious teachings by creating one single universal guideline—the Now. The book itself was published in 1997 and only three thousand copies were printed at first, but in 1999, it was republished and printed in a much larger number by New World Library. And now, the book was sold in over three million copies and it has been translated into more than thirty languages. The main idea of Tolle's book is that every religious teaching has the same core, and thus, he tried to 'retell' these core teachings in a way that would be easy for his readers to follow. With an appealing concept and also interesting topics, The Power of Now is surely a type of book that draws the attention of many readers. Here Is A Preview Of What You Will Get: - In The Power of Now, you will get a summarized version of the book. - In The Power of Now, you will find the book analyzed to further strengthen your knowledge. - In The Power of Now, you will get some fun multiple choice quizzes, along with answers to help you learn about the book. Eckhart Tolle is perhaps the most popular spiritual guru in the world. His books have topped the New York Times Bestseller List, and his core teaching—achievement of liberation via the power of Now—has become the "guiding light" of the New Age movement. But according to L. Ron Gardner, author of Beyond the Power of Now, there is a problem—a big problem—with Tolle's core teaching: Tolle never explains what, exactly, the power of Now is. Is it the same thing as Hindu Shakti or the Buddhist Sambhogakaya or the Christian Holy Spirit? Tolle doesn't say. He continually refers to the Bible and Jesus in his book, but, shockingly, never once mentions the Holy Spirit and how it relates to the Power of Now. L. Ron makes it clear that the true Power of Now is the Holy Spirit, which is the same divine Light-energy as Hindu Shakti and the Buddhist Sambhogakaya. He explains and extolls the true power of Now and castigates Tolle for failing to identify and describe it. To some, Eckhart Tolle is a New Age visionary, describing a "new earth" that can materialize if mankind, en masse, awakens to the power of Now. But according to L. Ron Gardner, he is simply a histrionic ranter full of empty rhetoric. Throughout this book, L. Ron continually points out, from different angles, the folly of Tolle's New (or Now) Age chimera and describes the social system that represents mankind's sociopolitical salvation. Beyond Tolle's teaching about the power of Now and rhetoric about a "new earth," L. Ron takes the renowned guru to task on virtually every subject he addresses. Most significantly, he rebuts his arguments that: 1) emotions can be trusted more than thought; 2) time is a mind-created illusion; 3) psychological time is insanity; 4) the present moment is the Now; 5) the "inner" body is the direct link to the Now; 6) your cells stop aging when you live in the Now; 7) women are spiritually more evolved than men; and 8) animals such as ducks and cats are Zen masters. Eckhart Tolle's teachings are replete with erroneous ideas, and L. Ron Gardner exposes the major flaws in his principal arguments while providing readers with integral solutions.

A thought-provoking, original appraisal of the meaning of religion by the host of public radio's On Being Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life-and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

THE POWER OF NOW has proved to be one of the greatest spiritual books written in recent times. It contains a power that goes beyond words, and it can lead us to a much quieter place beyond our thoughts, a place where our thought-created problems dissolve, and we discover what it means to create a liberated life. Throughout, there are specific practices and clear keys that show us how to discover for ourselves the grace, ease and lightness that come when we simply quieten out thoughts and see the world before us in the present moment. PRACTICING THE POWER OF NOW is a carefully arranged series of excerpts from THE POWER OF NOW that directly give us those exercises and keys. Read this book slowly, or just open it at random, reflect on the words, reflect even on the space between the words, and maybe over time, maybe immediately you'll discover something of life-changing significance. You'll find the power, the ability to change and elevate not only your life, but your world as well. It's in your hands. Discover THE POWER OF NOW.

**Beyond the Power of Now** New World Library

From the renowned psychologist who introduced the world to "growth mindset" comes this updated edition of the million-copy bestseller—featuring transformative insights into redefining success, building lifelong resilience, and supercharging self-improvement. "Through clever research studies and engaging writing, Dweck illuminates how our beliefs about our capabilities exert tremendous influence on how we learn and which paths we take in life."—Bill Gates, GatesNotes "It's not always the people who start out the smartest who end up the smartest." After decades of research, world-renowned Stanford University psychologist Carol S. Dweck, Ph.D., discovered a simple but groundbreaking idea: the power of mindset. In this brilliant book, she shows how success in school, work, sports, the arts, and almost every area of human endeavor can be dramatically influenced by how we think about our talents and abilities. People with a fixed mindset—those who believe that abilities are fixed—are less likely to flourish than those with a growth mindset—those who believe that abilities can be developed. Mindset reveals how great parents, teachers, managers, and athletes can put this idea to use to foster outstanding accomplishment. In this edition, Dweck offers new insights into her now famous and broadly embraced concept. She introduces a phenomenon she calls false growth mindset and guides people toward adopting a deeper, truer growth mindset. She also expands the mindset concept beyond the individual, applying it to the cultures of groups and organizations. With the right mindset, you can motivate those you lead, teach, and love—to transform their lives and your own.
