In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. Twelve Ways to Win People to Your Way of Thinking

1. The only way to get the best of an argument is to avoid it.
2. Show respect for the other person's opinions. Never say "You're wrong."
3. If you're wrong, admit it quickly and emphatically.
4. Begin in a friendly way.
5. Start with questions to which the other person will answer yes.
6. Let the other person do a great deal of the talking.
7. Let the other person feel the idea is his or hers.
8. Try honestly to see things from the other person's point of view.
9. Be sympathetic with the other person's ideas and desires.
10. Appeal to the nobler motives.
11. Dramatize your ideas.
12. Throw down a challenge.

Eleven-year-old Isabella's blended family is more divided than ever in this "timely but genuine" (Publishers Weekly) story about divorce and racial identity from

the award-winning and New York Times bestselling author of *Out of My Mind*, Sharon M. Draper. Eleven-year-old Isabella's parents are divorced, so she has to switch lives every week: One week she's Isabella with her dad, his girlfriend Anastasia, and her son Darren living in a fancy house where they are one of the only black families in the neighborhood. The next week she's Izzy with her mom and her boyfriend John-Mark in a small, not-so-fancy house that she loves. Because of this, Isabella has always felt pulled between two worlds. And now that her parents are divorced, it seems their fights are even worse, and they're always about HER. Isabella feels completely stuck in the middle, split and divided between them more than ever. And she is beginning to realize that being split between Mom and Dad involves more than switching houses, switching nicknames, switching backpacks: it's also about switching identities. Her dad is black, her mom is white, and strangers are always commenting: "You're so exotic!" "You look so unusual." "But what are you really?" She knows what they're really saying: "You don't look like your parents." "You're different." "What race are you really?" And when her parents, who both get engaged at the same time, get in their biggest fight ever, Isabella doesn't just feel divided, she feels ripped in two. What does it mean to be half white or half black? To belong to half mom and half dad? And if you're only seen as half of this and half of that, how can you ever feel whole? It seems like nothing can bring Isabella's family together again—until the worst thing happens. Isabella and Darren are stopped by the police. A cell phone is mistaken for a gun. And shots are fired.

A Long Walk to Water Penguin

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

ASPECTS OF THE NOVEL is a unique attempt to examine the novel afresh, rejecting the traditional methods of classification by chronology or subject-matter. Forster pares down the novel to its essential elements as he sees them: story, people, plot, fantasy, prophecy, pattern and rhythm. He illustrates each aspect with examples from their greatest exponents, not hesitating as he does so to pass controversial judgement on the works of, among others, Sir Walter Scott, Charles Dickens and Henry James. Full of Forster's renowned wit and perceptiveness, ASPECTS OF THE NOVEL offers a rare insight into the art of fiction from one of our greatest novelists. 'His is a book to encourage dreaming.' *Turning Stress into Strength* Penguin NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY DWIGHT GARNER, THE NEW YORK TIMES • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY San Francisco Chronicle | NPR | The Root | The Telegraph | The Globe and Mail NATIONAL BESTSELLER • FINALIST, PHILLIS WHEATLEY BOOK AWARD • TEJU COLE WAS NAMED ONE OF THE MOST INFLUENTIAL AFRICANS OF THE YEAR BY NEW AFRICAN MAGAZINE For readers of Chimamanda Ngozi Adichie and Michael Ondaatje, *Every Day Is for the Thief* is a wholly original work of fiction by Teju Cole, whose critically acclaimed debut, *Open City*, was the winner of the PEN/Hemingway Award and a finalist for the National Book Critics Circle Award, and was named one of the best books of the year by more than twenty publications. Fifteen years is a long time to be away from home. It feels longer still because I left under a cloud. A young Nigerian living in New York City goes home to Lagos for a short visit, finding a city both familiar and strange. In a city

dense with story, the unnamed narrator moves through a mosaic of life, hoping to find inspiration for his own. He witnesses the “yahoo yahoo” diligently perpetrating email frauds from an Internet café, longs after a mysterious woman reading on a public bus who disembarks and disappears into a bookless crowd, and recalls the tragic fate of an eleven-year-old boy accused of stealing at a local market. Along the way, the man reconnects with old friends, a former girlfriend, and extended family, taps into the energies of Lagos life—creative, malevolent, ambiguous—and slowly begins to reconcile the profound changes that have taken place in his country and the truth about himself. In spare, precise prose that sees humanity everywhere, interwoven with original photos by the author, *Every Day Is for the Thief*—originally published in Nigeria in 2007—is a wholly original work of fiction. This revised and updated edition is the first version of this unique book to be made available outside Africa. You've never read a book like *Every Day Is for the Thief* because no one writes like Teju Cole. Praise for *Every Day Is for the Thief* “A luminous rumination on storytelling and place, exile and return . . . extraordinary.”—San Francisco Chronicle “Cole is following in a long tradition of writerly walkers who, in the tradition of Baudelaire, make their way through urban spaces on foot and take their time doing so. Like Alfred Kazin, Joseph Mitchell, J. M. Coetzee, and W. G. Sebald (with whom he is often compared), Cole adds to the literature in his own zeitgeisty fashion.”—The Boston Globe *The Old Man And The Sea* W. W.
