Humans have always made music and this authoritative and lavishly illustrated guide is your companion to its fascinating history across the globe. Music - that mysterious alchemy of harmonies, lyrics, and rhythm - is a constant in our lives. Discover how music has evolved with human society, accompanying our leisure, religious rituals, and popular festivities. Watch its development during prehistory and before musical notation, when melodies were memorized or improvised. Enjoy galleries of historical instruments such as dulcimers, shawms, psalteries, and tabor pipes. The universal language of music is expressed in an astonishing number of styles today, and Music presents its evolution around the globe, including the classical European tradition of JS Bach, the passionate sounds of Spain's flamenco, and the sonic power of

electronica and heavy rock. With spectacular timelines of key events and profiles of musicians from Amadeus Mozart to David Bowie, Music is an unrivaled and comprehensive reference. Whether you are into the Blues, Brahms, or Bhangra, it is essential reading and guaranteed to hit the right note.
